

**MULTIPLE OWNERSHIP
EXHIBIT 5**

According to the Commission's local ownership "tiers," in a Metro reported by BIA as having between 15 and 29 (inclusive) "home" commercial and noncommercial educational full-power radio stations, a party may have a cognizable interest in up to 6 commercial full-power radio stations, not more than 4 of which are in the same service (AM or FM). In the Beaumont-Port Arthur, Texas Arbitron Metro there are 24 commercial and noncommercial educational full-power radio stations. This application complies with the local radio ownership portion of the multiple ownership rules set forth in 47 C.F.R. Section 73.3555 because only six full-power radio stations (KAYD-FM, KIKR(AM), KQHN(AM), KQXY-FM, KRWP(FM) and KTCX(FM)) are attributable to Cumulus Licensing LLC and any party to this application.

According to the Commission's Interim Contour-overlap Methodology, in a market having 45 or more (inclusive) commercial and noncommercial educational full-power radio stations, a party may have a cognizable interest in up to 8 commercial full-power radio stations, not more than 5 of which are in the same service (AM or FM). Based on the mutual principal community contour overlaps of stations attributable to Cumulus Licensing LLC and any party to this application, the market is comprised of 5 FM and 2 AM stations (KTCX(FM), KAYD-FM, KQXY-FM, KVST(FM), KRWP(FM), KQHN(AM), and KIKR(AM)). The attached contour overlap study indicates that there are 46 commercial and noncommercial educational full-power radio stations in this market. Therefore, this application complies with the local radio ownership portion of the multiple ownership rules set forth in 47 C.F.R. Section 73.3555.
