

Attachment to Exhibit 2

Agape Broadcasting Foundation, Inc. (“Agape”) is the licensee of non-commercial educational FM broadcast station KNON(FM), Dallas, Texas. Agape is filing this application to obtain Commission consent to new members of its Board of Directors.

The selection of Agape’s new Board of Directors took place pursuant to its Articles of Incorporation and its By-Laws. The resulting transfer of control took place gradually, over time, through routine changes in board membership.

The instant application is intended to bring the station into compliance with the requirement to obtain Commission approval of the Board after 50% of the members of the Board of Directors have changed. The Board members that have comprised the Board of Directors since 2012, when the Commission last granted an application for transfer of control, are set forth in the chart on the following page.

No consideration or thing of value is being given in exchange for the interests being transferred. All Board Members are US citizens. Each Board Member (except for Ex Officio board members) has one vote. None has any interest in any medium of mass communications other than KNON(FM).
