\$ 26,000.00

City/State: Porterville, CA
Date: _____

This PROMISSORY NOTE (the "Note") is executed pursuant to the terms of an ASSET PURCHASE AGREEMENT ("Purchase Agreement") dated as of July 29, 2016, by and between ONE MINISTRIES, INC., a California non-profit corporation ("Payee") and MAYBERRY BROADCASTING COMPANY, INC., a California corporation ("Maker"), this 29th day of July 29, 2016, in connection with the sale and purchase of FM translator station K264CL, Selma, California, Facility ID #: 82178 (the "Station"). The parties hereto are collectively referred to herein as the "Parties".

1. Payments. For good and valuable consideration, Maker promises to pay to the order of Payee the aggregate principal amount of Twenty-Six Thousand Dollars (\$26,000.00), plus interest, as provided:

(a) This Note shall be amortized over a period of five (5) years from the date hereof;

(b) This Note shall bear interest of four and one-half percent (4.5%) per annum on the unpaid balance;

(c) Maker shall pay to Payee, monthly payments of Four Hundred Eight Four Dollars and Seventy-Two Cents (\$484.72). The first payment hereunder shall be made thirty (30) days from the date hereof with subsequent payments due on the same day of each succeeding month.

2. Form of Payment. All payments shall be made in lawful money of the United States of America, by check or confirmed wire transfer or cashier's check, payable to Seller at Seller's principal place of business, or at such other place as the Payee may designate in writing, and shall be applied as follows: First, to the payment of any delinquency or "late" charges, if any; second, to accrued and unpaid interest; and third, to the reduction of principal. Time is of the essence for all payments due hereunder.

3. Prepayment. Maker may prepay this Note in whole or in part at any time without penalty. Any such prepayment shall be applied first to the payment of all accrued and unpaid interest. Partial payment of this Note will not release, discharge, or affect the remaining obligations of Maker or any guarantor, Pledgor, or other maker or obligor under this Note, the Purchase Agreement, or any other document executed in connection therewith.

4. Security. Maker's obligations pursuant to this Note shall be secured by the terms and conditions herein and the guaranty of Larry Stoneburner, Secretary of Maker.

5. Events of Default. Any one or more of the following events shall constitute a default under this Note, whereupon subject only to limitations arising under the rules, regulations and policies of the Federal Communications Commission or any other law, Holder may elect to exercise any or all rights, powers and remedies afforded hereunder and pursuant to the Security Documents, and all other documents related hereto and by law, including, without limitation, the right to accelerate the maturity of this Note and declare all amounts owing in respect to this Note to be due and payable in full:

(a) If Maker shall fail to make any payment within fifteen (15) days after the date due and payable hereunder;

(b) If Maker shall fail to perform any of its material obligations hereunder, or if the Maker shall fail to perform any of its material obligations under the Purchase Agreement or any of the Security Documents;

(c) If Maker shall become insolvent, make an assignment for the benefit of creditors, or any case or proceeding under any laws relating to bankruptcy, insolvency, readjustment of debt, dissolution or liquidation shall be commenced with respect to the Maker; provided, however, in any case or proceeding under any laws relating to bankruptcy, insolvency, readjustment of debt, dissolution, or liquidation commenced against Maker, Maker shall not be in default if said case or proceeding is discharged within thirty (30) days;

(e) If Maker shall assign or seek authorization to assign the Station's license, except through a pro forma application on FCC Form 316; or

(f) Maker's habitual failure to make payments when due as follows:

(i) For three (3) months consecutively; or

(ii) For six (6) months within any twelve (12)-month period; or

(iii) For eight (8) months, cumulatively, during the Term of this Note.

6. Default Interest. In the event of any default by Maker in the payment of any amount due and payable under this Note which is not cured within ten (10) calendar days after its due date, simple interest shall thereupon commence to accrue upon the unpaid balance of this Note at the rate of interest specified herein plus two percent (2%) per annum.

7. Late Charges. Maker hereby acknowledges that in the event Maker should fail to pay any amount of principal when due under this Note, Payee will incur administrative and other costs associated with such late payment. Accordingly, in the event Maker fails to pay any amount of principal and/or interest on this Note for ten (10) calendar days after such payment becomes due, whether by acceleration or otherwise, Payee may, at its option, whether immediately or at the time of final payment of the indebtedness evidenced by this Note, impose a delinquency or "late" charge equal to ten percent (10%) of payments due, in respect of each and every past-due payment; provided, however, that if any such delinquency or "late" charge is in excess of the amount permitted to be charged to Maker under applicable law, Payee shall be entitled to collect a delinquency or "late" charge at the highest rate permitted by such law.

Maker agrees that any such delinquency or “late” charge shall not be deemed to be additional interest or a penalty, but shall be deemed to be a fair estimate of the expenses which will be suffered by Payee by reason of such late payment since computing the actual amount of Payee’s expenses in advance is presently impracticable or extremely difficult.

