Re: WRXC(FM)  
Shelton, Connecticut  
Facility Id. No. 43530

Dear Ms. Dortch:

On behalf of Town of Monroe, Connecticut, licensee of WRXC, I am hereby advising the Commission that WRXC has resumed operation with licensed parameters. As in the licensee's initial application for special temporary authority (App. No. BSTA – 20140312ABE, Granted March 20, 2014), the station was forced to operate at reduced power because of unexpected problems experienced with the transmission equipment.

All necessary repairs have now been completed and the station resumed broadcasting with licensed parameters on October 20, 2014.

If there are any questions concerning this notification please contact this office directly.

Very truly yours,

Colin B. Andrews
