(a) The Station Assets shall be sold and conveyed to Buyer free and clear of all mortgages, liens, deeds of trust, security interests, pledges, restrictions, prior assignments, charges, claims, defects in title and encumbrances of any kind or type whatsoever (collectively, "Liens") except: (i) liens for real estate taxes not yet due and payable for which Buyer receives a Purchase Price adjustment under Section 1.5; and (ii) the post-Closing obligations of Seller which CCB will assume under leases and contracts assigned to CCB that are listed on Schedules 1.1(c) and 1.1(e) ("Permitted Encumbrances").

(b) Except as otherwise specifically provided herein, Buyer shall not assume or be liable for, and does not undertake to attempt to, assume or discharge: (i) any liability or obligation of Seller arising out of or relating to any contract, lease agreement, or instrument; (ii) any liability or obligation of Seller arising out of or relating to any employee benefit plan relating to employment (all employment obligations shall be brought current by Seller as of the Closing Date, including the payment of all accrued benefits, taxes and severance pay and all bonuses, whether or not such benefits, taxes or bonuses are due as of the Closing Date); (iii) any liability or obligation of Seller arising out of or relating to any litigation, proceeding or claim (whether or not such litigation, proceeding or claim is pending, threatened or asserted before, on or after the Closing Date); (iv) any other liabilities, obligations, debts or commitments of Seller whatsoever, whether accrued now or hereafter, whether fixed or contingent, whether known or unknown; or (v) any claims asserted

against the Station or any of the Station Assets relating to any event (whether act or omission) prior to the Closing Date including, without limitation, the payment of all taxes.

(c) Buyer shall in no event assume any liability or obligation arising (i) from the assignment to Buyer of any Contract in violation of its terms or (ii) from any other breach or default by Seller upon or prior to Closing under any Contract.

(d) Seller retains and shall hereafter pay, satisfy, discharge, perform and fulfill all obligations and liabilities not expressly assumed by Buyer hereunder as they become due, without any charge or cost to Buyer, and Seller agrees to indemnify and hold Buyer and its successors and assigns harmless from and against any and all such liabilities in accordance with the terms of Article IX.

Section 1.4 Purchase Price.

(a) Purchase Price. The purchase price to be paid for the Station Assets will be an amount equal to the sum of (1) (i) ONE MILLION FIVE HUNDRED THOUSAND DOLLARS (\$1,500,000) plus or minus (ii) the Closing Date Adjustments pursuant to Section 1.5 (the "Purchase Price"), plus (2) an amount equal to 80% of the book value of the Receivables on the Commencement Date of the LMA (the "Receivables Price" and together with the Purchase Price the "Total Purchase Price").

(b) Payment of Total Purchase Price. Buyer will pay the Receivables Price within four (4) business days of the Commencement Date of the LMA. Upon Closing, the Purchase Price shall be paid by Buyer in immediately available funds pursuant to written instructions of the Seller to be delivered by Seller to Buyer at least four (4) business days prior to Closing.

(c) Allocation of Purchase Price. Buyer and Seller will allocate the Total Purchase Price in accordance with the respective fair market values of the Station Assets and the goodwill being purchased and sold in accordance with the requirements of Section 1060 of the Internal Revenue Code of 1986, as amended (the "Code"). The allocation shall be determined by mutual agreement of the parties within ninety (90) days after the Closing. Buyer and Seller each further agrees to file its federal income tax returns and its other tax returns reflecting such allocation.

Section 1.5 Adjustments.

(a) Except as provided in the LMA, the operation of the Station and the income and normal operating expenses attributable thereto through the date preceding the Closing Date (the "Adjustment Date") shall be for the account of Seller and thereafter for the account of Buyer, and, if any income or expense is properly allocable or credited, then it shall be allocated, charged or prorated accordingly; provided, however, that the Receivables are included within the Station Assets and income in respect thereof shall be for the account of Buyer. Except as provided in the LMA, expenses for goods or services received both before and after the Adjustment Date, power

and utilities charges, frequency discounts, prepaid time sales agreements, and rents and similar prepaid and deferred items shall be prorated between Seller and Buyer as of the Adjustment Date in accordance with generally accepted accounting principles. All special assessments and similar charges or liens imposed against the Real Property and Tangible Personal Property in respect of any period of time through the Adjustment Date, whether payable in installments or otherwise, shall be the responsibility of Seller, and amounts payable with respect to such special assessments, charges or liens in respect of any period of time after the Adjustment Date shall be the responsibility of Buyer, and such charges shall be adjusted as required hereunder. To the extent that any of the foregoing prorations and adjustments cannot be determined as of the Closing Date, Buyer and Seller shall conduct a final accounting and make any further payments, as required on a date mutually agreed upon, within ninety (90) days after the Closing.

(b) With respect to trade, barter or similar agreements for the sale of time for goods or services ("Barter Agreements") assumed by Buyer pursuant to Section 1.1(d) or (e), if any, if there exists on the date of assumption an aggregate negative barter balance (i.e., the amount by which the value of air time (based upon the Station's then prevailing rates) to be provided exceeds the fair market value of goods or services by more than \$1,500.00 to be received therefor), then such excess will be treated as prepaid time sales and adjusted for as a proration in Buyer's favor. If, however, there exists on such date an aggregate positive barter balance (i.e., the amount by which the value of airtime (based upon the Station's then prevailing rates) to be provided is less than the fair market value of goods or services to be received therefor) with respect to Barter Agreements assumed by Buyer, there shall be no proration in Seller's favor.

Section 1.6 Closing. The consummation of the sale and purchase of the Station Assets provided for in this Agreement (the "Closing") shall take place at a date and time designated by Buyer after the date of the FCC Consent (as defined in Section 10.12) pursuant to the FCC's initial order, but, except as provided in Section 10.1(c), in no event later than the earlier of (a) one year after the date of this Agreement or (b) ten (10) business days after the date the FCC Consent becomes Final (as defined in Section 10.12) (such date, the "Final Closing Date"), in any case subject to the satisfaction or waiver of the last of the conditions required to be satisfied or waived pursuant to Articles VI and VII (other than those requiring a delivery of a certificate or other document, or the taking of other action, at the Closing). Alternatively, the Closing may take place at such other place, time or date as the parties may mutually agree upon in writing. The date on which the Closing is to occur is referred to herein as the "Closing Date."

