

**Certification for WLKA Tafton, PA Antenna Installation**

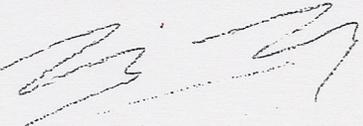

**RE: BPED-20100702AOB**

June 3, 2011

I have been involved in the installation, maintenance and repair of broadcast equipment since 2006. I am also the Chief Operator for WLKA Tafton PA.

This is to certify the installation of the ERI directional antenna for WLKA, model number LP-2E-DA-HW, was installed in complete accordance with the manufacturer's detailed instructions.

All work was performed by qualified personnel using good engineering practices and under my direct supervision. Vision Communications performed all antenna work at this site.
