Application to Relocate to Southside, AL

Dear Sirs:

I am writing to you on behalf of the City of Southside, Alabama, of which I am Mayor. It has come to my attention that Williams Communications, Inc., licensee of the above-referenced station, has applied to the Commission for permission to relocate to Southside where it would provide the City's first local rural service. I wholeheartedly support this application.

In my view, and in the views of my fellow residents, Southside is an independent community with its own city government, municipal services, and businesses. It deserves its own local radio station to meet the needs and cover the issues uniquely applicable to Southside, and to service its many local advertisers.

Respectfully,

  
Wally Burns, Mayor
