

307(b) Exhibit and Tuck Showing

Cumulus Licensing LLC (“Cumulus”), licensee of Station KRRF(FM), Goleta, California, and Station KRUZ, Santa Barbara, California, submits this exhibit in support of an application to reallocate Channel 292A from Goleta to Oak View, California as that community’s first local service and reallocate Channel 248B from Santa Barbara to Goleta to maintain the local service in that community, respectively. Pursuant to Section 307(b) of the Communications Act, 47 U.S.C. § 307(b), Cumulus will demonstrate that the two city of license changes establish a preferential arrangement of allotments as set forth by the Commission in *Revision of Procedures Governing Amendments to FM Table of Allotments and Changes of Community of License in the Radio Broadcast Services*, 21 FCC Rcd 14212, ¶ 10 (2006).

As demonstrated in the KRRF application, Channel 292A can be allotted to Oak View consistent with Section 73.207 of the Commission’s Rules and a 70 dBu signal can be provided to Oak View from the proposed allotment and specified transmitter sites. The population and area within the proposed 70 dBu contour is 322,658 persons in 875 square kilometers, and within the proposed 60 dBu contour is 458,542 persons in 2,868 square kilometers. This proposal will not create any white or gray area and will provide a net gain in 60 dBu service to 225,855 persons. There are at least 16 stations providing protected service to the KRRF loss area.

The KRUZ application does not propose to change its transmitter site and therefore there will be no loss or gain area.

Cumulus desires to change the community of license of KRRF from Goleta to Oak View and KRUZ from Santa Barbara to Goleta under the guidelines set forth in

Amendment of the Commission's Rules Regarding Modification of FM and TV Authorizations to Specify a New Community of License, 4 FCC Rcd 4870 (1989), *recons. granted in part*, 5 FCC Rcd 7094 (1990) (“*Community of License Order*”). There, the Commission stated that a station may change its community of license without subjecting the license to other expressions of interest if (1) the proposed allotment is mutually exclusive with the current allotment; (2) the current community of license will not be deprived of its only local service; and (3) the proposed arrangement of allotments is preferred under the Commission's allotment priorities. These criteria are met here. First, the proposed use of Channel 292A at Oak View is mutually exclusive with the current use of Channel 292A at Goleta. Second, Goleta will not be deprived of its only local service because, as discussed below, KRUZ is concurrently changing its community of license to Goleta. (Santa Barbara will have 12 local services remaining.) Third, the provision of a first local service at Oak View (2000 U.S. Census population 4,199) under Priority 3 will result in a preferential arrangement of allotments over the retention of a 13th local service at Santa Barbara under Priority 4.¹ *See Revision of FM Assignment Policies and Procedures*, 90 FCC 2d 88 (1982).

Goleta is located in the Santa Barbara Urbanized Area, while Oak View is located in the Oxnard Urbanized Area. Therefore, this relocation does not implicate the Commission's policy concerning the migration of stations from rural areas to urban areas. *See Faye and Richard Tuck*, 3 FCC Rcd 5374 (1988) (“*Tuck*”). Nevertheless a Tuck

¹ The proper comparison is between Oak View and Santa Barbara because it is Santa Barbara which will be losing a local service (due to the move of KRUZ) and Oak View is gaining a local service (due to the move of KRRF). The community of Goleta will retain its local service.

showing is provided. Also, KRUZ is remaining in the Santa Barbara Urbanized Area and therefore, no Tuck showing is provided.

In making the determination whether to award an urbanized community a first local service preference, the Commission will consider (1) the extent to which the station will provide service to the entire Urbanized Area, (2) the relative populations and proximity of the suburban and central city, and, most importantly, (3) the independence of the suburban community. *Tuck*, 3 FCC Rcd at 5377-78. In this case, from the proposed allotment site, KRRF would place a 70 dBu contour over more than 50% of the Oxnard Urbanized Area. Oak View's population (2000 U.S. Census 4,199) is approximately 2.5% of that of Oxnard (2000 U.S. Census 170,358) and Oak View is located approximately 25 kilometers from Oxnard. These figures are consistent with precedent.² The Commission has repeatedly stated that these factors are less important than evidence of independence. The following analysis of the eight *Tuck* factors demonstrates the independence of Oak View from Oxnard.

