In the event of a dispute between Nassau and Access.1 regarding adjustments or prorations which cannot be resolved by Nassau and Access.1's good faith negotiations, then Nassau and Access.1 shall together choose an independent certified public accounting firm (the "Independent Auditor") to resolve the dispute. The Independent Auditor's resolution of the dispute shall be final and binding. All fees and expenses of the Independent Auditor shall be borne equally by Access.1 and Nassau.

All amounts received by Access.1 from account debtors from whom any Account Receivable is owed ("Pre-Commencement Debtor") shall be applied first to the Accounts Receivable, unless the Pre-Commencement Debtor specifically disputes a receivable or instructs in writing that the payment be otherwise applied. Access.1 will take no action to encourage, and will notify Nassau immediately if a Pre-Commencement Debtor disputes its obligation to pay any billing which relates to an Account Receivable or encourage a Pre-Commencement Debtor to specify that any payment from such Pre-Commencement Debtor is to be applied to billings of such Pre-Commencement Debtor other than in their chronological order. Access.1 shall immediately return such accounts to Nassau for collection. At the conclusion of the Collection Period, any remaining Accounts Receivable shall be reassigned to Nassau and thereafter Access.1 shall have no further obligation with respect to the Accounts Receivable.

(i) Each party agrees to comply with any condition imposed on it by the FCC Consent, except that no party shall be required to comply with a condition if (i) the condition was imposed on it as the result of a circumstance the existence of which does not constitute a breach by that party of any of its representations, warranties or covenants hereunder or (ii) compliance with the condition would be likely to have a material adverse effect upon it. License Company and Nassau shall oppose any petitions to deny or other objections filed with respect to the application for any FCC Consent and any requests for reconsideration or review of any FCC Consent, provided, however, that all costs and expenses incurred by Access.1 or Nassau to oppose any petitions to deny or other objections shall be paid by Access.1 if such petition relates primarily to Access.1 and shall be paid by Nassau if such petition relates primarily to Nassau.

(ii) If the Closing shall not have occurred for any reason within the original effective period of any FCC Consent, and neither party shall have terminated this Agreement under Section 9 hereof, the parties shall jointly request an extension of the effective period of such FCC Consent. No extension of the effective period of any FCC Consent shall limit the exercise by either party of its right to terminate the Agreement under Section 9 hereof.

(b) As soon as practicable but in any event within thirty (30) days after the date of this Agreement, Buyer and Seller shall make any required filings with the Federal Trade Commission and the United States Department of Justice pursuant to the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "HSR Act") with respect to the transactions contemplated hereby (including a request for early termination of the waiting period thereunder), and shall thereafter promptly respond to all requests received from such agencies for additional information or documentation. Seller shall execute and file promptly all necessary applications for renewal of the FCC Licenses and timely file with the FCC all required reports and pay all required annual regulatory fees for the operation of the Stations. (iii) except for Contracts that Seller is willing to designate (and Buyer is willing to agree to designate) as Excluded Contracts or otherwise in the ordinary course of business, enter into, renew, amend or modify any contract, lease, license or other agreement unless any such document (A) requires the payment by or on behalf of the Stations of consideration consisting of no more than Twenty Thousand Dollars (\$20,000) in the aggregate annually, (B) is in the ordinary course of business and will be subject to termination on ninety (90) days notice or (C) will be fully performed and satisfied on or prior to the first anniversary of its execution;

severance payments so long as such bonuses or severance payments do not create binding obligations upon Buyer after the Closing Date.

5.2 Control of the Stations. Prior to the Closing Date, Buyer shall not, directly or indirectly, control, supervise or direct or attempt to control, supervise or direct, the operations of the Station; those operations, including complete control and supervision of all of the Stations' employees and policies, shall be the sole responsibility of Seller.

5.3 Encumbrances. Seller shall not create, assume or permit to exist any Liens upon any of the Assets except for Permitted Liens and Liens that will be discharged prior to or on the Closing Date.

