Dear Applicant:

This is in reference to the above application and the request for an extension of the construction permit period received on August 1, 2018. For the reasons stated below, the request for an extension will be denied.

Section 73.3598 of the Commission's Rules<sup>1</sup> allows extension of an original LPFM construction permit for an additional 18 months. The instant permit is not an original permit therefore an extension per Section 73.3598 is not applicable. Tolling of the construction permit deadline can be requested under certain specific conditions that prevent construction due to causes not under control of the permittee. These causes include acts of God (such as floods, tornados, hurricanes, or earthquakes), administrative and judicial challenges to the permit's grant, or a pending request for international coordination. Tolling requests should be submitted 30 days before the permit's expiration.

Accordingly, in light of the above, the request for an extension of the construction permit period for BPL-20170201ACQ IS HEREBY DENIED. These actions are taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

  
James D. Bradshaw

**RE: Extension of LPFM Construction Permit  
KQNS-LP, Haleiwa, Hawaii  
Northshore Bible Truths  
File No. BPL-20170201ACQ  
Facility ID #194203**

Dear Ms. Dortch:

The above-identified construction permit for modifications to Low Power FM station KQNS-LP, Haleiwa, Hawaii, expires on August 9, 2018. Pursuant to §73.3598 of the Commission's rules, this is to request an extension of the permit for 18 months until and including February 9, 2020..

The station's broadcast consultant has been unable to travel to the station to construct the modified facilities, and the licensee has thus far been unable to obtain the services of an alternate engineering consultant. Accordingly, the extension is necessary and is respectfully requested.

Please contact the undersigned should you have any questions concerning this matter.

Very truly yours,

Donald E. Martin  
Counsel for Northshore Bible Truths