Section 1.7 Non-Competition Agreement. On the Closing Date, Seller (on behalf of it and all of its Affiliates (as defined in Section 2.24)) shall enter into a five-year Non-Competition Agreement in the form attached hereto as Exhibit A (the "Non-Competition Agreement"), for no additional consideration. In connection with the allocation under Section 1.4(c), \$150,000.00 of the Purchase Price shall be allocated as consideration for the Non-Competition Agreement.

Section 1.8 LMA. Simultaneous with the execution of this Agreement, Seller and CCB are entering into a Local Programming and Marketing Agreement in the form attached hereto as Exhibit B (the "LMA") with respect to the Station pursuant to which, among other things, upon satisfaction of the Closing conditions described in Sections 6.4 and 7.4, and subject to the terms and

conditions of the LMA, CCB will provide programming for, and be entitled to receive the revenues from the sale of advertising time on, the Station.

ARTICLE II

REPRESENTATIONS AND WARRANTIES OF SELLER

Seller represents and warrants to Buyer as follows:

Section 2.1 Status. Seller is a general partnership, duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization (as first set forth above). Seller is duly qualified to do business and is in good standing in such states in which the failure to so qualify would have a material adverse effect on the business of the Station. Seller has the requisite power to carry on the business of the Station as it is now being conducted and to own and operate the Station, and Seller has the requisite power to enter into and complete the transactions contemplated by this Agreement (the "Subject Transactions"). Seller has not used any name in the operation of its business other than its name as first set forth above and the Station's call letters.

Section 2.2 Authority. All actions necessary to be taken by or on the part of Seller in connection with the Subject Transactions have been duly and validly taken, and this Agreement has been duly and validly authorized, executed, and delivered by Seller and constitutes the legal, valid and binding obligation of Seller, enforceable against Seller in accordance with its terms.

Section 2.3 No Conflict. The execution, delivery and performance of this Agreement and the consummation of the Subject Transactions will not (a) conflict with or violate the partnership agreement of Seller; (b) conflict with or violate or result in any breach of or any default under, result in any termination or modification of, or cause any acceleration of any obligation under, any Contract (as defined in Section 2.4) to which Seller is a party or by which it is bound, or by which the Station or any of the Station Assets may be affected, or result in the creation of any Lien upon any of the Station Assets; or (c) violate any judgment, decree, order, statute, law, rule or regulation applicable to Seller, the Station or any of the Station Assets.

Section 2.4 Contracts. All written, oral or implied contracts, agreements, leases or instruments or other commitments including, without limitation, all indentures, mortgages, guarantees, surety arrangements, and all contracts or agreements for the purchase or sale of merchandise, programming or advertising time on a radio station or for the rendition of services (each a "Contract" and collectively, "Contracts"), which relate to the Station Assets, to which Seller is a party to or bound by, or which are used in, related to or necessary for the business and operations of the Station ("Seller Contracts") are described on Schedules 1.1(c) and 1.1(e), except for written Seller Contracts which: (a) have been entered into in the ordinary and usual course of business and are terminable without penalty or involving a commitment of less than \$1,000 individually or \$10,000 in the aggregate for the purchase or sale of goods, supplies, equipment, capital assets, products or services; or (b) involve less than \$1,000 individually or \$10,000 in the aggregate (when combined with all those described in clause (a) above) entered into in the ordinary

and usual course of business from the date hereof until the Closing Date. Seller has delivered to Buyer true and complete copies of all written Seller Contracts listed on Schedules 1.1(c) and 1.1(e).

Section 2.5 No Breach. Seller is not in violation or breach of any of the terms, conditions or provisions of any Seller Contract, or any court order, judgment, arbitration award, or decree relating to or affecting the Station or the Station Assets to which Seller is a party or by which it is bound.

Section 2.6 Financial Statements. Attached as Schedule 2.6 hereto are copies of (i) the balance sheet of Seller for the year ended December 31, 2000 (the "Balance Sheet Date") and the statement of income of Seller for the year then ended (collectively, the "Financial Statements"). The Financial Statements are complete and correct, have been prepared in accordance with the books and records regularly maintained by Seller, present fairly the financial position of Seller as of those dates and the results of its operations for the periods indicated in accordance with sound accounting principles consistently applied, and properly and fairly disclose and allocate all transactions among Seller and any of its Affiliates. Buyer may conduct an audit of Seller's books and records at any time.

Section 2.7 Liabilities. Seller has no liabilities or obligations relating to the Station or the Station Assets of any kind or nature, whether known or unknown, due or not yet due, liquidated or unliquidated, fixed, contingent or otherwise, except as and to the extent reflected in the Financial Statements.

Section 2.8 Taxes. Seller has filed all applicable federal, state, local and foreign tax returns required to be filed, in accordance with provisions of law pertaining thereto, and has paid all taxes, interest, penalties and assessments (including, without limitation, income, withholding, excise, unemployment, Social Security, occupation, transfer, franchise, property, sales and use taxes, import duties or charges, and all penalties and interest in respect thereof) required to have been paid with respect to or involving the Station or the Station Assets. Seller has not been advised that any of its returns, federal, state, local or foreign, have been or are being audited.

Section 2.9 Licenses. Seller is the holder of the FCC Authorizations listed and described on Schedule 1.1(a). Such FCC Authorizations constitute all of the licenses, authorizations and approvals required under the Communications Act of 1934, as amended (the "Communications Act"), or the rules, regulations and policies of the FCC for, and used in the operation of, the Station. The FCC Authorizations are in full force and effect and have not been revoked, suspended, canceled, rescinded or terminated and have not expired. There is not pending or threatened, any action by or before the FCC to revoke, suspend, cancel, rescind or modify any of the FCC Authorizations (other than proceedings to amend FCC rules of general applicability), and there is not now issued or outstanding or pending or threatened, by or before the FCC, any order to show cause, notice of violation, notice of apparent liability, or notice of forfeiture or complaint against Seller or any Station. Each Station is operating in compliance with the FCC Authorizations, the Communications Act, and the rules, regulations and policies of the FCC.