5.4 Access to Information. Seller shall give Buyer and its employees and other authorized representatives, during normal business hours, with reasonable prior notice and in the presence of a representative of Seller, access to the Assets and to all other books, records and documents of Seller relating to the Stations for the purpose of audit and inspection, and will furnish or cause to be furnished to Buyer or its authorized representatives, upon reasonable notice, all information with respect to the Stations' Business that Buyer may reasonably request. Buyer shall use its commercially reasonable efforts to assure that it and its agents shall conduct their audit and inspection in such a manner as shall minimize, to the extent reasonably possible, material negative impact on the business of the Seller. Subject to Section 5.10, Buyer shall have no contact with employees, vendors or customers of the Seller without the consent of the Seller and, upon request, the participation of a representative of the Seller.

5.5 Insurance. Seller shall maintain the existing or comparable insurance policies on the Assets or other policies providing substantially similar coverages until the Closing Date.

5.7 Events Occurring After the Agreements. Seller shall promptly disclose in writing to Buyer, and Buyer shall promptly disclose in writing to Seller, any information contained in its respective representations and warranties or any of the Schedules hereto which, because of an event occurring after the date of this Agreement, is incomplete or is no longer correct as of all times after the date of this Agreement and until the Closing Date.

5.8 Notice of Certain Matters. Seller shall give prompt written notice to Buyer and Buyer shall give prompt written notice to Seller, of any known failure of Seller or Buyer, as the case may be, to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it hereunder.

5.9 Notice of Proceedings. Seller and Buyer shall promptly notify the other in writing upon becoming aware of any order or decree or any complaint praying for an order or decree restraining or enjoining the consummation of this Agreement or the transactions contemplated hereunder, or upon receiving any notice from any Governmental Authority of its intention to

institute an investigation into, or institute a suit or proceeding to restrain or enjoin the consummation of this Agreement or the transactions contemplated hereby. Seller and Buyer will each use commercially reasonable efforts to contest, defend and resolve any such suit, proceeding or injunction brought against it so as to permit the prompt consummation of the transactions contemplated hereby. Seller shall notify Buyer promptly of any action filed or threatened against the Stations or relating to the Stations' Business or the Assets.

5.10 Seller's Employees. Prior to the Closing Date, at a time and place to be agreed upon by the Buyer and Seller, Seller shall make all of its employees listed on *Schedule 3.11* available for interview by Buyer. Buyer shall then notify Seller at least five (5) days prior to closing of the name of any employee it does not intend to offer employment to and Seller shall thereafter be solely responsible for the termination of such employee, including any severance or other benefits due such employee.

Both parties further agree that they will cooperate and use their best efforts to cause all employees of Seller who are offered employment by Buyer to accept such employment and report to work for Buyer after the closing. Seller agrees that it will take no action with the intention of dissuading any of its employees from accepting employment with Buyer.

5.11 Environmental Assessment. Within sixty (60) days of the date of this Agreement, Buyer shall cause a qualified environmental consulting firm reasonably acceptable to Seller to perform a Phase I Environmental Assessment (the "Environmental Assessment") of any Real Property and shall thereafter deliver to Seller a report prepared by such environmental consulting firm (the "Environmental Report"). The cost of the Assessment shall be paid by Buyer. If the Environmental Assessment reveals the presence of any Hazardous Substance at a level which exceeds that permitted by Applicable Environmental Laws or a reasonable likelihood of environmental clean-up costs or damages with respect to the Real Property, Seller shall, prior to Closing and at Seller's sole cost and expense, repair, clean-up, remedy, or take such action as may be recommended in the Environmental Report.

SECTION 6 - SPECIAL COVENANTS AND AGREEMENTS

Nothing shall be deemed to be confidential information that: (i) is already in such party's possession, provided that such information is not known by such party to be subject to another confidentiality agreement with or other obligation of secrecy to the other party hereto or another party, or (ii) becomes generally available to the public other than as

a result of a disclosure by such party or such party's officers, directors, employees, lenders, advisors, attorneys or accountants, or (iii) becomes available to such party on a nonconfidential basis from a source other than another party hereto or its advisors, provided that such source is not known by such party to be bound by a confidentiality agreement with or other obligation of secrecy to the other party hereto or another party, or (iv) is developed independently by a party without resort to the confidential information of the another party. In the event this Agreement is terminated and the purchase and sale contemplated hereby abandoned, all parties will return to the other party all information, including all documents, work papers and other written confidential material, obtained by such party from the any other party in connection with the transactions contemplated by this Agreement.

