To whom it may concern:

Sonshine Family Television Corp., Licensee of WBPH-dt licensed to Bethlehem PA and currently broadcasting on Channel 9, hereby agrees to accept any and all interference that may be caused by a temporary increase in power of WUSA of Washington DC, Licensed to Gannet Company Inc, broadcasting, during Special Temporary Authority signal testing being considered.

It is understood WUSA is seeking an STA of 52kw. Sonshine Family TV is in support of this STA grant and will be a co-participant in signal studies in an effort to test interference between these stations at the higher power.

Sonshine Family TV Corp. hereby supports the grant of the 52kw temporary STA and accepts the resulting temporary interference.

Sincerely

A handwritten signature in black ink, appearing to read 'D. P. Huber'.
