Seller agrees upon the execution of this Agreement to simultaneously execute the attached Time Brokerage Agreement set forth in Schedule 2.

3. Purchase Price.

The purchase price shall consist of the total of Forty Thousand Dollars (\$40,000) payable as follows:

(a) The amount of Thirty Nine Thousand Dollars (\$39,000) which is to be paid at Closing.

(b) The amount of One Thousand Dollars (\$1,000), which amount was paid as an earnest money payment to Seller simultaneously with the execution of this Agreement

4. Closing.

The closing of the transactions contemplated hereby (the "Closing") shall take place on a date (the "Closing Date") specified by Buyer within ten (10) business days after the FCC has granted its consent to the assignment of the FCC Licenses from Seller to Buyer and such consent has become "final," i.e., no longer subject to rescission, review, appeal, or reconsideration by the FCC or any state, local, or federal court.

5. FCC Application.

Not later than the third business day after the execution of this Agreement, Buyer and Seller shall file with the FCC an application requesting consent to the assignment of the FCC Licenses from Seller to Buyer, with Buyer and paying the cost of the FCC filing fee, and each party bearing its own legal, accounting and other costs. Seller and Buyer shall use their best, diligent efforts to prosecute such application to a successful conclusion.

6. Covenants, Representations and Warranties of Seller.

Seller covenants, represents and warrants to Buyer, as follows:

(a) Authorization and Binding Obligation. Willie Zachery and Dorothy Zachery are husband and wife and together own and operate Station and Assets d/b/a Zachery Broadcasting Company. Seller has full power and authority to own and operate the Station, its properties, to carry on its business as now conducted, to execute and deliver this Agreement and to perform its obligations under, and to consummate the transactions contemplated by, this Agreement. This Agreement has

been duly executed and delivered by Seller and constitutes the valid and binding obligation of Seller, enforceable against each individually and together collectively in accordance with its terms.

(b) Absence of Conflicting Agreements or Required Consents. Neither the execution, delivery and performance of this Agreement by Seller, nor the consummation by Seller of the transactions contemplated hereby: (a) does or will require the consent of any third party; (b) does or will violate any applicable law, judgment, order, injunction, decree, rule, regulation or ruling of any state, local, or federal court or governmental entity to which Seller is a party or by which Seller is bound; and (c) does or will, either alone or with the giving of notice or the passage of time, or both, conflict with, constitute grounds for termination of or result in a breach of the terms, conditions or provisions of, or constitute a default under, any contract, agreement or other instrument to which Seller is a party or by which it is bound.

(c) Litigation. There is no decree, judgment, order, investigation, claim, litigation or proceeding pending or, to Seller's knowledge, threatened before or by any commission, agency or other administrative or regulatory body, court, or other judicial authority to which Seller is a party or otherwise related to the Station, its assets, or which seeks to enjoin or prohibit, or which otherwise questions the validity of, any action taken or to be taken in connection with this Agreement.

(d) Condition of Assets. All of the tangible personal assets including, without limitation, the Station's transmitting equipment to be sold Buyer are in operating condition, ordinary wear and tear excepted.

(e) FCC Licenses. Seller has not filed, and from the date hereof to the Closing Date, Seller shall not file any petitions to modify, amend, or in any other way impair any of the FCC Licenses, other than to renew such FCC Licenses in the ordinary course (if required). Further, Seller has filed all necessary reports and other filings with the FCC. The FCC Licenses are in good standing before the FCC, and the FCC Licenses are validly issued, unimpaired and in full effect. Provided, however, Seller acknowledges it received a fine and forfeiture from the FCC for violations of rules and regulations, which shall be Seller's sole responsibility to pay or otherwise resolve.

(f) Leased Real Property. Seller has a good, marketable, insurable, and freely-assignable leasehold interest in the Leased Real Property, which includes all real property necessary for or used or useable in the operation of the Station. Seller will relinquish the

lease and enable Buyer to lease the property from the property owner. Accordingly, Seller is not assigning nor is Buyer assuming Seller's lease for the Leased Real Property. None of the Leased Real Property lies in an area which is or will be subject to zoning, use or building code restrictions which would prohibit the continued effective use of such property in the radio broadcasting business. The Seller enjoys peaceful and materially undisturbed possession of the real property included in the Leased Real Property.

(g) Compliance with Law. The Seller is not in material violation of any statute, regulation or order of any state, local or federal governmental court, commission, agency or other authority relating to the tangible personal assets or the business or operations of the Station and there is no outstanding complaint, citation, or noncompliance by the Seller in connection with the business or operations of the Station, with any such statute, regulation or order. The present operation of the Station complies in all material respects with all applicable federal, state, and local environmental laws of any type including, without limitation, those relating to electrical transformers and human exposure to radio frequency radiation.

