

FCC Form 315

Licensee: Lincoln Financial Media Company of Florida

Transferee's Exhibit 20

### MULTIPLE OWNERSHIP EXHIBIT

This application requests consent to the transfer of control of the FCC licenses for the following radio stations from Lincoln Financial Media Company to Entercom Radio, LLC ("Entercom"):

<b>Station</b>	<b>Community of License</b>	<b>Facility ID Number</b>
WAXY(AM)	South Miami, FL	30837
WAXY-FM	Miramar, FL	29567
WLYF(FM)	Miami, FL	30827
WMXJ(FM)	Pompano Beach, FL	30840

Entercom, and parties under common control, currently hold no FCC licenses for broadcast radio or television stations in the Miami-Ft. Lauderdale-Hollywood, FL market. The proposed transfer of control will result in Entercom and parties under common control holding the Commission licenses for three FM radio stations and one AM radio station in the Miami-Ft. Lauderdale-Hollywood, FL market.

As shown on the report attached hereto, which was generated by the BIA/Kelsey Media Access Pro system, there are a total of 59 full power radio stations in the Miami-Ft. Lauderdale-Hollywood, FL market. Under Section 73.3555(a)(1)(i) of the Commission's Rules, in a market with 45 or more full power radio stations, a party (or parties under common control) may own up to 8 stations, not more than 5 of which may be in the same service. Thus, the proposed ownership of three FM stations and one AM station in the Miami-Ft. Lauderdale-Hollywood, FL market is in compliance with the Commission's radio multiple ownership rules.
