Gentlemen:

On behalf of our client, Concilio Mision Cristiana Fuente de Agua Viva, Inc., licensee of TV station WQHA (DT), Aguada, Puerto Rico, in accordance with Section 73.1030 of the FCC Rules, we are hereby notifying you of a proposed minor change in facilities. The particulars of the proposal are as follows:

Proposed Facility

Geographical coordinates of antenna location (NAD83): 18-18-41.8 / 67-11-24.5
Antenna height: 32 m AGL; 376 m AMSL
Antenna directivity: 19.5 dBi (no change)
Antenna orientation: 90° true (no change)
Proposed channel: 50 (686-692 MHz) – no change
Type of emission: 6M00D7W (no change)
Effective isotropic radiated power: 72.2 kW (Maximum, Horizontal polarization)

Should you find any adverse effect from this proposal, please communicate via email ([mailto:Grafton@dlr.com](mailto:grifton@dlr.com)), fax (941-329-6031) or regular mail, so appropriate action can be taken.

Very truly yours,

Grafton Olivera, P.E.