Section 2.10 Additional FCC Matters.

(a) All reports and filings required to be filed with the FCC by Seller with respect to the Station (including, without limitation, all required equal employment opportunity reports) have been timely filed. All such reports and filings are accurate and complete. Seller maintains public files for the Station as required by FCC rules. With respect to FCC licenses, permits and authorizations, Seller is operating only those facilities for which an appropriate FCC Authorization has been obtained and is in effect, and Seller is meeting the conditions of each such FCC Authorization.

(b) Seller is aware of no facts indicating that Seller is not in compliance with all requirements of the FCC, the Communications Act, or any other applicable federal, state and local statutes, regulations and ordinances. Seller is aware of no facts and Seller has received no notice or communication, formal or informal, indicating that the FCC is considering revoking, suspending, canceling, rescinding or terminating any FCC Authorization.

(c) The operation of the Station does not cause or result in exposure of workers or the general public to levels of radio frequency radiation in excess of the "Radio Frequency Protection Guides" recommended in "American National Standard Safety Levels with Respect to Human Exposure to Radio Frequency Electromagnetic Fields 300 kHz to 100 GHz" (ANSI/IEEE C95.1-1992), issued by the American National Standards Institute, and renewal of the FCC Authorizations would not constitute a "major action" within the meaning of Section 1.1301, *et seq.*, of the FCC's rules.

Section 2.11 Approvals and Consents. Except as described in Schedule 2.11 hereto, the execution, delivery and performance by Seller of this Agreement and the consummation by it of the Subject Transactions will not require any consent, permit, license or approval of, or filing with or notice to, any person, entity or governmental or regulatory authority under any provision of law applicable to Seller or any Seller Contract, except as contemplated by Section 10.12 (Application for FCC Consent).

Section 2.12 Station Assets. The Station Assets constitute all of the assets necessary to conduct the present operations of the Station. Schedule 1.1(b) contains a description of all items of Tangible Personal Property having an original cost in excess of \$1,000. Seller has good, valid and marketable title to all of the Station Assets, free and clear of all Liens (other than Permitted Encumbrances). Each item of Tangible Personal Property including, without limitation, all equipment and electrical devices, is in good operating condition and repair, is free from material defect and damage, is functioning in the manner and for the purposes for which it was intended, has been maintained in accordance with industry standards and regulations of the FCC, and does not require any repairs other than normal routine maintenance.

Section 2.13 Real Property.

(a) Intentionally Omitted.

(b) Intentionally Omitted.

(c) Seller's interests in Real Property are as follows: Seller leases, as a tenant, the premises described on Schedule 1.1(c) as being so leased in each case specifying the name of the lessor or sublessor, the lessee, any sublessee, the lease term, the square footage of the premises leased, basic annual rental and other amounts paid or payable with respect thereto and any purchase or renewal options exercised or exercisable by Seller. The leases listed in Schedule 1.1(c) hereto constitute all the Real Property leases to which Seller is a party (either as lessor or lessee) and which are required or useful in the conduct of the business of the Station. Seller has delivered to Buyer true and complete copies of such leases.

(d) With respect to the leases of Real Property listed in Schedule 1.1(c) hereto, Seller has good title to its interest in such Real Property, free and clear of all Liens (other than Permitted Encumbrances). With respect to each such lease, (i) each such lease is in full force and effect, and is valid, binding and enforceable in accordance with its terms; (ii) all accrued and currently payable rents and other payments required thereunder have been paid; (iii) each such lease was entered into in the ordinary course of business and has provided for peaceable possession since the beginning of the original term thereof; (iv) each party thereto has complied with all respective covenants and provisions of thereof; (v) no party is in default in any respect thereunder; (vi) no party has asserted any defense, set off or counterclaim thereunder; (vii) no waiver, indulgence, or postponement of any obligations thereunder has been granted by any party; (viii) no notice of default or termination has been given or received, no event of default has occurred, and no condition exists and no event has occurred that, with the giving of notice, the lapse of time, or the happening of any further event would become a default or permit early termination thereunder; (ix) neither Seller nor any other party has violated any term or condition thereunder; and (x) the validity or enforceability thereof will in no way be affected by the sale of the Station Assets as contemplated herein. Each such lease provides sufficient access to the Station's facilities without need to obtain any other access rights. Except as set forth in Schedule 2.11 hereto, no third-party consent or approval is required for the assignment of any such lease to Buyer, or for the consummation of the Subject Transactions.

Section 2.14 Environmental Matters.

(a) As used herein, (i) the term "Environmental Laws" shall mean any and all state, federal, and local statutes, regulations and ordinances relating to the protection of human health and the environment, and (ii) the term "Hazardous Material" shall mean any hazardous or toxic substance, material, or waste including, without limitation, those substances, materials, pollutants, contaminants and wastes listed in the United States Department of Transportation Hazardous Materials Table (49 C.F.R. § 172.101) or by the United States Environmental Protection Agency as hazardous substances (40 C.F.R. Part 302 and amendments thereto), petroleum products (as defined in Title I to the Resource Conservation and Recovery Act, 42 U.S.C. § 6991-6991(i)) and their derivatives, and such other substances, materials, pollutants, contaminants and wastes as become regulated or subject to cleanup authority under any Environmental Laws.