(h) Notification. Seller shall promptly notify Buyer of (i) any material adverse change in any information contained in the representations and warranties of Seller made in this Agreement or (ii) any litigation, court, arbitration or administrative proceeding pending or, to Seller's knowledge, threatened against Seller which challenges the transactions contemplated hereby, including any challenges to the FCC application, and shall use its reasonable best efforts to take such steps as may be necessary to remove any such impediment to the transactions contemplated by this Agreement.

(i) No Inconsistent Action. Seller shall not take any action (i) inconsistent with its obligations or representations and warranties under this Agreement or (ii) that would hinder or delay the FCC's approval of the FCC application and consummation of the transactions contemplated by this Agreement.

7. Covenants, Representations and Warranties of Buyer.

Buyer covenants, represents and warrants to Seller as follows:

(a) Organization and Standing. Buyer is a corporation duly organized under the laws of the State of Alabama.

(b) Authorization and Binding Obligation. Buyer has the full power and authority to own and operate its properties, to carry on its business as now

conducted, to execute and deliver this Agreement and to perform its obligations under and to consummate the transactions contemplated by this Agreement. The execution, delivery and performance by Buyer of this Agreement have been duly and validly authorized by all necessary corporation action of Buyer. This Agreement has been duly executed and delivered by Buyer and constitutes the valid and binding obligation of Buyer, enforceable against it in accordance with its terms, except as limited by law.

(c) Notification. Buyer shall promptly notify Seller of (i) any material adverse change in any information contained in the representations and warranties of Buyer made in this Agreement or (ii) any litigation, arbitration or administrative proceeding pending or, to Buyer's knowledge, threatened against Buyer which challenges the transactions contemplated hereby, including any challenges to the FCC application, and shall use its reasonable best efforts to take such steps as may be necessary to remove any such impediment to the transactions contemplated by this Agreement.

8. Risk of Loss.

The risk of loss or damage to the Station's assets to be sold to Buyer under this Agreement shall be upon Seller at all times prior to Closing. In the event of material loss or damage, Seller shall promptly notify Buyer thereof and use its best efforts to repair, replace or restore the lost or damaged property to its former condition as soon as possible; provided, however, that any replacement property need only be of the same kind, quality, and utility as the last or damaged property, and Seller shall have no obligation to replace used property with new property.

9. Conditions to Closing of Seller.

The obligation of Seller to consummate this transaction is subject to the following conditions:

(a) Delivery to Seller by Buyer of the Purchase Price as provided in ¶ 3 herein;

(b) The representations and warranties of Buyer shall be true and correct in all material respects as of Closing with the same force and effect as if made on and as of the Closing;

(c) Buyer shall have performed in all material respects all its covenants and undertakings set forth herein;

10. Conditions to Closing of Buyer.

The obligation of Buyer to consummate this transaction is subject to the following conditions:

(a) The representations and warranties of Seller shall be true and correct in all material respects as of Closing with the same force and effect as if made on and as of the Closing.

(c) FCC consent to assignment of the FCC Licenses to Buyer shall have been granted, without any condition materially adverse to Buyer; such consent shall have become effective under FCC rules and regulations; and such consent shall have become "final," as defined in ¶ 4 above.

(d) As of the Closing, no claim, action, suit or proceeding concerning Station or its assets or seeking to enjoin, restrain, or prohibit the consummation of this transaction shall be pending or threatened before any state, local or federal court, the FCC, or any other governmental agency or authority.

(e) At Closing or prior to Closing, Buyer shall have obtained, at Buyer's election and expense, lien searches and the report of a title company establishing to Buyer's reasonable satisfaction that the Company's representatives as to the status and condition of the Station's FCC Licenses, Seller's title to the Station's tangible personal assets to be sold to Buyer and of the landowner's title to the Leased Real Property and the compliance of the Leased Real Property to zoning and building codes and regulations is as set forth in this Agreement.

(h) Any instruments, documents and certificates as reasonably may be requested by Buyer to consummate the transaction contemplated by this Agreement shall have been executed and delivered to Buyer.

(i) The assets are free and clear of all debts, liens, and encumbrances of any type.

11. Survival of Representations and Warranties.

The representations and warranties in this Agreement shall survive the Closing.

12. Specific Performance.

Seller's obligations under this Agreement are unique. If Seller should default in its obligations under this Agreement, Seller acknowledges that it would be extremely impracticable to measure the resulting damages to Buyer; accordingly, Buyer, in addition to any other available rights and remedies, set forth herein or available at law or in equity, may sue in equity for specific performance or injunctive relief, and Seller expressly waives the defense that a remedy in damages will be adequate.

