Gentlemen:

On behalf of our client, Television Station WECN-DT, applicant for a post-transition digital television station on Channel 18 in Naranjito, Puerto Rico, in accordance with Section 73.1030 of the FCC Rules, we are hereby notifying you of the proposed facility. The particulars of the proposal are as follows:

Geographical coordinates of antenna location (NAD83): 18-17-26.8N / 66-16-00.6W
Antenna height (center of radiation): 40 m AGL; 525 m AMSL
Antenna directivity: 14.55 dBi (maximum)
Proposed channel: 18 (494-500 MHz) (FCC Section 73.603)
Type of emission: 6M00D7W
Effective isotropic radiated power: 37.7 kW (maximum)

Please note that the proposed facility is for a digital television station on Channel 18 that will begin operation after the DTV transition date of February 17, 2009. There is currently another digital station occupying Channel 18, WTCV(TV), which will be discontinuing operation.

Should you find any adverse effect from this proposal, please communicate so via email (bobjr@dlr.com), telefax (941-329-6030) or regular mail, so appropriate action can be taken.

Very truly yours,

A handwritten signature in black ink, appearing to read "Louis R. duTreil, Jr.".
