6.1.1. No later than one (1) Business Day after the date hereof, Seller and Purchaser shall jointly cause to be filed by Seller’s FCC counsel an application with the FCC requesting the FCC’s consent to the assignment of the FCC Licenses from BCR License Sub to Designated Licensee, which application is attached hereto at Exhibit A (the “**FCC Assignment Application**”). Each party shall pay its own expenses in connection with the preparation and prosecution of the FCC Assignment Application and shall share equally any filing fees associated with the FCC Assignment Application.

6.1.2. In addition to the FCC Assignment Application, Seller agrees to use reasonable best efforts to file the FCC Modification Application within three (3) Business Days after receipt thereof from Purchaser. The parties agree that the FCC Modification Application will be prosecuted with reasonable best efforts, in good faith and with due diligence. The parties agree to use their reasonable best efforts to file additional information or amendments requested by the FCC orally or in writing within five (5) Business Days after such request and, in any event, to commence preparation of such additional information or amendments immediately upon request and to complete and file the same with the FCC as promptly as practical. Purchaser will be responsible for the expenses incurred by the parties in the preparation, filing and prosecution of the FCC Modification Application, including filing fees and legal and engineering expenses. Without limiting this Section 6.1.3, Purchaser agrees to take any and all steps and to make any and all undertakings necessary to (i) avoid or eliminate each and every impediment under any antitrust, merger control, competition, or trade regulation Law, including the Communications Act, that may be asserted by any Governmental Authority with respect to consummation of the transactions contemplated by this Agreement and (ii) resolve any objection that may be asserted by the FCC or any other Person in order to obtain promptly the FCC Order or satisfy or comply with any conditions imposed by the FCC Order, in all events so as to enable the Closing to occur as soon as reasonably possible, including proposing, negotiating, committing to, and effecting by consent decree, hold separate order, or otherwise, the sale, divestiture, licensing or disposition of such assets of Purchaser or any of its Affiliates (including any FCC license held by such persons) or otherwise taking or committing to take actions that limit Purchaser's or its Affiliates' freedom of action with respect to, or their ability to retain, any of their assets, in each case, as may be required in order to obtain the FCC Order or avoid the entry of, or to effect the dissolution of, any injunction, temporary restraining order, or other Order in any suit or proceeding, which would otherwise have the effect of preventing or delaying the Closing.

6.1.4. Notwithstanding anything in this Agreement to the contrary, if the Closing occurs before the FCC Order becomes a Final Order, the terms of Section 6.1.3 shall survive the Closing until the FCC Order becomes a Final Order; provided, however, that such terms shall only survive as applied to actions relating to the obtaining of the FCC Order and such FCC Order becoming a Final Order. No assignment of the FCC Licenses shall occur prior to obtaining the FCC Order.

6.2. Third Party Consents and Notices.

6.2.1. Seller will use its reasonable best efforts to obtain all Third Party Consents as promptly as practicable after the date of this Agreement. All Third Party Consents shall be in form reasonably satisfactory to Purchaser, and none shall provide for any increase in cost or other change in terms and conditions after the Closing which would be adverse to Purchaser.

6.2.2. Prior to Closing, Seller shall provide written notice to third parties which have entered into material contracts with the Station (other than the Assumed Contract) regarding (a) the existence of this Agreement and the transactions contemplated hereby and (b) that Purchaser is not assuming any obligations of Seller or the Station in respect of the contracts with such third parties. Seller shall promptly provide copies of these written notices to Purchaser.

6.3. Access to Information.

From the date hereof until the Closing (upon reasonable notice to Seller), during normal business hours, Seller shall, and shall cause its officers, directors, employees, auditors and agents to, (a) afford the officers, employees and authorized agents and representatives of Purchaser reasonable access to the offices, properties, books and records of Seller to the extent related to the Purchased Assets, and (b) furnish to the officers, employees and authorized agents and representatives of Purchaser such additional information regarding the Purchased Assets and the Station (including regularly prepared financial statements of the Station) as Purchaser may from time to time reasonably request in order to assist Purchaser in fulfilling its obligations under this Agreement and Purchaser's reporting obligations under applicable rules and regulations of the Securities and Exchange Commission, and to facilitate the consummation of the transactions contemplated hereby; provided, however, that (i) such investigation shall not unreasonably interfere with any of the businesses or operations of Seller or the Station and (ii) it is understood that Seller is not making any representations or warranties as to any financial statements of the Station furnished to Purchaser.

