

**EXHIBIT 2**  
**Description of *Pro Forma* Transfer**

The instant application requests consent for the insertion of Sabre Communications, Inc. as the direct holding company in the chain of ownership of the licensee. Sabre Communications, Inc. is a wholly owned subsidiary of Backyard Broadcasting Holdings, LLC. Thus, ultimate ownership and control of the licenses will not change. Because this matter is entirely internal to Backyard Broadcasting Holdings, LLC, there are no written agreements providing for the transfer of the licensee.
