

**EXHIBIT 1
KERRVILLE, TEXAS
CHANNEL 274
WILDCATTER WIRELESS
BNPFT 20030314AIX
GROUP 466**

This short form amendment is submitted on behalf of Wildcattter Wireless, Inc to resolve a mutually exclusive with Houston Christian Broadcasters, Inc BNPFT 20030317COH.

Applicant is making the following Tech Box changes to facilitate resolution to group 466.

Item 1 – Channel change to 274

Item 2 – Change of primary station to KRNH

Item 4 – New Antenna location: (NAD27) 30 – 11 – 47 N, 99 – 01 – 13 W

Item 5 – New ASRN 1216996

Item 6 – New site elevation 606 meters

Item 7 – Overall Height of Tower 102 meters

Item 8 – RCAGL 91 meters

Item 9 – ERP (H) and (V) 0.170 kW

Item 10 – Directional Antenna

This translator application is for a fill-in translator for station KRNH. Map shows that the 60-dbu of the proposed amendment is completely inside the 60-dbu of KRNH.

This application is outside of all Grid Markets and does not preclude any LPFM opportunities in any of those markets.

Maps are to show that this amendment technically resolves the mutually exclusivity between WILDCATTER and HOUSTON BROADCASTERS.