1. ***Extent to which residents of Oak View work in Oak View.*** According to the 2000 US Census figures, 173 of the 2,003 employed individuals in Oak View, or 9%, work in Oak View. This percentage compares favorably with other independent communities. *See, e.g., Ooltewah, Tennessee*, BPH-20070629BXS (approximately 8% of residents worked in the proposed community of Ooltewah, Tennessee); *Enon, Ohio*, BPH-20070119AGI (May 16, 2008) (approximately 8% of residents worked in the proposed community of Enon, Ohio); *Burkesville, Kentucky, et al.*, 21 FCC Rcd 11465

² *See Park City, Montana*, 19 FCC Rcd 2092, 2094 (2004) (Park City's population is less than 1% of that of Billings); *Ada, Newcastle and Watonga, Oklahoma*, 11 FCC Rcd 16896, 16899 (1996) (Newcastle's population is less than 1% of that of Oklahoma City); *North Canton, Ohio*, DA 06-845 (North Canton 5.5 miles from Canton); *West Sacramento, California*, BP-20070119ACI (West Sacramento 3 miles from Sacramento).

(2006) (approximately 4.3% of residents worked in the proposed community of Millersville, Tennessee). Further, as shown below, there are many employers in Oak View who provide ample opportunities for Oak View residents to be employed in Oak View and not in Oxnard. This alleviates any concerns that Oak View is dependent on Oxnard for employment of its residents. *See Attachment 1.*

2. ***Media that cover Oak View's local needs and interests.*** The Ojai Valley News, a twice-weekly newspaper, the Ventura County Star, a daily newspaper, and the Ventura County Reporter, a weekly newspaper, contain articles about Oak View and the surrounding area. In addition, there are a number of radio stations located near Oak View (and not licensed to Oxnard) where residents of Oak View can obtain local news and learn about community events. These stations include KOCP(FM), Camarillo, KFYV(FM), Ojai, and KMLA(FM), El Rio. Oak View residents can also obtain information about community news and events on the Oak View Civic Council website. *See Exhibit 1.*

3. ***Community leaders and residents perceive Oak View as being separate from Oxnard and Ojai.*** The independence of Oak View from Oxnard, Ojai, and other neighboring communities is demonstrated through a variety of sources. Oak View has existed since the late 1800s. Its first school, the Arnaz School, was built in 1883, and the main road through Oak View dates back to 1917. In the 1930s, the Oak View community began to develop, and the Oak View Civic Council was formed in 1957. As detailed below, a number of businesses identify with the community by using "Oak View" in their names. Oak View also has a number of independent religious and community organizations that provide the residents of Oak View with a place to gather and discuss

community issues. There are numerous annual community events in Oak View, including a Memorial Day Parade, the Annual Awards Dinner & Mayoral Selection, a clean up event, and the Pageant of Excellence to crown Miss Oak View, Miss Teen Oak View, Miss Pre-Teen Oak View, and the Miss Oak View court. According to Barbara Kennedy, manager of the Oak View Park and Resource Center, “Oak View, in my opinion, has arrived.” *See Exhibit 1.*

4. *Oak View has its own independent government and elected officials.*

Oak View is home to a number of governmental institutions that are not associated with Oxnard. For example, the Oak View Civic Council includes five elected Executive Officers and four other officers, including an Honorary Mayor. The Ojai Valley Municipal Advisory Council also meets in Oak View and Oak View residents elect their representative to the MAC. Additionally, the Ventura County Fire Station 23 is located in Oak View as well as the Oak View Park and Resource Center, and the Casitas Municipal Water District (headquartered in Oak View and serving nearly 70,000 residents in Western Ventura County). The Oak View Tax Assessment District includes a special property tax to fund the 2002 purchase of what is now the Oak View Park and Resource Center. *See Exhibit 1.*

5. *Oak View has its own zip code and phone directory.* Oak View has a post office and its own ZIP code, 93022. Businesses and residents in Oak View have Oak View addresses. In addition, the Ojai Valley Directory contains residential and business listings and general information about Oak View. *See Exhibit 1.*

