Re: Letter of No Objection to Application of WBYD-CA, application file # BDISDTA-20130207ACF

Dear Mr. Hashemzadeh,

This is to inform the Commission that Bruno Goodworth Network, Inc., Licensee of WMVH-CA, Charleroi, PA is aware of the potential for new interference from the above referenced channel 39 digital displacement application of WBYD-CA, Pittsburgh, PA to our digital displacement application on channel 40, BDISDTA-20090713ADO. Notwithstanding any interference caused to our existing construction permit by this proposal, we are not opposed to a grant of the above displacement request.

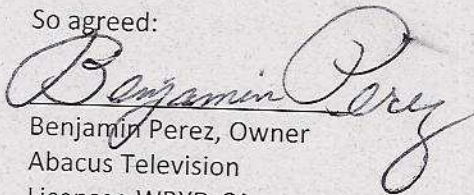

This no-objection letter is granted based on the fact that Abacus Television has agreed to accept any interference caused to its channel 39 facility by any future modification of our channel 40 facility and its agreement to use special output filtering which will minimize the amount of adjacent channel interference caused by its facility to our channel 40.

Very truly yours,

Debra Goodworth, Corporate Secretary  
Bruno Goodworth Network, Inc.  
Licensee WMVH-CA

So agreed:

Benjamin Perez, Owner  
Abacus Television  
Licensee WBYD-CA

Bruno/Goodworth Network, Inc.