13. Termination.

This Agreement may be terminated by Buyer if Seller is in material default or refuses to close, and by Seller if Buyer is in material default or refuses to close; provided that (i) such default has not been cured within thirty (30) days of the receipt of written notice of such default and (ii) the terminating party is not in default. Further, if Closing has not occurred within twelve (12) months of the Effective Date, either party, provided that such party is not in default, may terminate this Agreement upon twenty (20) days' written notice to the other party. In the event of termination due to default of Seller or in the event Closing does not for any other reason occur, Seller will return to Buyer the earnest money payment paid to Seller under ¶ 3(b) above. In the event of termination due to a default of Buyer, Seller shall be entitled to be paid and claim as its sole and exclusive remedy the earnest money payment referenced in ¶ 3(b) above as liquidated damages.

14. Successors and Assigns.

This Agreement shall be binding upon, and inure to the benefit of, the respective successors and assigns of the parties. Seller also agrees that Buyer may assign this Agreement to other individuals or entities provided such assignee fully adopts and agrees to perform the terms of this Agreement.

WITNESSETH THAT:

WHEREAS, Owner is the holder of licenses issued by the Federal Communications Commission ("FCC" or "Commission") for Station WDWZ(AM), West Point, Georgia (the "Station");

WHEREAS, Broker and Owner have simultaneously entered into an Asset Purchase Agreement ("APA") whereby Broker will acquire the licenses for the Station, along with all assets associated with the Station;

WHEREAS, Owner desires that Broker produce radio programs for broadcast on the Station in conformity with this Agreement and all rules, regulations, and policies of the FCC; and

WHEREAS, Owner desires to accept the programs produced by Broker and to make broadcasting time on the Station available to Broker on terms and conditions which conform to FCC rules, regulations, and policies and to this Agreement.

NOW, THEREFORE, in consideration of the above recitals and mutual promises and covenants contained herein, the parties, intending to be legally bound, agree as follows:

Section 1. Sale of Air Time.

1.1. Scope. During the term of this Agreement, Owner shall make available to Broker substantially all the Station's air time, as set forth in this Agreement, for broadcast of the programs produced by Broker. Broker shall provide entertainment programming of its selection, together with commercial matter, news, public service announcements, and other suitable program material for broadcast on the Station (the "Programming"). Owner may set aside up to two hours per broadcast week between the hours between 7 a.m. and 9 a.m. on Sundays for the broadcast of programming produced and/or selected by Owner.

1.2. Term. The term of this Agreement shall commence on September ____, 2002 (the "Commencement Date"), and shall continue until terminated under Section 5 of this Agreement.

1.3. Consideration. In exchange for the consideration set forth in Schedule 1.3 and to the extent provided in this Agreement, Broker shall be entitled to program the Station, and retain all revenue of any type from the sale of advertising or program time on the Station.

Section 2. Operation.

2.1. Owner's Responsibilities.

(a) Owner shall be responsible for the Station's compliance with all applicable provisions of the Communications Act of 1934, as amended, the rules, regulations, and policies of the FCC and all other applicable laws pertaining to the ownership and operation of the Station.

(b) Owner shall be responsible for its overseeing the operation and programming of the Station and Owner's activities in connection with the Station and Owner's responsibilities as licensee.

2.2. Broker's Responsibilities.

(a) Broker shall employ and be responsible for all personnel involved in the production of its Programming hereunder, the sale of time in and promotion of the Programming, as well as for payment of utilities, maintenance, equipment expenses, and all other costs of any type for the production and transmission of Programming over Station.

(b) Broker shall pay when due, all music licensing fees (ASCAP, BMI and SESAC) in connection with the Programming during the term of this Agreement. Such payments will be made directly to the companies involved or by check to the Owner for Owner to immediately pay to such music licensing companies.

Nothing in this Agreement shall be construed as abrogating the Owner's obligation and responsibility under the Act and the rules, regulations, and policies of the FCC to maintain ultimate control over the Station's facilities and operations, and to comply with the rules, regulations, and policies of the FCC.

3.2. Regulatory Changes. In the event of any order or decree of an administrative agency or court of competent jurisdiction, including without limitation any material change or clarification in FCC rules, policies, or precedent, that would cause this Agreement to be invalid or violate any applicable law, and such order or decree has become effective and has not been stayed, the parties will use their respective best efforts and negotiate in good faith to modify this Agreement to the minimum extent necessary so as to comply with such order or decree without material economic detriment to either party, and this Agreement, as so modified, shall then continue in full force and effect.

Section 4. Broadcast Standards and Licensee Control.

In accordance with FCC rules, regulations and

policies, Owner and Broker will cooperate in an effort to avoid conflicts regarding the Programming.

Section 5. Termination.

(d) The mutual consent of both parties;

(e) There is a change in FCC rules, policies or precedent that would cause this Agreement to be in violation thereof and such change is in effect and has not been stayed, and the parties are unable, after negotiating in good faith for at least thirty (30) days, to modify this Agreement to comply with the change in FCC rules, policies or precedent;
