

MULTIPLE OWNERSHIP STUDY
KIMI MALVERN, IOWA
KONA COAST RADIO, LLC
FCC FORM 301
JANUARY 2014

The following minor change application was studied for compliance with 73.3555 of the Commission rules concerning multiple ownership of stations.

The proposed assignee has an ownership interest in the following stations either directly or under another company common ownership in the regional area:

- 1) KMGQ(FM) Pine Bluffs, facility ID 79134
- 2) KDAB Hugo, CO, facility ID 170961
- 3) KREO(CP) James Town, WY facility ID 190387
- 4) KDCO(AM)(CP) Golden, CO, facility ID 161314
- 5) KIMB(AM) Kimball, NE, facility ID 15818
- 6) KKWY(FM) Albin, WY, facility ID 83584
- 7) KLLM Wheatland, WY, facility ID 166006
- 8) KHAN Chugwater, WY, facility ID 164284
- 9) KOMJ Omaha, NE, facility ID 74104 (assignment pending)

Figure 1 attached is a Multiple Ownership Map which shows the predicted 70 dBμ city grade contours for each of the FM stations and 5 mv/m for each AM station, including KIMI Malvern, Iowa, facility ID 189501.

As can be seen, there will be no overlap between the proposed KIMI and any other station under common ownership with the exception of KOMJ(AM) Omaha, NE (which assignment is still pending). KOMJ(AM) and KIMI(FM) are located in the Omaha-Council Bluffs Arbitron Market. Since no other stations under common ownership are located in the Omaha-Council Bluffs Market, ownership of a single AM and FM station in any defined radio market is allowed under 73.3555. Thus this proposal is in compliance with the Commission's Multiple Ownership rules.