6.4. Confidentiality.

The terms of the confidentiality agreement previously executed between the parties (the "**Confidentiality Agreement**") between Seller and Purchaser are hereby incorporated herein by reference and shall continue in full force and effect until the Closing, at which time such Confidentiality Agreement and the obligations of Purchaser under this Section 6.4 shall terminate; provided, however, that the Confidentiality Agreement shall terminate only in respect of that portion of the Evaluation Material (as defined in the Confidentiality Agreement) exclusively relating to the transactions contemplated by this Agreement and the Purchased Assets. If this Agreement is, for any reason, terminated prior to the Closing, the Confidentiality Agreement shall nonetheless continue in full force and effect.

6.5. Public Announcements.

Seller and Purchaser shall consult with each other before issuing any press release or otherwise making any public statements with respect to this Agreement or the transactions contemplated herein and shall not issue any such press release or make any such public statement without the prior written consent of the other party, which shall not be unreasonably withheld, conditioned or delayed; provided, however, that a party may, without the prior written consent of the other party, issue such press release or make such public statement as may be required by Law or any listing agreement with a national securities exchange to which Seller or Purchaser is a party if it has used all reasonable efforts to consult with the other

party and to obtain such party's consent but has been unable to do so in a timely manner.

6.6. Ordinary Course of Business.

During the period from the date hereof to the Closing Date, unless the prior consent of Purchaser is first obtained, Seller shall cause the Station to not knowingly take any action which would cause the conditions set forth in Section 7.1 and Section 7.2 not to be satisfied as of the Closing Date.

6.7. Control of the Station.

Prior to the Closing, Purchaser shall not, directly or indirectly, control, supervise, direct, or attempt to control, supervise, or direct, the operations of the Station; such operations, including complete control and supervision of the Station programs, employees, and policies, shall be the sole responsibility of Seller until the Closing.

6.8. Risk of Loss.

Seller shall bear the risk of all damage to, loss of or destruction of any of the Purchased Assets between the date of this Agreement and the Closing Date. If any material portion of the Purchased Assets (other than items that are obsolete and not necessary for the continued operations of the Station) shall suffer any material damage or destruction prior to the Closing Date, Seller shall promptly notify Purchaser in writing of such damage or destruction, shall promptly take all necessary steps to restore, repair or replace such assets at Seller's sole expense, and shall advise Purchaser in writing of the estimated cost to complete such restoration, repair or replacement and all amounts actually paid as of the date of the estimate. If necessary and provided that Seller is diligently pursuing such restoration, repair or replacement, the Closing Date shall be extended for a period up to the Outside Date to accomplish such restoration, repair or replacement.

6.9. Morris Station.

Within a reasonable period of time after the date hereof, Seller agrees to file, at Purchaser's sole cost and expense, an application with the FCC proposing to modify the directional antenna for the Morris Station at Seller's current transmitter site in Morris, Illinois, in accordance with the engineering specifications set forth on Schedule 6.9 hereto (the "**FCC Morris Modification Application**"). The parties acknowledge and agree that it shall not be a condition to Closing that the FCC shall have approved the FCC Morris Modification Application. Moreover, the parties acknowledge and agree that Seller may sell and assign its rights in the Morris Station, and that Seller's obligations pursuant to this Section 6.9 shall apply only so

long as Seller or a subsidiary of Seller is the licensee of both the Station and the Morris Station. For so long as this Agreement remains in effect, Seller covenants and agrees to cause any assignee of the FCC licenses for the Morris Station to agree, for the direct benefit of Purchaser, to assume Seller's obligations under this Section 6.9; provided, however, that upon any such assignment of the FCC licenses for the Morris Station to a third party assignee, Seller shall have no Liability under this Section 6.9. In the event that any assignee of the FCC licenses for the Morris Station acquires such FCC licenses and, in connection therewith, assumes the obligations of Seller under this Section 6.9, Seller and such assignee shall not amend the obligations assumed without the prior written consent of Purchaser, which consent shall not be unreasonably withheld, conditioned or delayed.

7.1. Representations and Warranties.

The representations and warranties of Seller contained in this Agreement shall be true and correct as of the Closing Date with the same effect as though made at such time (except as contemplated or permitted by this Agreement), except in all cases where the failure of any representation or warranty to be true and correct would not have a Material Adverse Effect.

10.1.1. by Purchaser if Seller is in material breach of its obligations hereunder, such that the conditions set forth in Section 7.1 and Section 7.2 would not be satisfied as of the Closing, and such breach has not been cured by Seller within thirty (30) days of written notice of such breach (or such longer period of time if the breach cannot be reasonably cured within thirty (30) days and Seller is diligently attempting to cure such breach);

Consequently, Seller and Purchaser agree that each shall be entitled, in the event of a default by the other, to specific performance of any of the provisions of this Agreement in addition to any other legal or equitable remedies to which the non-defaulting party may otherwise be entitled.