(b) Seller represents and warrants that:

(i) all activities of the Station or of Seller with respect to the Station and the Real Property have been and are being conducted in compliance with all federal, state and local statutes, ordinances, rules, regulations and orders, as well as all requirements of common law concerning those activities, repairs or construction of any improvements, manufacturing processing and/or handling of any materials, and discharges to the air, soil, surface water or groundwater;

(ii) Seller has no knowledge of the release or presence of any Hazardous Material on, in, from or onto the Real Property;

(iii) Seller has not generated, manufactured, refined, transported, stored, handled, disposed of or released any Hazardous Material on the Real Property, nor has Seller or the Station permitted the foregoing;

(iv) Seller has obtained all approvals and caused all notifications to be made as required by Environmental Laws;

(v) Seller has obtained all required registrations with, licenses from, or permits issued by governmental agencies or authorities pursuant to environmental, health and safety laws, and all such registrations, licenses or permits are in full force and effect;

(vi) Seller has not received any notice of any violation of any Environmental Laws;

(vii) no action has been commenced or threatened regarding Seller's compliance with any Environmental Laws;

(viii) no tanks used for the storage of any Hazardous Material above or below ground are present or were at any time present on or about the Real Property;

(ix) no action has been commenced or threatened regarding the presence of any Hazardous Material on or about the Real Property;

(x) no Hazardous Materials are present in any medium in the operations of the Station (or of Seller with respect to the Station) and/or at the Real Property in such a manner as may require investigation or remediation under any applicable law;

(xi) no polychlorinated biphenyls or substances containing polychlorinated biphenyls are present on the Real Property; and

(xii) no friable asbestos is present in the operations of the Station and/or on the Real Property.

(c) Seller has not and will not release or waive the liability of any previous owner, lessee, or operator of the Real Property or any party who may be potentially responsible for

the presence or removal of Hazardous Material on or about the Real Property. Seller has no indemnification obligation regarding Hazardous Material to any party.

(d) In addition to the terms of Article IX, Seller further agrees to defend (with counsel approved by Buyer), fully indemnify, and hold entirely free and harmless Buyer from and against all claims, judgments, damages, penalties, fines, costs, liabilities, or losses (including, without limitation, sums paid in settlement of claims, attorneys' fees, consultant fees, and expert fees) that are imposed on, paid by, or asserted against Buyer, its successors or assigns, by reason or on account of, or in connection with, or arising out of (a) the presence or suspected presence of Hazardous Material in the soil, groundwater, or soil vapor on or about the Real Property, or (b) the migration of any Hazardous Material from or onto the Real Property, or (c) the violation of any Environmental Law, and, with respect to (a), (b) and (c), that existed as of or prior to the date of Closing. This indemnification of Buyer by Seller includes, without limitation, costs incurred in connection with any of the following:

(i) any investigative or remedial action involving the presence of Hazardous Material on or about the Real Property or releases of Hazardous Material from the Real Property;

(ii) any allegations made by any governmental authority or any private citizen or entity or group of citizens or entities as to the violation of any Environmental Laws involving the Real Property or the operations conducted thereon; and/or

(iii) any injury or harm of any type to any person or entity or damage to any property arising out of, in connection with, or in any way relating to (A) the generation, manufacture, refinement, transportation, treatment, storage, recycling, disposal or release, or other handling of Hazardous Material on or about the Real Property or pursuant to the operations conducted thereon, and/or (B) the violation of any Environmental Laws, and/or (C) the contamination of the Real Property.

(e) Buyer shall have the right to conduct a review of the Real Property and take soil and water samples (including groundwater samples) from the Real Property, and to test and analyze those samples to determine the extent of any contamination of the soils and water (including groundwater) on or about the Real Property. If, based on the results of those inspections and/or tests, Buyer determines that the condition of any of the Real Property is unsatisfactory or if Buyer believes that its ownership of any of the Real Property would expose Buyer to undue risks of government intervention or third-party liability, Buyer may, without any liability owing to Seller, (i) cancel the purchase of any of the Real Property and consummate the remaining Subject Transactions or (ii) terminate this Agreement.

Section 2.15 Compliance with Law. The Station, the Station Assets and Seller with respect to the Station and the Station Assets, are in all material respects in compliance with all requirements of law, federal, state and local, and all requirements of all governmental bodies or agencies having jurisdiction over any of them, the operation of the Station, the use of its properties and assets (including the Station Assets), and the Real Property. Without limiting the foregoing,

Seller has paid all monies and obtained all licenses, permits, certificates and authorizations needed or required for the operation of the Station and the use of the Real Property. Seller has properly filed all reports and other documents required to be filed with any federal, state, local or foreign government or subdivision or agency thereof. Seller has not received any notice, not heretofore complied with, from any federal, state or municipal authority or any insurance or inspection body that any of its properties, facilities, equipment or business procedures or practices fails to comply with any applicable law, ordinance, regulation, building or zoning law, or requirement of any public authority or body.

Section 2.16 Insurance. Seller maintains insurance policies relating to the Station and the Station Assets bearing the policy numbers, for the terms, with the companies, in the amounts, providing the general coverage set forth on Schedule 2.16 hereto. All of such policies are in full force and effect and Seller is not in default of any material provision thereof. Seller has not received notice from any issuer of any such policies of its intention to cancel, terminate or refuse to renew any policy issued by it.

Section 2.17 Employment Matters.

(a) There are no collective bargaining agreements, or written or oral agreements relating to the terms and conditions of employment or termination of employment, covering any employees, consultants or agents of the Station, except as listed and described in Schedule 2.17 hereto. Except as listed and described in Schedule 2.17, no employee of the Station has a written employment Contract. Seller is not engaged in any unfair labor practice or other unlawful employment practice, and there are no unfair labor practice charges or other employee related complaints, grievances or arbitrations, against Seller pending before the National Labor Relations Board, the Equal Employment Opportunity Commission, the Occupational Safety and Health Administration, the Department of Labor, any arbitration tribunal or any other federal, state, local or other governmental authority by or concerning Seller's employees. There is no strike, picketing, slowdown or work stoppage by or concerning such employees pending against or involving Seller. No representation question is pending or threatened respecting any of Seller's employees. Seller has delivered to Buyer copies of all letters, memoranda of understanding, past practices, assurances or other agreements modifying such collective bargaining agreements and other similar employee agreements.