(b) No party shall publish any press release or make any other public announcement concerning this Agreement or the transactions contemplated hereby without the prior written consent of the other party, which shall not be withheld unreasonably; *provided, however*, that nothing contained in this Agreement shall prevent any party, after notification to the other party, from making any filings with governmental authorities that, in its judgment, may be required or advisable in connection with the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby.

(c) Seller agrees that, unless and until this Agreement is terminated pursuant to Section 9 hereof, it will not, directly or indirectly, solicit, initiate, encourage or participate in any negotiations or discussions regarding any sale, contingent sale or time brokerage agreement of any or all of the Assets to any party other than Buyer.

6.2 Cooperation. Buyer and Seller shall reasonably cooperate fully with each other and their respective counsel and accountants in connection with any actions required to be taken as part of their respective obligations under this Agreement, and Buyer and Seller shall execute such other documents as may be reasonably necessary or desirable to obtain such Consents or to implement and consummate this Agreement, and otherwise use their commercially reasonable efforts to consummate the transactions contemplated hereby and to fulfill their obligations under this Agreement. Seller and Buyer shall each diligently make, and cooperate with the other in making, all commercially reasonable efforts to obtain or cause to be obtained prior to the Closing Date all Consents without any change in the terms or conditions of any Assumed Contract or License that could reasonably be expected to be materially less advantageous to Buyer than those pertaining under the Assumed Contract or License as in effect on the date of this Agreement. Buyer agrees to use all commercially reasonable efforts to assist Seller in obtaining such Consents, and to take all commercially reasonable actions necessary or desirable to obtain such Consents, including executing such assumption instruments and other documents as may be required in connection with obtaining the Consents

6.3 Access to Books and Records. Seller shall provide Buyer access and the right to copy for a period of three (3) years from the Closing Date any books and records relating to the Assets but not required to be delivered to Buyer pursuant to this Agreement. Buyer shall provide Seller access and the right to copy for a period of three (3) years after the Closing Date any books and records relating to the Assets that are delivered to Buyer at Closing. Seller will also cooperate with Buyer and provide Buyer with any information relating to the Stations'

Business requested by Buyer's auditors if Buyer decides, subsequent to Closing to obtain an audit of the Stations' finances for the period beginning no earlier than three years prior to Closing.

6.4 Further Assurances. From and after the Closing, all parties shall from time to time, at the request of any other party and without further cost or expense to such requesting party, execute and deliver such other instruments of conveyance and transfer and take such other actions as such other party may reasonably request in order more effectively to carry out this Agreement and the other agreements specified in this Agreement and to vest in the Buyer good and marketable title to the Assets.

6.5 Risk of Loss. The risk of loss or damage to the tangible Assets shall be upon Seller at all times prior to Closing. In the event of loss or damage, Seller shall promptly notify Buyer thereof and use its best efforts to repair, replace or restore the lost or damaged property to its former condition as soon as possible. If the cost of repairing, replacing or restoring any lost or damaged property is Fifty Thousand Dollars (\$50,000.00) or less, and Seller has not repaired, replaced or restored such property prior to the Closing Date, Closing shall occur as scheduled and Seller shall pay to Buyer the amount necessary to complete restoration of the lost or damaged property to its former condition. If the cost to repair, replace, or restore the lost or damaged property exceeds Fifty Thousands Dollars (\$50,000.00), and Seller has not repaired, replaced or restored such property prior to the Closing Date, Buyer may, at its option.

(a) elect to consummate the Closing in which event Seller shall assign to Buyer all of Seller's rights under any applicable insurance policies with respect to such loss or damage and Seller shall pay to Buyer the amount of any deductible under such insurance policies and any amounts not covered by insurance.

