Dear Madame Secretary:

Submitted herewith, please find an original of four copies of a Petition for Reconsideration of the dismissal of the above-captioned application.

The applicant is simultaneously filing an amendment electronically that eliminates the deficiency of a violation of 73.509 noted in a staff letter to the applicant dated January 13, 2012. This material is being timely filed within the 30 day window following dismissal.

We respectfully request reconsideration and reinstatement of the application, which, if granted, will provide a first service to North Salem, NY and allow the applicant sufficient time to construct the facility prior to expiration of the construction permit.

Respectfully submitted,

Frances St. Peter-Sanft
President

PETITION FOR RECONSIDERATION

In Re: WJZZ(FM), North Salem, New York
Facility ID: 175564
Quaboag Hills Public Radio, Inc.
File No: BMPED – 20111213ACY

The applicant hereby requests reconsideration and reinstatement of the above-captioned application pursuant to the provisions of Section 1.106 of the Rules.

Concurrent with this Petition, the applicant is electronically filing an amendment that eliminates the deficiency noted in a staff letter to the applicant dated January 13, 2012 by specifying a reduced ERP and amended directional pattern. This revision eliminates the violation of 73.509 noted in the staff letter.

The proposed facility, if granted, will provide a first service to North Salem, NY and allow the applicant sufficient time to construct the facility prior to expiration of the construction permit.

This Petition and the amendment are being timely filed within the 30 day window following the dismissal.

Accordingly, it is hereby requested that the Commission reconsider its action of January 13, 2012 and reinstate the above-captioned application.

Respectfully submitted,

Frances St. Peter-Sanft
President
