

Multiple Ownership

As a result of the proposed Merger, L&L Licenses will hold the licenses for the six radio stations currently held by Alpha Licenses, which will cease to exist. Each of these stations is licensed to a community within the Portland, Oregon Arbitron Metro. L&L Licenses does not have an attributable interest in any other radio station or media outlet in the Portland, Oregon market.

As demonstrated in the attached BIA printout, the Portland, Oregon market contains 62 full power radio stations. In markets served by 45 or more full power radio stations, Section 73.3555(a) of the Commission's rules allows common control of eight radio stations, not more than five of which are in the same service. Consequently, the transaction proposed herein will comply with the Commission's ownership rules because, following consummation of the proposed Merger, L&L Licensee, LLC will hold the licenses for six radio stations (2 AMs and 4 FMs) in the Portland, Oregon market.
