

Three Angels Broadcasting Network  
Dan Peek—Engineer  
P.O. Box 220  
West Frankfort, Illinois 62896

November 29, 2011

K08MM FID 57456 is requesting to move to KERO-DT's existing tower which has been in place in the Bakersfield antenna location for many years. The tower is 126' tall which is much below the 200' registration requirement as well as being more than 5 miles from the nearest airport. Thus, Three Angels Broadcasting Network respectfully requests that the Commission look favorably on this application.
