FCC Form 314
Exhibit 4**

Channel 61 Associates, LLC (“Channel 61”), the permittee and proposed assignor of television station WCWF(TV), Saranac Lake, New York, is composed of three members: Floyd L. Cox, Donald J. McHone, and WWBI TV, Inc. Under the operating agreement governing the actions of the limited liability company, approval of the sale of WCWF(TV) for an amount over one million dollars requires approval of just two-thirds of the LLC’s members. In this instance, the Asset Purchase Agreement for the sale of WCWF(TV) has been executed by Floyd L. Cox and Donald J. McHone. Accordingly, the action is consistent with the LLC’s operating agreement and the members request that the FCC process and approve this assignment application in the ordinary course. Any objection that might be raised by the remaining member of Channel 61 about the efficacy of this corporate action is a private contractual matter that will be dealt with and resolved under applicable state law.