(b) All handbooks, policies and procedures relating to all aspects of employment including, without limitation, compensation, benefits, equal employment opportunity and safety are listed and described in Schedule 2.17 attached hereto.

(c) The Station, and Seller with respect to the Station, have complied with in the past and are now in compliance with all labor and employment laws including, without limitation, federal, state, local and other applicable laws, rules, regulations, ordinances, orders and decrees concerning collective bargaining, unfair labor practices, payments of employment taxes, occupational safety and health, worker's compensation, the payment of wages and overtime, and equal employment opportunity. The Station and Seller with respect to the Station, are not currently

liable for any arrears or wages, benefits, taxes, damages or penalties for failing to comply with any law, rule, regulation, ordinance, order or decree relating in any way to labor or employment.

(d) Buyer shall have no obligation or liability due to or because of any past service liability, vested benefits, retirement plan insolvencies or other retirement plan or past employment obligation (except as provided herein) under local, state or federal law (including the Employee Retirement Income Security Act of 1974, as amended), resulting from the purchase of the Station or from former employees of Seller becoming employees of Buyer.

Seller has the sole and exclusive right to use the Intangible Property. No service provided by the Station or any programming or other material used, broadcast or disseminated by the Station infringes upon any copyright, patent or trademark of any other party.

Section 2.20 Bulk Sales. Neither the sale and transfer of the Station Assets pursuant to this Agreement, nor Buyer's possession and use thereof from and after Closing because of such sale and transfer, will be subject to any law pertaining to bulk sales or transfers or imposing liability upon Buyer for appraisal or liability owing to Seller.

Section 2.21 Brokers. Except for MGMT Services, Inc., whose fees will be paid solely by Sellers, there is no broker or finder or other person entitled to a commission or brokerage fee or payment in connection with this Agreement or the Subject Transactions as a result of any agreement of, or action taken by, Seller.

Section 2.24 Affiliates. No Affiliate of Seller has an interest in any of the Station Assets or any property used in the operation of the Station. Neither Seller nor any Affiliate of Seller has any financial interest in any supplier, advertiser or customer of Seller or in any other business with which Seller does business or competes. For purposes of this Agreement, an "Affiliate" has the meaning given it in Rule 12b-2 of Regulation 12B under the Securities Exchange Act of 1934, as amended.

Section 2.25 Disclosure. No provision of this Agreement relating to Seller, the Station or the Station Assets or any other document, Schedule, Exhibit or other information furnished by Seller to Buyer in connection with the execution, delivery and performance of this Agreement, or the consummation of the Subject Transactions, contains or will contain any untrue statement of a material fact or omits or will omit to state a material fact required to be stated in order to make the statement, in light of the circumstances in which it is made, not misleading. Seller will disclose to Buyer any fact known to Seller which Seller knows or believes would affect Buyer's decision to proceed with the execution of this Agreement. Except for facts affecting the radio industry generally, there is no adverse fact now known to Seller relating to the Station or the Station Assets which has not been disclosed to Buyer.

Section 2.26 Intentionally Omitted.

Section 2.27 Accounts Receivable. All Receivables of Seller that are reflected on the Financial Statements or on the accounting records of Seller as of the date the LMA commences represent or will represent valid obligations arising from sales actually made or services actually performed in the ordinary course of business. Unless paid prior to the Closing Date, the Receivables are or will be as of the Closing Date current and collectible net of the respective reserves shown on the Financial Statements or on the accounting records of Seller as of the Closing Date (which reserves are adequate and calculated consistent with past practice and, in the case of the reserve as of the Closing Date, will not represent a greater percentage of the Receivables as of the Closing Date than the reserve reflected in the Interim Balance Sheet represented of the Receivables reflected therein and will not represent a material adverse change in the composition of such Receivables in terms of aging). Subject to such reserves, each of the Receivables either has been or will be collected in full, without any set-off, within ninety (90) days after the day on which it first becomes due and payable. There is no contest, claim, or right of set-off, other than returns in the ordinary course of business, under any Contract with any obligor of any Receivables relating to the amount or validity of such Receivables.

Section 9.2 Indemnification.

(a) From and after Closing, Seller (an “Indemnifying Party”) hereby agrees to indemnify and hold harmless Buyer, the directors, officers and employees of Buyer and all Affiliates of Buyer, and their respective successors and assigns (collectively, the “Buyer Indemnitees”) from, against and in respect of, and to reimburse the Buyer Indemnitees for, the amount of any and all Deficiencies (as defined in Section 9.3(a)).

(b) From and after Closing, Buyer (an “Indemnifying Party”) hereby agrees to indemnify and hold harmless Seller, the directors, officers and employees of Seller and all Affiliates of Seller, and their respective successors and assigns (collectively, the “Seller Indemnitees”) from, against and in respect of, and to reimburse the Seller Indemnitees for, the amount of any and all Deficiencies (as defined in Section 9.3(b)).

Section 9.3 Definition of “Deficiencies.”

(a) As used in this Article IX, the term “Deficiencies” when asserted by Buyer Indemnitees or arising out of a third party claim against Buyer Indemnitees shall mean any and all

losses, damages, liabilities and claims sustained by the Buyer Indemnitees and arising out of, based upon or resulting from:

(i) any misrepresentation, breach of warranty, or any non-fulfillment of any representation, warranty, covenant, obligation or agreement on the part of Seller contained in or made pursuant to this Agreement;

(ii) any error contained in any statement, report, certificate or other document or instrument delivered by Seller pursuant to this Agreement;

(iii) any failure by Seller to pay or perform any obligation relating to the Station or the Station Assets that is not expressly assumed by Buyer pursuant to the provisions of this Agreement;

(iv) any litigation, proceeding or claim by any third party relating to the business or operations of the Station or the Station Assets prior to the Closing Date no matter when brought or made;

(v) any severance pay or other payment required to be paid with respect to any employee of the Station; and

(b) As used in this Article IX, the term “Deficiencies” when asserted by Seller Indemnitees or arising out of a third party claim against Seller Indemnitees shall mean any and all losses, damages, liabilities and claims sustained by the Seller Indemnitees and arising out of, based upon or resulting from:

(i) any misrepresentation, breach of warranty, or any non-fulfillment of any representation, warranty, covenant, obligation or agreement on the part of Buyer contained in or made pursuant to this Agreement;

Section 9.4 Procedures.