(b) elect to postpone the Closing, with prior consent of the FCC if necessary, for such reasonable period of time (not to exceed sixty (60) days) as is necessary for Seller to repair, replace or restore the lost or damaged property to its former condition. If, after the expiration of that extension period the lost or damaged property has not been fully repaired, replaced or restored, Buyer may, at it option, (i) elect to close and receive an assignment of Seller's rights under any applicable insurance policies with respect to such loss or damage and payment of the deductible under any such policies and any amounts not covered by insurance, or (ii) terminate this Agreement.

If the parties are unable to agree upon the extent of any loss or damage, the cost to repair, replace or restore any lost or damaged property, the adequacy of any repair, replacement, or restoration of any lost or damaged property, or any other matter arising under this Section, the disagreement shall be referred to a qualified consulting communications engineer mutually acceptable to Seller and Buyer who is a member of the Association of Federal Communications Consulting Engineers, whose decision shall be final and binding, and whose fees and expenses shall be paid by Seller.

Maintenance of Limited Liability Company Status and Business as a Going Concern. Seller hereby agrees that, as a material inducement for Buyer to enter into this Agreement without provision for a post-closing escrow or guaranty, for a period of eighteen (18) months from the

Closing Date, it will continue as a going concern and will not sell, transfer, or assign all of substantially all of assets to another entity, nor will all or substantially all of its membership interests be sold or transferred to another entity as part of a restructuring or affiliated-party transaction. Seller agrees that, in the event that it enters into an agreement for the sale of all or substantially all of its assets or membership interests or similar agreement, it will deposit with Escrow Agent \$1,000,000 in cash to be held by Escrow Agent until the date that is eighteen (18) months following the Closing Date pursuant to an Indemnification Escrow Agreement in form and substance reasonably satisfactory to Buyer and Seller. SECTION 9 - TERMINATION

9.1 Termination of Agreement. This Agreement may be terminated only as follows:

(a) at any time by mutual written consent of Seller and Buyer;

(b) by Seller, if Seller is not in default or breach in any material respect of its obligations under this Agreement and Buyer is in material breach of its obligations

hereunder, including its obligation to enter into the Closing in accordance with Section 8.1 hereof; *provided, however*, that Seller shall have given Buyer notice of such breach and Buyer shall have failed to cure said breach prior to thirty (30) days after the date of receipt of such notice;

(c) by Buyer, if Buyer is not in default or breach in any material respect of its obligations under this Agreement and Seller is in material breach of its obligations hereunder, including its obligation to enter into the Closing in accordance with Section 8.1 hereof; *provided, however*, that Buyer shall have given Seller notice of such breach and Seller shall have failed to cure said breach prior to thirty (30) days after the date of receipt of such notice;

(d) by either Buyer or Seller, if the terminating party is not in default or breach in any material respect of its obligations under this Agreement, if the Closing hereunder has not taken place on or the date that is one (1) year after the date of the filing of the Assignment Application; *provided, however*, that if on such date, the Closing has not occurred solely because any required notice period for Closing under this Agreement has not lapsed, such date shall be extended until the lapse of such period; or

(e) as provided in Section 2.3(b).

9.2 Procedure and Effect of Termination.

(a) In the event of termination of this Agreement by either Buyer or Seller pursuant to Section 9.1 (except 9.1(e)), prompt written notice thereof shall forthwith be given to the other party and this Agreement shall terminate and the transactions contemplated hereby shall be abandoned without further action by any of the parties hereto, but subject to and without limiting any of the rights of the parties specified herein in the event a party is in default or breach in any material respect of its obligations under this Agreement.

