

Calvary Chapel Bible Fellowship is a state recognized religious non-profit organization. The radio programming will have an emphasis on religious education, leadership/discipleship training and community outreach, with at least 8 hours a day of programming and teaching from local churches and organizations, and interviews and lectures highlighting local community resources and events, in addition to live broadcast of local church services. The station will also support the community through public service announcements, traffic condition announcements, and national and local emergency broadcasts.