(a) In the event that any claim shall be asserted by any third party against the Buyer Indemnitees or Seller Indemnitees (Buyer Indemnitees or Seller Indemnitees, as the case may be, hereinafter, the "Indemnitees"), which, if sustained, would result in a Deficiency, then the Indemnitees, as promptly as practicable after learning of such claim, shall notify the Indemnifying Party of such claim, and shall extend to the Indemnifying Party a reasonable opportunity to defend against such claim, at the Indemnifying Party's sole expense and through legal counsel acceptable to the Indemnitees, provided that the Indemnifying Party proceeds in good faith, expeditiously and diligently. The Indemnitees shall, at their option and expense, have the right to participate in any defense undertaken by the Indemnifying Party with legal counsel of their own selection. No settlement or compromise of any claim which may result in a Deficiency may be made by the Indemnifying Party without the prior written consent of the Indemnitees unless: (A) prior to such settlement or compromise the Indemnifying Party acknowledges in writing its obligation to pay in full the amount of the settlement or compromise and all associated expenses; and (B) the Indemnitees are furnished with a full release.

(b) In the event that the Indemnitees assert the existence of any Deficiency against the Indemnifying Party, they shall give written notice to the Indemnifying Party of the nature and amount of the Deficiency asserted. If the Indemnifying Party within a period of thirty (30) calendar days after the giving of the Indemnitees' notice, shall not give written notice to the Indemnitees announcing its intent to contest such assertion of the Indemnitees (such notice by the Indemnifying Party being hereinafter referred to as the "Contest Notice"), such assertion of the Indemnitees shall be deemed accepted and the amount of the Deficiency shall be deemed established. In the event, however, that a Contest Notice is given to the Indemnitees within said 30-day period, then the contested assertion of a Deficiency shall be settled by arbitration to be held in San Antonio, Texas in accordance with the Commercial Rules of the American Arbitration Association then existing. The determination of the arbitrator shall be delivered in writing to the Indemnifying Party and the Indemnitees and shall be final, binding and conclusive upon all of the parties hereto, and the amount of the Deficiency, if any, determined to exist, shall be deemed established.

(c) The Indemnitees and the Indemnifying Party may agree in writing, at any time, as to the existence and amount of a Deficiency, and, upon the execution of such agreement, such Deficiency shall be deemed established.

Section 9.5 Payment of Deficiencies. The Indemnifying Party hereby agrees to pay the amount of established Deficiencies within fifteen (15) calendar days after the establishment thereof. The amount of established Deficiencies shall be paid in cash. At the option of the Indemnitees, the Indemnitees may offset any Deficiency or any portion thereof that has not been paid by the

Indemnifying Party to the Indemnitees against any obligation the Indemnitees, or any of them, may have to the Indemnifying Party.

Section 9.6 Legal Expenses. As used in this Article IX, the term "Legal Expenses" shall mean any and all fees (whether of attorneys, accountants or other professionals), costs and expenses of any kind reasonably incurred by any person identified herein and its counsel in investigating, preparing for, defending against, or providing evidence, producing documents or taking other action with respect to any threatened or asserted claim.

MISCELLANEOUS

Section 10.1 Termination. This Agreement may be terminated at any time prior to Closing: (a) by the mutual consent of Seller and Buyer; (b) by Buyer or Seller, if the FCC has denied the approvals contemplated by this Agreement in an order which has become Final; (c) by Buyer or Seller, if the Closing has not taken place by the Final Closing Date for reasons other than through the failure of the party seeking to terminate this Agreement to comply fully with its obligations under this Agreement; (d) by Buyer, as provided in Section 2.14 (Environmental Matters), Section 10.8 (Broadcast Transmission Interruption) or Section 10.9 (Risk of Loss); (e) by Buyer, if on the Closing Date, Seller has failed to satisfy the conditions set forth in Section 7.1, 7.5, 7.6 or 7.7; (f) by Buyer, if Seller has failed to cure a material breach of any of its representations, warranties or covenants under this Agreement within fifteen (15) calendar days after it receives notice from Buyer of such breach; (g) by Seller, if on the Closing Date, Buyer has failed to satisfy the conditions set forth in Section 6.1 or 6.5; (h) by Seller, if Buyer has failed to cure a material breach of any of its representations, warranties or covenants under this Agreement within fifteen (15) calendar days after it receives notice from Seller of such breach; or (i) by Buyer if within thirty (30) calendar days of the execution of this Agreement, if Buyer delivers written notice to Seller that Buyer has completed its due diligence and found the results to be materially unsatisfactory. A termination pursuant to this Section 10.1 shall not relieve any party of any liability it would otherwise have for a breach of this Agreement.

Section 10.2 Specific Performance. The parties acknowledge that each Station is of a special, unique and extraordinary character, and that damages alone are an inadequate remedy for a breach of this Agreement. In the event of a breach or threatened breach by Seller of any representation, warranty, covenant or agreement under this Agreement, at Buyer's election, in addition to any other remedy available to it, Buyer shall be entitled to an injunction restraining any such breach or threatened breach and, subject to obtaining any requisite approval of the FCC, to enforcement of this Agreement by a decree of specific performance requiring Seller to fulfill its obligations under this Agreement, in each case without the necessity of showing economic loss or other actual damage and without any bond or other security being required. Such right of specific performance or injunctive relief shall be in addition to, and not in lieu of, Seller's and Buyer's right to recover damages and to pursue any other remedies available for breach. In any action by Seller or Buyer to specifically enforce the breaching party's obligation to close the transactions

contemplated by this Agreement, the breaching party shall waive the defense that there is an adequate remedy at law or in equity and agrees that the other party shall be entitled to obtain specific performance of the breaching party's obligation to close without being required to prove actual damages. As a condition to seeking specific performance, Buyer shall not be required to tender the Purchase Price as contemplated by Section 1.4 but shall be required to demonstrate that Buyer is ready, willing and able to tender the Purchase Price as contemplated by such Section.