(b) (i) If this Agreement is terminated pursuant to Section 9.1(b), the Escrow Amount shall be paid to Seller in full satisfaction of any claims Seller may have against Buyer in connection with such termination, and Seller shall have no right to pursue any legal or equitable remedy against Buyer in connection with such termination;

(ii) If this Agreement is terminated pursuant to Section 9.1(c), the Escrow Amount shall at Buyer's option, be returned to Buyer without limitation of any other remedies available to Buyer, provided that if Buyer seeks specific performance the Escrow Amount shall continue to be held in escrow pending resolution of Buyer's specific performance action;

(iii) If this Agreement is terminated pursuant to Section 9.1(a), the Escrow Amount shall be returned to Buyer and neither Buyer nor Seller shall have any recourse against the other, including any right to pursue any legal or equitable remedy for breach of contract or otherwise;

(iv) If this Agreement is terminated pursuant to Section 9.1(d), the Escrow Amount shall be returned to Buyer and neither Buyer nor Seller shall have any recourse

against the other in connection with such termination, including the right to pursue any legal or equitable remedy for breach of contract or otherwise; and

(v) Without limiting the generality of the foregoing, or any Applicable Law, neither Buyer, on the one hand, nor Seller, on the other hand, may rely on the failure of any condition precedent set forth in Sections 6 or 7 to be satisfied as a ground for termination of this Agreement by such party if such failure was caused by such party's failure to act in good faith, or a material breach of or failure to perform its representations, warranties, covenants or other obligations in accordance with the terms hereof.

9.3 Attorneys' Fees. In the event of a default by either party that results in a lawsuit or other proceeding for any remedy available under this Agreement, each party shall be responsible for the payment of its own legal fees and expenses related to such lawsuit or proceeding, provided that nothing shall prevent a party seeking indemnification pursuant to Section 10 hereof from making a claim for such legal fees and expenses.

9.4 Remedies for Breach. The parties recognize that if, prior to Closing, Seller breaches this Agreement and refuses to perform under the provisions hereof, monetary damages alone would not be adequate to compensate Buyer for its injury. Buyer shall therefore be entitled to obtain specific performance of the terms of this Agreement. If any action for specific performance is brought by Buyer to enforce this Agreement, Seller shall waive the defense that there is adequate remedy at law. The parties agree that in the event Buyer breaches this Agreement and refuses to perform under the provisions hereof, Seller shall not be entitled to specific performance or any other equitable remedies and its damages shall in all cases be limited to the Escrow Amount.

SECTION 10 - SURVIVAL OF REPRESENTATIONS AND WARRANTIES; INDEMNIFICATION; CERTAIN REMEDIES

10.1 Survival. Except with regard to the representations and warranties made in Section 3.5 (title), which shall survive until the expiration of the applicable statutes of limitations; and the representations and warranties made in Section 3.9 (taxes) and Section 3.15 (environmental), which shall survive until the expiration of the applicable statutes of limitations, the representations and warranties of Buyer and Seller contained herein shall survive the Closing for the lesser of a period of eighteen (18) months after the Closing Date or the applicable statute of limitations, and shall terminate on such date except to the extent that any claims for indemnification in respect of a breach of any such representation or warranty is made on or before such date, in which case such representation or warranty shall survive until the resolution of such claim. Buyer's obligation to pay, perform or discharge the Assumed Liabilities shall survive until such Assumed Liabilities have been paid, performed or discharged in full. Seller's obligation to pay, perform or discharge the Retained Liabilities shall survive until such Retained Liabilities have been paid, performed or discharged in full. Any claim for indemnification in respect of a representation or warranty of Buyer or Seller hereunder to be performed before the Closing shall be made on or before the date the applicable representation or warranty expires. The covenants and agreements of Seller

contained herein and to be performed to any extent after the Closing Date shall survive the Closing until fully discharged and performed.

10.2 Indemnification by Seller.

(a) After the Closing, Seller hereby agrees to indemnify, defend and hold Buyer harmless against and with respect to, and shall reimburse Buyer for:

(i) Any and all losses, liabilities or damages resulting from any breach of any representation or warranty made pursuant to this Agreement or in any certificate, document or instrument prepared by Seller and delivered to Buyer hereunder;

(ii) Any and all losses, liabilities or damages resulting from any failure by Seller to perform any covenant or obligation of Seller set forth herein;

(ii) Any and all losses, liabilities or damages resulting from or related to the Retained Liabilities; and

(iii) Any and all out-of-pocket costs and expenses, including reasonable legal fees and expenses, incident to any action, suit, proceeding, claim, demand, assessment or judgment incident to the foregoing or incurred in investigating or attempting to avoid the same or to oppose the imposition thereof, or in enforcing this indemnity.

