Linda Adams  
Technical Consultant  
Family Stations, Inc.  
4135 Northgate Blvd., Suite 1  
Sacramento, CA 95834

Dear Linda,

I am writing this letter in regard to your antenna attached to the tower located 0.1 miles east of County Road 170 and 0.17 miles north of State Highway 44 in Jim Wells County, Texas.

A survey crew working under my direction in conjunction with the antenna installation crew correctly aligned the antenna to a true north azimuth of 70° on this date.
