Re: **W279BC (151451)**

**NOTIFICATION OF RESUMPTION OF
FULL POWER LICENSED OPERATIONS**

Dear Ms. Dortch:

On behalf of **Southern Media Interactive, LLC**, Licensee of **FM Translator Station W279BC at Brunswick, Georgia**, we hereby notify the Commission that full power operations for W279BC has resumed at its licensed height on the tower structure.

On August 25, 2016 the Commission granted Special Temporary Authority ("STA") BSTA-20160819AAC for W279BC to operate at reduced power at a lower height on the tower structure due to tower structure issues. That STA was subsequently extended by BESTA-20170207AAU and is scheduled to expire on August 17, 2017.

We are pleased to advise the Commission that tower structure repairs were completed earlier this week and W279BC is now operating at full power at its licensed height on the tower structure.

Should any questions arise concerning these matters, please contact the undersigned.

Sincerely,

Cary S. Tepper
