Minnesota Valley Broadcasting Company owns 3 FM and 1 AM station either licensed to this market or appearing “above the line.” This is a longstanding combination approved by the Commission:

KDOG(FM) North Mankato, MN
KNSG(FM) Springfield, MN
KXAC(FM) St. James, MN
KTOE(AM) Mankato, MN

Section 73.3555 of the Commission’s rules provides that in a radio market with between 15 and 29 radio stations, a party may own or control up to six stations, not more than four of which are in the same service.

As there are at least 15 stations serving Contour Study area, the continued ownership of proposed minor modification for facilities for station KDOG(FM) would create no undue concentration of ownership and is permissible under Section 73.3555 of the rules.