8. No Waiver of Future Default. No failure on the part of Payee to exercise any right or remedy hereunder, whether before or after the happening of an Event of Default, shall constitute a waiver of any future Event of Default or of any other Event of Default. No failure to accelerate the indebtedness evidenced hereby by reason of an Event of Default hereunder, or acceptance of a past-due installment, or indulgence granted from time to time shall be construed to be a waiver of the right to insist upon prompt payment thereafter or to impose “late” charges retroactively or for any “late” payment occurring thereafter or shall be deemed to be a novation of this Note or as a reinstatement of the debt evidenced hereby or as a waiver of such right of acceleration or any other right, or be construed so as to preclude the exercise of any right which Payee may have, whether by applicable law, by agreement or otherwise; and Maker and each endorser hereby expressly waive the benefit of any statute or rule of law or equity which would produce a result contrary to or in conflict with the foregoing. This Note may not be changed orally, but only by an agreement in writing signed by the Party against whom such agreement is sought to be enforced.

9. Notice and Acceleration.

(a) Upon the occurrence of any Event of Default which is not cured within the time period established by this Note, or pursuant to the terms set forth in Paragraph 5 (f) (ii), (ii), and (iii) herein, the Payee may declare, by written notice of default given to Maker, this Note to be forthwith due and payable, and thereupon the principal amount of this Note, together with any accrued and unpaid interest, shall become immediately due and payable without presentment, demand, protest, or other notice of any kind.

(b) In the event Maker is unwilling or unable to perform pursuant to this acceleration clause, Maker agrees to cooperate with Payee in exercising its rights pursuant to the Security Documents.

or to such person or address as directed in writing one Party to the other.

11. Expense of Collection. If any sum to be paid under this Note is not promptly paid when due, or paid within the period specified herein, Maker shall be liable to the Payee for all reasonable expenses, including attorneys' fees, incurred in its collection.

12. Usury Laws. It is the intention of the Parties to conform strictly to the usury laws, whether state or federal, applicable to this Note. None of the terms and provisions contained in this Note or any other document or instrument securing the indebtedness evidence hereby or related hereto shall ever be construed to create a contract for the use, forbearance, or detention of money requiring payment of interest in excess of the maximum amount permissible under applicable federal or state usury laws. If under any circumstances whatsoever fulfillment of any provision hereof or any documents, at the time performance of such provision shall be due, shall involve exceeding the limit of validity prescribed by law, then the obligation to be fulfilled shall be reduced to the limit of such validity; and if under any circumstances Payee shall ever receive an amount deemed interest by applicable law which would exceed the highest lawful rate, such amount that would be excessive interest under applicable usury laws shall be applied to the reduction of the principal amount owing hereunder and not to the payment of interest; or if such excessive interest exceeds the unpaid balance of principal, the excess shall be deemed to have been a payment by mistake and shall be refunded to Maker or to any other person making such payment on Maker's behalf. All sums paid or agreed to be paid to Payee for the use, forbearance or detention of the indebtedness of Maker evidenced hereby, outstanding from time to time, shall to the extent permitted by law, and to the extent necessary to preclude exceeding the limit of validity prescribed by law, be amortized, pro-rated, allocated and spread from the date of this Note so that the actual rate of interest on account of such indebtedness is uniform throughout the term hereof. The terms and provisions of this Paragraph shall control and supersede every other provision of all agreements between Maker and Payee.

13. Subsequent Sale of Station.

(a) In the event of a sale of the Station by Maker, this Note shall be due and payable on the date of the license assignment or transfer is completed. The due-on-sale clause is also applicable in the event that Maker conveys to any other entity any of its interest in the Station sufficient to cause that entity or entities to become an owner or owners of at least fifty percent (50%) of the Station.

(b) In the event that the Station is sold by Maker on an "installment" or "contract" basis, this due-on-sale clause shall remain in effect. In the event Payee agrees to any

assignment of this Note, Maker shall continue to be obligated to Payee pursuant to the terms and conditions contained herein until such time as the principal indebtedness and any accrued and unpaid interest has been paid.

14. Assignability.

(a) This Note shall not be assigned by Maker without prior, written approval from Payee.

(b) Payee shall have the unconditional right to assign or pledge this Note and shall notify Maker of any such action in writing within thirty (30) days of such assignment or pledge.

15. Choice of Law. Maker and all persons who may become liable under this Note agree that this instrument and its performance shall be governed by and construed in accordance with the laws of the State of California and that in the event of any legal or equitable action arising under this Note, jurisdiction and venue of such action shall lie exclusively within the state courts of California.

IN WITNESS WHEREOF, the Maker has executed this Secured Promissory Note at Porterville, California, on the day and year first above written.
