In re: Low Power Television Application of:
MAKO Communications, LLC
Channel 35, McAllen, TX
File number: BDFCDTA-20100416AAK
Facility Id No.: 32176

Dear Applicant:

This refers to your above-captioned application for a construction permit authorization in the low power television service.

Because your proposed transmitter site is in close proximity to the Mexican border, coordination with the Government of Mexico was mandatory as prescribed by the Mexican USA Television Agreement. As a result of this coordination, the Mexican Department of Communications has informed the Commission that it would object to the grant of your proposed facility, because it would cause interference to channel 35, Monterrey, Nuevo Leon, Mexico.

You are required to electronically amend your application to resolve these specified problems within **(30)** days of the date of this letter. If not so amended electronically, your application will be **CONSIDERED INCOMPLETE AND SUBSEQUENTLY DISMISSED**.

Sincerely

Hossein Hashemzadeh
Deputy Chief
Video Division
Media Bureau
