

Jarad Broadcasting Company of Hampton Bays, LLC
FCC Form 314
Section III, Item 6(b)
Exhibit 15

Multiple Ownership Compliance

WBON(FM) is located in the Nassau-Suffolk, NY Arbitron Metro. Annexed hereto is the BIA summary which shows that there are 41 radio stations in the Metro. Therefore, pursuant to the Commission's new rules, a party may own, operate, or control up to seven commercial radio stations in that market, of which not more than four may be in the same service. See 73.3555(a)(1)(ii).

The members of Jarad Broadcasting Company of Hampton Bays, LLC (the "Assignee") currently have an attributable ownership interest in the following three stations in the market: WDRE, WLIR, and WXXP (as evidenced by the attached management agreement), all of which are FM stations. The assignment of a license to Assignee will give Assignee's members an attributable ownership interest in a fourth FM station, WBON(FM). That result would be in compliance with the new ownership rules.
