Request For Special Temporary
Authority To Remain Silent

Dear Mr. Hieb:

This letter concerns the request, filed on March 22, 2010, on behalf of Phasor Physics, Inc., for Special Temporary Authority to permit FM Translator Stations K245BD and K224DP to remain silent.

Phasor Physics, Inc.'s request states that K245BD and K224DP went silent on October 24, 2009, due to signal failure. Phasor Physics, Inc.'s request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.¹

Phasor Physics, Inc.'s request will be granted. Accordingly, Special Temporary Authority is granted to permit FM Translator Stations K245BD and K224DP to remain silent for a period not to exceed 180 days from the date of this letter. **Notwithstanding the grant of this special temporary authority, the broadcast licenses for K245BD and K224DP will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m. October 25, 2010.**² See Section 312(g) of the Communications Act, 47 U.S.C. Section 312(g).

¹ In the event extension of special temporary authority is sought, please renew the certification in this matter .

²Notification of resumption of broadcast operations must be mailed to:

The stations' silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. Finally, we note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the stations' tower shall be maintained until removed. *See* 47 C.F.R. Sections 17.6 and 73.1740(a)(4).

Sincerely,