6. *Oak View has its own commercial establishments, community organizations and health care providers.* Oak View is home to hundreds of commercial

establishments, many of which identify with the community by using “Oak View” in their name, including: Oak View Auto Center, Oak View Coffee, Kelley’s Oak View Daycare, Oak View Florist and Gifts, Oak View Preschool, Oak View Self Storage, and Oak View Shell. Oak View includes a bustling downtown featuring a post office; a grocery store; a bank; Mexican, Thai, and pizza restaurants; a coffee shop; two automobile repair shops; two tire shops; a car wash; a real estate office; and more. Oak View also has dozens of community organizations, including an American Legion chapter, a teen center, a Boys & Girls Club, the Ojai Valley Little League, and the Loyal Order of Moose Lodge. Oak View also has three churches and is home to the Centers for Family Health. *See Exhibit 1.*

7. ***Oak View has its own advertising market.*** Members of the Oak View Civic Council receive merchant coupons each year as part of their membership. Moreover, stations KOCP(FM), Camarillo, KFYV(FM), Ojai, and KMLA(FM), El Rio, together with the Ojai Valley News, the Ventura County Star, and the Ventura County Reporter enable Oak View businesses to reach Oak View residents independently of Oxnard.

8. ***Oak View has its own schools, library, and fire department.*** Oak View residents have public schools, libraries, sheriff services and a fire department. The public Sunset Elementary School, the private St. Gabriel Academy, and several preschools are located in Oak View. Additionally, both Ventura County Fire Station 23 and Casitas Municipal Water District are based in Oak View. While a number of these entities are administered by Ventura County, they are located in Oak View and it is common for a

community to rely on the county for some of its municipal services, and it is important to note that Oak View does not rely on Oxnard for these services.

Become a 'voting member' of the Council

We encourage all citizens to become voting members of the Oak View Civic Council. The annual membership fee is only \$5.00 (merchant coupons included) or \$20.00 (merchant coupons and 1 ticket to the awards/mayoral election in June included). Membership year is July through June, and previous members are encouraged to renew their membership.

Membership fees help support the Civic Council in [activities](#) and provide funds to help various local civic groups and non profit organizations, such as the Oak View Friends of the Library, the Little League, Boy Scouts, Girl Scouts, Oak View Park & Resource Center, Art to Grow On, and any other community group who petitions us for assistance.

Members receive monthly e-mail announcements of meetings and events. If membership is not possible, we encourage citizens to be supporters by attending the meetings and events, and volunteering to assist at the events. Supporters receive monthly e-mail announcements of meetings and events. Read or download the [Council brochure](#). Membership applications are available at Allstate Insurance, 378 Ventura Avenue, Oak View or here on this Oak View Civic Council website: [Membership form](#) (.pdf)

Oak View Park and Resource Center

Our Mission...

The park and resource center was founded by a community partnership that is committed to maintain a high standard of service, resources and recreation.

Our goal is to create a safe environment for citizens young and old to reach out to each other through education, recreation, the arts and access to public services for generations to come.

It is the belief of the Board that this project will best serve the community by pursuing a commitment to environmental, economic and socially equitable sustainability.

Our Site

OVPARC is a large space in the heart of Oak View with a playground, sports field, and a variety of buildings built in the "Ojai Scenic" style that embodies a love of natural light and the desert style.

In addition to long-term site residents, we have a number of rooms available for temporary use as well as an auditorium with kitchen available for parties and community events. [Contact](#) Site Manager, Barbara Kennedy, for more details.

If you haven't seen us lately, come by and take a swing, take advantage of our ongoing programs or just sit under the eucalyptus trees for a good read.

About Casitas Water

The Casitas Municipal Water District supplies water to 60-70,000 people in Western Ventura County and to hundreds of farms. The District boundaries encompass the city of Ojai, Upper Ojai, the Ventura River Valley area, the city of Ventura to Mills Road, and the Rincon and beach area to the ocean and Santa Barbara County line.

The District's current annual water deliveries can vary considerably from year to year. This is because the District has a large number of agricultural customers whose water needs can change significantly due to variations in weather and rainfall. Water deliveries can be lower than 15,000 acre-feet per year to higher than 23,000 acre-feet in a given year.

The District was formed in October of 1952. On March 1, 1956, the Ventura River project was authorized by Congress, which included the Robles Diversion facility on the Ventura River, the Robles Canal, and the Casitas Dam. The Casitas Dam was completed in November 1958. Lake Casitas then began to fill up and would not spill until 1978. Lake Casitas holds 254,000 acre-feet of water when full.

The Lake Casitas Recreation Area has become a very popular destination site with over 750,000 visitors each year.

