

Exhibit 5
FCC Form 301 (Modification Application)
Section II, Item 4(b)

Multiple Ownership Compliance

Local Radio Ownership Rule. In addition to station KBTQ (FM), Harlingen, Texas, Tichenor License Corporation (“Tichenor” or “Applicant”) is the licensee of KGBT (AM) (Fac. ID 67067) McAllen, TX and KGBT (FM) (Fac. ID 6662) Harlingen, Texas. The two FM stations and one AM station are located in the McAllen-Brownsville-Harlingen, Texas Metro radio market. Under Section 73.3555(a)(1)(ii), in a radio market with between 30 and 44 (inclusive) full-power commercial and noncommercial radio stations, an entity may own not more than 7 commercial radio stations and not more than 4 stations in the same service (AM or FM). As reflected in the attached BIA report, there are at least 30 full-power, commercial and noncommercial radio stations in the McAllen-Brownsville-Harlingen, Texas radio market. Accordingly, Tichenor’s ownership of two FM stations and one AM station in the market complies with the Local Radio Ownership Rule.

Radio-Television Cross-Ownership Rule. Neither Tichenor nor its parent Univision Communications Inc. (“UCI”) own a television station in the Harlingen-Weslaco-Brownsville-McAllen Designated Market Area (“McAllen DMA”). However, UCI is deemed to have an attributable interest in KNVO (TV), McAllen, Texas (Fac. ID 69692), owned by Entravision Communications, Inc. (“Entravision”). *See, Shareholders of Hispanic Broadcasting Corporation*, 18 FCC Rcd 18834 (2003) (finding that UCI is deemed to have an attributable interest in television stations owned by Entravision if such stations are affiliated with the Univision Television Network and UCI has the right to approve the sale of such station).

Under Section 73.3555(c)(2)(ii), if there are at least ten independently owned media voices in a market, an entity can have an attributable interest in up to two commercial television and four commercial radio stations (to the extent permitted by the local radio ownership rule). As reflected in attached BIA report, there are more than ten independently owned operating radio stations in the McAllen DMA. Accordingly, UCI’s attributable interest in one television station, two FM radio stations, and one AM radio station in the McAllen DMA complies with the Radio-Television Cross-Ownership Rule.
