Re: WMFN (AM), Zeeland, Michigan, (Fac. 55089); Request for Extension of Time
to Submit Amendment to BP-20140715AAF

Dear Mr. Nguyen:

On behalf of our client, Birach Broadcasting Corporation, ("BBC") we respectfully request a ninety day (90) extension in which to *amend* the above captioned application. BBC has completed its environmental study and is waiting on the final draft version which should be issued in the next 10 days. Once that study is received, BBC's engineer, Wayne Reese, will be applying for the Antenna Structure Registration ("FAA") for the FAA approved towers. BBC expects to have the ASR numbers issued within the time period requested and will promptly amend the application with that requisite information.

If you have any questions, please do not hesitate to contact our office.

Very truly yours,

John C. Trent