Section 10.3 Expenses. Each party hereto shall bear all of its expenses incurred in connection with the Subject Transactions including, without limitation, accounting and legal fees incurred in connection herewith; provided, however, that: (i) Seller and Buyer shall each pay one-half of the FCC filing fees required to be paid in connection with the Application; (ii) Seller shall pay, and Buyer shall not have any liability or responsibility for, any sales or transfer taxes (including, without limitation, any real estate transfer taxes), arising from the transfer of the Station Assets to Buyer; and (iii) Seller shall be exclusively responsible for the payment of all fees to Stephanie Sherwin and Wally Tucker.

Section 10.4 Bulk Sales Laws. Seller agrees to indemnify and hold Buyer harmless, in the manner and to the extent provided in Article IX, from all claims made by creditors with respect to non-compliance with any bulk sales law.

Section 10.5 Remedies Cumulative. The remedies provided in this Agreement shall be cumulative and shall not preclude the assertion by any party hereto of any other rights or the seeking of any other remedies against the other party hereto.

Section 10.6 Further Assurances. From time to time prior to, on and after the Closing Date, each party hereto will execute all such instruments and take all such actions as any other party shall reasonably request, without payment of further consideration, in connection with carrying out and effectuating the intent and purpose hereof and all Subject Transactions including, without limitation, the execution and delivery of any and all confirmatory and other instruments in addition to those to be delivered on the Closing Date, and any and all actions which may reasonably be necessary to complete the Subject Transactions. The parties shall cooperate fully with each other and with their respective counsel and accountants in connection with any steps required to be taken as part of their respective obligations under this Agreement.

Section 10.7 Public Announcements.

(a) Prior to the Closing Date, no party shall, without the approval of the other party hereto, make any press release or other public announcement concerning the Subject Transactions, except (i) to announce it has been entered into, and (ii) as and to the extent that such party shall be so obligated by law, in which case such party shall give advance notice to the other party and the parties shall use their best efforts to cause a mutually agreeable release or announcement to be issued.

(b) Notwithstanding the foregoing, the parties acknowledge that the rules and regulations of the FCC require that public notice of the Subject Transactions be made after the Application has been filed with the FCC. The form and substance of such public notice, to the extent not dictated by the Communications Act or the rules and regulations of the FCC, shall be mutually agreed upon by Seller and Buyer.

Section 10.8 Broadcast Transmission Interruption. If, before the Closing, the regular broadcast transmission of any Station in the normal and usual manner is interrupted for a period of two (2) consecutive hours or more, Seller shall give the prompt written notice thereof to Buyer. Buyer shall then have the right, by giving written notice to Seller, to postpone (and if necessary re-postpone) the Closing to a date that is fifteen (15) calendar days after the end of any such interruption. If regular broadcast transmission in the normal and usual manner is interrupted for a continuous period of eighteen (18) hours or more at any time prior to Closing Date, then (a) Seller immediately shall give written notice thereof to Buyer and (b) Buyer shall have the right, by giving written notice to Seller, to (i) terminate this Agreement, or (ii) postpone the Closing as provided above.

Section 10.9 Risk of Loss. The risk of loss, damage or destruction to any of the Station Assets shall be borne by Seller at all times up to 12:01 a.m. local time on the Closing Date, and it shall be the responsibility of Seller to repair or cause to be repaired and to restore the property to its condition prior to any such loss, damage, or destruction. In the event of any such loss, damage, or destruction, the proceeds of any claim for any loss, payable under any insurance policy with respect thereto, shall be used to repair, replace, or restore any such property to its former condition, subject to the conditions stated below. In the event of any loss or damage to any of the Station Assets, Seller shall notify Buyer thereof in writing immediately. Such notice shall specify with particularity the loss or damage incurred, the cause thereof (if known or reasonably ascertainable), and the insurance coverage. In the event that the subject property is not completely repaired, replaced or restored on or before the scheduled Closing Date, Buyer, at its option, may: (a) elect to postpone Closing until such time as the property has been completely repaired, replaced or restored (and, if necessary, Seller shall join Buyer in requesting from the FCC any extensions of time in which to consummate the Closing that may be required in order to complete such repairs); or (b) elect to consummate the Closing and accept the subject property in its then-current condition, in which event Seller shall pay to Buyer all proceeds of insurance and assign to Buyer the right to any unpaid proceeds; or (c) terminate this Agreement.

Section 10.10 Arbitration. In case any disagreement shall arise on or before the Closing Date between the parties hereto in relation to this Agreement, whether as to the construction or operation hereof or the respective rights and liabilities hereunder, such disagreement shall be decided by arbitration in accordance with the then-current Commercial Rules of the American Arbitration Association, to the extent that such rules do not conflict with the terms of this Section 10.10. All arbitration shall be conducted in San Antonio, Texas. Arbitration shall be initiated by either party giving written notice to arbitrate to the other party, stating the question to be arbitrated and the name of the arbitrator selected by that party. Within five (5) calendar days of the date of said notice to arbitrate, the other party shall select and give written notice of its arbitrator to the initiating party. The two arbitrators so selected shall select a third arbitrator and give written notice

within five (5) calendar days after the third arbitrator is chosen. The arbitration shall be conducted solely by the third arbitrator, who shall hear evidence and make an award within twenty (20) calendar days after the notice of selection of the third arbitrator is given to the parties, which award, when signed by the third arbitrator, shall be final. If either party shall refuse or neglect to appoint an arbitrator within five (5) calendar days after the other shall have appointed an arbitrator and given written notice to arbitrate to the other, requiring such party to appoint an arbitrator, then the arbitrator so appointed by the first party shall have power to proceed to arbitrate and determine the matters of disagreement as if he were an arbitrator appointed by both the parties hereto for that purpose, and his award in writing signed by him shall be final; provided that such award shall be made within fifteen (15) calendar days after such refusal or neglect of the other party to appoint an arbitrator. The party against which such award is made shall pay all costs and expenses of the arbitration. The Closing Date shall be automatically postponed during any such arbitration, but not beyond the Final Closing Date. Nothing herein shall prevent Buyer from obtaining an injunction, decree of specific performance or other equitable relief from any court.

