Re: WDCI (FM), Bridgeport, West Virginia
Facility Identification Number: 17065
Withers Broadcasting Company of Bridgeport, LLC
Special Temporary Authorization

Dear Counsel:

This is in reference to the request filed December 1, 2006, on behalf of Withers Broadcasting Company of Bridgeport, LLC ("Withers"). Withers requests extension of the special temporary authority ("STA") granted on May 5, 2006, to operate Station WDCI with emergency antenna facilities following collapse of the licensed tower in a storm.¹ In support of the request, Withers states that it recently acquired the station and that it has located a replacement tower which it plans to erect at the WDCI site during the first quarter of 2007.

Our review indicates that Withers has replaced its tower and that Modification of License Application BMLH-20070425ABE, to reflect the operating parameters for the new antenna, was granted on April 27, 2007. Thus, STA is no longer necessary.

Accordingly, the request for extension of STA IS HEREBY DISMISSED.

Sincerely,

Charles N. Miller, Engineer