(b) Seller's obligation to indemnify Buyer pursuant to Section 10.2(a)(i) shall be subject to all of the following limitations:

(iii) Following the Closing, the sole and exclusive remedy for Buyer for any claim (whether such claim is framed in tort, contract or otherwise) arising out of a breach of any representation, warranty, covenant or other agreement herein or otherwise arising out of or in connection with the transactions contemplated by this Agreement or the operations of the Stations shall be a claim for indemnification pursuant to this Section 10.

10.4 Procedure for Indemnification. The procedure for indemnification shall be as follows:

(a) The party claiming indemnification (the "Claimant") shall promptly give notice to the party from which indemnification is claimed (the "Indemnifying Party") of any claim, specifying in reasonable detail the factual basis for the claim, the amount thereof, estimated in good faith, all with reasonable particularity and containing a reference to the provisions of this Agreement in respect of which such indemnification claim shall have occurred. If the claim relates to an action, suit or proceeding filed by another Person against Claimant, such notice shall be given by Claimant within ten (10) Business Days after written notice of such action, suit or proceeding was given to Claimant.

(b) With respect to claims solely between the parties, following receipt of notice from the Claimant of a claim, the Indemnifying Party shall have thirty (30) days to make such investigation of the claim as the Indemnifying Party deems necessary or

desirable, and the Claimant agrees to make available to the Indemnifying Party and its authorized representatives the information relied upon by the Claimant to substantiate the claim. If the Claimant and the Indemnifying Party agree at or prior to the expiration of the thirty (30)-day period to the validity and amount of such claim, the Indemnifying Party shall immediately pay to the Claimant the full amount of the claim, subject to the terms hereof. If the Claimant and the Indemnifying Party do not agree within the thirty (30)-day period, the Claimant may seek appropriate remedy at law or equity, as applicable, subject to the limitations contained in this Agreement.

(c) With respect to any claim by any other Person against the Claimant (a "Third Party Claim"), the Indemnifying Party shall have the right at its own expense, to participate in or assume control of the defense of such claim, and the Claimant shall cooperate fully with the Indemnifying Party, subject to reimbursement for reasonable actual out-of-pocket expenses incurred by the Claimant as the result of a request by the Indemnifying Party. If the Indemnifying Party elects to assume control of the defense of any Third Party Claim, it must do so within ten (10) Business Days after the notice period set forth in Section 10.4(a) hereof, in which case the Claimant shall have the right to participate in (but not control) the defense of such claim at its own expense. If the Indemnifying Party does not elect to assume control or otherwise participate in the defense of any Third Party Claim, then the Claimant may defend through counsel of its own choosing and (so long as it gives the Indemnifying Party at least fifteen (15) days notice of the terms of the proposed settlement thereof and permits the Indemnifying Party to then undertake the defense thereof) settle such claim, action or suit and to recover from the Indemnifying Party the amount of such settlement or of any judgment and the costs and expenses of such defense. The Indemnifying Party shall not compromise or settle any Third Party Claim without the prior written consent of the Claimant, which consent will not be unreasonably withheld or delayed.

(d) If a claim, whether between the parties or by any other Person, requires immediate action, the parties will make every effort to reach a decision with respect thereto as expeditiously as possible.

(e) Notwithstanding anything contained herein to the contrary, the Indemnifying Party shall not be required to indemnify the Claimant until a "final determination" of a claim is made. A claim shall be deemed "finally determined" upon either (i) the entry of a judgment by a court of final authority and the time for appeal having expired with no appeal having been taken, or (ii) the execution and delivery of a final and binding settlement agreement signed by both the Indemnifying Party and the Claimant pursuant to which they agree that the claim is finally resolved.