Section 10.11 Rescission of Agreement. If the Closing occurs prior to a Final FCC Consent, and prior to becoming Final the FCC Consent is reversed or otherwise set aside, and there is a Final order of the FCC (or court of competent jurisdiction) requiring the re-assignment of the FCC Authorizations to Seller, then Seller and Buyer agree that the purchase and sale of the Station Assets shall be rescinded. In such event, Buyer shall reconvey to Seller the Station Assets, and Seller shall repay to Buyer the Purchase Price and reassume the Seller Contracts assigned and assumed by Buyer at Closing. Any such rescission shall be consummated on a mutually agreeable date within thirty (30) calendar days of such Final order (or, if earlier, within the time required by such order). In connection therewith, Buyer and Seller shall each execute such documents (including execution by Buyer of instruments of conveyance of the Station Assets to Seller and execution by Seller of instruments of assumption of the Seller Contracts assigned and assumed at Closing) and make such payments (including repayment by Seller to Buyer of the Purchase Price) as are necessary to give effect to such rescission. Seller's and Buyer's obligations under this Section 10.11 shall survive the Closing.

Section 10.12 Application for FCC Consent. As soon as possible (but in no event later than seven (7) calendar days after the date of this Agreement), Seller shall file an application with the FCC (the "Application") requesting the FCC's written consent to the assignment of the Station's FCC Authorizations to CCBL and for the consummation of the Subject Transactions. Seller shall diligently take all steps that are necessary, proper or desirable to expedite the prosecution of the Application to a favorable conclusion. Seller shall promptly provide Buyer with a copy of any pleading, order or other document served on Seller relating to the Application. Seller shall furnish all information required by the FCC and shall be represented at all meetings or hearings scheduled to consider the Application. The FCC's written consent to the Application is referred to herein as the "FCC Consent." In the event that Closing occurs hereunder prior to the receipt of a Final FCC Consent, then Seller's obligations under this Section 10.12 shall survive the Closing. For purposes of this Agreement, the term "Final" shall mean that action shall have been taken by the FCC (including action duly taken by the FCC's staff, pursuant to delegated authority) which shall not have been reversed, stayed, enjoined, set aside, annulled or suspended; with respect to which no timely request for stay, petition for rehearing, appeal or certiorari or sua sponte action

of the FCC with comparable effect shall be pending; and as to which the time for filing any such request, petition, appeal, certiorari or for the taking of any such *sua sponte* action by the FCC shall have expired or otherwise terminated. Upon written request of Buyer, Seller agrees to take all steps necessary, proper or desirable to obtain extension(s) of the Final FCC Consent; provided, however, that in no event shall Seller be obligated to request an extension of the Final FCC Consent to a date beyond the Final Closing Date.

Section 10.13 Non-Assignable Contracts. Nothing contained in this Agreement shall be construed as an assignment or an attempted assignment of any Contract which is by law non-assignable without the consent of the other party or parties thereto, unless such consent shall be given.

Section 10.14 Section 1031 Exchange. Buyer intends that the transfer of all or part of the Station Assets contemplated by this Agreement will be part of an exchange of assets that will qualify, pursuant to Section 1031 of the Code, and regulations thereunder, as a deferred like-kind exchange by Buyer. In keeping with that intention, it is expressly acknowledged that Buyer, its assignee or transferee, may, at or prior to Closing, assign, subject to Section 11.1, its rights (in whole or in part) under this Agreement to a qualified intermediary as defined in Treasury regulation section 1.1031(k)-1(g)(4), or a similar entity or arrangement ("Qualified Intermediary"), subject to all of Buyer's rights and obligations herein and shall promptly provide written notice of such assignment to Seller. Seller shall cooperate with the reasonable requests of Buyer's Qualified Intermediary in arranging and effecting this exchange under Section 1031 of the Code. Without limiting the generality of the foregoing, if Buyer has given notice of its intention to effect an exchange using a Qualified Intermediary, Seller shall promptly provide Buyer with written acknowledgment of such notice, and the Qualified Intermediary shall pay the purchase price for any Station Assets identified by Buyer to be included in a like-kind exchange to Seller, and such payment shall satisfy the obligations of Buyer to make payment for those Station Assets. Notwithstanding the foregoing, Buyer's assignment to a Qualified Intermediary will not relieve Buyer of any of its duties or obligations herein. Except for the obligations of Seller set forth in this Section 10.14, Seller shall not have any liability or obligation to Buyer for the failure of the contemplated exchange to qualify as a like-kind exchange under Section 1031 of the Code unless such failure is the result of the material breach by Seller of its representations, warranties, covenants and obligations herein.

ARTICLE XI

GENERAL PROVISIONS

Section 11.1 Successors and Assigns. Except as otherwise expressly provided herein, this Agreement shall be binding upon and inure to the benefit of the parties hereto, and their respective representatives, successors and assigns. Seller may not assign any of its rights or delegate any of its duties hereunder without the prior written consent of Buyer, and any such attempted assignment or

delegation without such consent shall be void. Buyer may assign its rights and obligations hereunder in whole or in part without Seller's consent.

Section 11.2 Amendments; Waivers. The terms, covenants, representations, warranties and conditions of this Agreement may be changed, amended, modified, waived, or terminated only by a written instrument executed by the party waiving compliance. The failure of any party at any time or times to require performance of any provision of this Agreement shall in no manner affect the right of such party at a later date to enforce the same. No waiver by any party of any condition or the breach of any provision, term, covenant, representation or warranty contained in this Agreement, whether by conduct or otherwise, in any one or more instances shall be deemed to be or construed as a further or continuing waiver of any such condition or of the breach of any other provision, term, covenant, representation or warranty of this Agreement.