Station 23 History

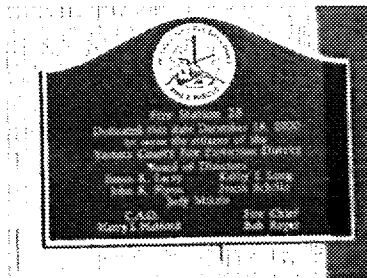

Fire Station 23 serves the Oak View and Casitas Springs areas of Ventura County and is the Battalion 2 Headquarters. Battalion 2 commands the Ojai Valley and north coast areas.

The old fire station was constructed in 1948 and modified many times to accommodate improvements in services. A new Station 23 was built on the original site and opened in 2000. It includes a two-story office and crew quarters area with slide pole and a community meeting room.

The Oak View Fire Station is staffed daily by five firefighters. Station 23 houses: a medic/engine (*Medic/Engine 23*); and is joined by a rescue (*Rescue 23*) to form a medic/rescue/engine combination. In addition to normal fire station duties, this unit provides ALS, heavy rescue and fire fighting support throughout the Ojai Valley. The battalion chief has a command vehicle (*Battalion 2*).

Valley Remembers Oak View Matriarch

Lanie Jo Springer succumbs to cancer

By Sondra Murphy

If there is a name that exemplifies the spirit of the Ojai Valley, it is Lanie Springer. A longtime champion of philanthropy and community service, Springer died on Saturday of pancreatic cancer.

She was a proactive member of the community with a welcoming smile and seemed tireless in her efforts. "Lanie was a one-of-a-kind person whose no-nonsense approach to any problem was refreshing," said Al Buczkowski, Oak View Civic Council member and former Oak View honorary mayor. "She will be missed."

In October of 2008, the Ventura County Board of Supervisors presented a resolution to Springer honoring her five decades of service to the community of Oak View and the Ojai Valley. Springer's husband, Jackie, and many friends from the area were there in celebration of her achievement. "Few others can match Lanie's extraordinary career of service to her community and her sterling example of dedicated citizenship," the resolution read.

"This is very overwhelming," Springer said before the event. "You don't do this because you want to be rewarded. Community service means a lot to me."

Springer served for many years as chair of the Highway 33 Improvement Committee, chair of the Ojai Valley Municipal Advisory Council, and was named Oak View honorary mayor, Citizen of the Year and to the Oak View Hall of Fame. Her impact on the valley was far-reaching.

Besides OVCC, Highway 33 Committee and OVMAC, during which she contributed to the Ojai Valley Area Plan, Springer also served on the Oak View American Legion Auxiliary, the Eight and Forty American Legion Society, as grand marshal of the 2007 Oak View Memorial Day parade and was on the board of Oak View Women's Club for more than 40 years.

Springer served as president of the OVWC in 1969 and 1970, sold raffle tickets at conventions and was the president's aide of the Tierra Adorada District, the region under which the club functioned. "She was just a very valiant lady," said Barbara Smith, OVWC member and past president. "She was in on the ground floor of getting the first stop light in Oak View at the post office. We did an old-fashioned sit-in and blocked traffic in the '70s." Springer was later on the Casitas Springs Bypass Committee.

The number of groups Springer contributed to is staggering. She served as extraordinary minister of the Old Mission, executive secretary for Omaha Woodmen Life Insurance Fraternal Society, secretary of the Cal-Nevada-Hawaii Jurisdictional Omaha Woodmen Life Insurance Society, on St. Thomas School PTA and Boy Scouts of America Troop 2503 Mothers Association. For 32 years, Springer worked for Ventura Unified School District.

"It was always an honor to work with Lanie on the MAC and Highway 33 Committee," said Steve Offerman, who is executive director for a number of county committees that regularly meet in Oak View through his association with Ventura County Supervisor Steve Bennett's office. "She was dedicated, hardworking, represented her community very well and had a traditional sense of kindness and dignity that will be missed."

Springer was born in San Antonio, Texas in 1934. Married for 55 years, she and her husband moved to Oak View in 1956, where they raised three sons, Jim, John and Joe. There are now five Springer grandchildren, and a hint of the next generation to come.

Springer established a family in the society she served, as well. "The words I most want to say are difficult to find. Their journey begins far, far away in the heart," said OVCC's Lynn Smith. "My relationship with Lanie began while we served together on the OVCC board in the 1980s and '90s. Lanie embodies the best in all of us: intelligence, beauty, vivaciousness, vision, selfless service, strength in beliefs with courage to express an opinion, thoughtfully compassionate, grounded, earthy, capable and solidly committed to ensuring that Oak View is a safe, secure and wonderful town to live in. Her example has and will continue to inspire me."

