Dear Sir or Madam:

WPSE (AM) and its FM Translator W296BW in Erie, Pennsylvania operate during a portion of the broadcast day with an off-premises control point. A computer automation system enables 24-hour broadcasting.

The off-premises control points are:

WPSE General Manager Ronald Slomski
948 Ruth Avenue
Erie, PA 16509
Telephone (814) 450-0814 (home), (814) 566-7623 (cellular)
-and-

WPSE Contract Engineer Richard Pogson
7961 West Lake Road
Fairview, PA 16541
Telephone (814) 474-5129 (home), (814) 392-6828 (cellular)

Twenty-four hour surveillance is conducted by Penn State Erie Police and Safety Services (studio) and Vector Security (transmitter site). Both entities call the general manager or contract engineer in the event of irregularities.

Sincerely,

Ronald Slomski
General Manager
