Re: WCXX-LP, Cincinnati, OH
Facility ID No. 192000
24-7 Broadcasting, Inc.
File No. BPL-20151109FNL

Dear Applicant:

This letter is in reference to the above-captioned minor change application.

An engineering study has revealed that the proposed transmitter site specified in the application fails to meet the minimum spacing requirements of 47 C.F.R. § 73.807. Specifically, the site proposed is located 10.6 kilometers from the licensed facility for WUBE-FM (BMLH-20071226AAR) on Channel 286B in Cincinnati, OH. The required spacing pursuant to § 73.807 is 67 kilometers. Also, the site proposed is located 37.5 kilometers from the licensed facility for WNKN(FM) (BMLEP-20110330ACCO) on Channel 290B in Middletown, OH. The required spacing pursuant to § 73.807 is 67 kilometers. The application fails to address these defects.

Accordingly, in light of the above, application BPL-20151109FNL is unacceptable for filing and IS HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283 and 73.870(c).

Sincerely,

James D. Bradshaw
Deputy Chief