OVWC member Connie Biggers perfectly summed up Springer's impact on her world. "She is a valley legend."

Baker's dozen of contestants entertain, earn honors for excellence

By Sondra Murphy

The Oak View Community Center glimmered and shimmered Saturday during the 2009 Pageant of Excellence.

The 13 contestants who participated in this year's event provided the glamour, which was accented by instrumental music by Marc and Sandi, a formal meal by personal chef Sean Donwen and wit and wisdom from mistress of ceremonies Sharon Carr.

Carr, new to the valley, charmed the crowd by explaining how a haircut at pageant director Kim Armstrong's salon turned into a mistress of ceremonies gig. "Your daughters reflect this community," said Carr. "They have integrity, compassion and enthusiasm. They are leaders. They embraced me and welcomed me and I consider them my girls now."

Meagan Rose performed three crowd-pleasing a cappella songs, including "The Star-Spangled Banner," after Boy Scout Troop No. 503 and Brownie Troop No. 385 presented the colors.

Besides family and friends, special mentors to the contestants attended the pageant to cheer on the competitors. Each young lady spoke about what she had learned from her new acquaintance during the weeks leading up to the pageant, fondly referenced her pleasant surprise at finding she had much in common with her new friend and expressed interest in continuing the relationship. Those mentors are Lou Angelos, Molly Boyle, Alice Bromwell, Kelly Hargett, Barbara Herbert, Leanne Kennedy, Tony McLennan, Susie Rivers, Sarah Reinhart, Ruth Sitton, Luanne Schlichter, Glenda Strosnider, Marko and Bert Weingart, and Anne Youngdale. Vickie Achee coordinated their special tea with the contestants.

"I think the highlight of the night for me is when the girls gave their speeches about what they've learned and handed the roses to their friends," said Armstrong, who was able to enjoy herself a bit more this year thanks to a large pageant committee. "Trista and Jordan and Beth worked so much with them and gave each and every girl the attention they needed."

Jordan Kelsch, Trista Thrush and Elizabeth Tousignant helped coordinate the pageant and spoke fondly of this year's "amazing" contestants, as Thrush referred to them. "I came in thinking I was going to teach the girls all kinds of stuff," said Kelsch. "In reality, I think they taught me more."

Judges were Catherine Lee, Scott Miller, Jeannie Schick, Anita Smith and Penny Watson, coordinated by Georgeanne Stewart and audited by Ron Futterman.

U.S. Navy ensigns escorted contestants to the runway again this year. They were Tristan Dedelva, Fernando Llamas, Justin Rowilson and Daniel Stubbs. Possible future Miss Oak Views Lily Hargett and Raquel Shusette were escorted by Luke Davis.

The winners were as follows:

- Miss Oak View: Amanda Ramirez, 19, Ventura College sophomore; First Runner-Up, Krista Prock, 16, Nordhoff High School sophomore; Miss Congeniality, Amanda Ramirez
- Miss Teen Oak View: Chyanna Thrush, 14, Nordhoff High School sophomore; First Runner-Up, Karrissa O'Hearn, 13, Matilija Junior High School seventh-grader; Miss Congeniality, Chyanna Thrush
- Miss Pre-Teen Oak View: Nicole Neumann, 12, Matilija Junior High School seventh-grader; First Runner-Up, Shyanne Ordoñez, 11, Topa Topa Elementary School sixth-grader; Miss Congeniality, Megan McGraw, 9, Sunset Elementary School fourth-grader

All contestants will serve as part of the 2009 Miss Oak View court, participating in Oak View Civic Council events through next March. The remaining court ladies are Aleena Dennis, Jessica Rae Nixon, Tawny Watson, Melani Woolwine, Victoria Neumann and Rianna Sharif. Look for the new court to make an appearance at the Easter egg hunt at the Park and Resource Center on April 4 and in cool cars during the Memorial Day parade down Old Ventura Avenue in May.

The pageant was made possible by the collective effort and sponsorship of many individuals and businesses working to honor 55 years of pageant tradition in Oak View. The court will begin organizing for next year's event in December. For information about getting involved, contact Armstrong during evenings at 646-0727.
