RE: Tower status and time waiver request for **KPSV FM** – Tulare, CA – Fac. ID:
174791 Application # **BMPED-20130717AOZ**

Dear Marlene Dortch:

As per the documentation and communications with AT&T, KPSV FM is very close to completion. The South Valley Peace Center appreciates the continued guidance by Common Frequency and their assistance this year to help us match resources and launch the new station. We request your full consideration and support that we may commence with remaining tasks while AT&T resolves the structural issues at the tower site.

Yours Very Truly,

Don Manro
President, South Valley Peace Center
