RECITALS:

WHEREAS, Licensee owns and is authorized to operate radio KTCM(FM), Kingman, Kansas, (the "Station"), pursuant to licenses issued by the Federal Communications Commission ("FCC"); and

WHEREAS, Licensee and Programmer have entered into a certain Asset Purchase and Exchange Agreement dated August 24, 2007 (the "Purchase Agreement") with respect to sale of the Station to Programmer (among other provisions), and Licensee desires that Programmer will provide programming for the Station and sell advertising time on the Station in the interim period before closing of the transaction contemplated by the Purchase Agreement, and Programmer desires to provide such programs and sell the advertising time on the Station as further provided herein;

NOW, THEREFORE, in consideration of the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree as follows:

1. Sale of Time. Subject to the provisions of this Agreement and the applicable rules, regulations and policies of the FCC, Licensee agrees to make the Station's broadcasting transmission facilities available to Programmer for broadcast of Programmer's programs on the Station (the "Programming"). Programmer will have the right to broadcast on the Station up to twenty-four (24) hours of programming each day during the Term, as defined herein. Notwithstanding the foregoing, Licensee reserves up to two (2) hours of the Station's time per week for its own use for public affairs programming at a mutually agreeable time.

2. Term. The term of this Agreement shall commence on September 1, 2007 (the "Effective Date") and, unless earlier terminated as provided in this Agreement, shall continue in full force and effect for a period of two years (the "Term").

3. Consideration. As consideration for the air time made available by Licensee hereunder during the Term, Programmer shall pay Licensee a monthly sum in accordance with Schedule A hereto.

4. Programs. Programmer will provide programming to the Station, produced at its own studios or from the studios of the Station, and produced and delivered to the Station's transmitter site at Programmer's own cost and expense, subject to the following conditions:

4.1 Production of the Programs. Programmer agrees that the contents of the

Programs it transmits to Licensee shall conform to all FCC rules, regulations and policies. Programmer agrees that it will consult with Licensee in the selection of the Programs it transmits to Licensee to ensure that the Programs' content contains matters responsive to issues of public concern in the local communities, as those issues are made known to Programmer by Licensee. Licensee acknowledges that its right to broadcast the Programs is non-exclusive and that ownership of the Programs, and all parts thereof, and the right to authorize their use in any manner and in any media whatsoever, shall be and remain vested in Programmer.

4.2 Political Time. Licensee shall oversee and maintain ultimate responsibility with respect to the provision of equal opportunities, lowest unit charge, and reasonable access to political candidates, and compliance with the political broadcast rules of the FCC. During the Term, Programmer shall cooperate with Licensee as Licensee complies with its political broadcast responsibilities, and shall supply such information promptly to Licensee as may be necessary to comply with the political time record keeping and lowest unit charge requirements of federal law. Programmer shall release advertising availabilities to Licensee during the Broadcasting Period as necessary to permit Licensee to comply with the political broadcast rules of the FCC; provided, however, that revenues received by Licensee as a result of any such release of advertising time shall promptly be remitted to Programmer.

4.3 Programmer's Expenses. During the Term, Programmer will be responsible for (i) the salaries, taxes, insurance and related costs for all personnel used in the production of the Programs supplied to Licensee, and (ii) the costs of delivering the Programs to Licensee. Licensee shall provide Programmer, for no additional consideration, access to and use of the Station's studios to produce and deliver the Programs and otherwise to perform under this Agreement provided, however, that Programmer shall be responsible for any costs of maintenance or repair for the studio equipment that it utilizes. Programmer shall also acquire and have in force Errors and Omissions Insurance covering its programming provided to the Station in amounts customary in the industry and approved by Licensee in its reasonable discretion, and naming Licensee as an also insured. Licensee will be entitled to reimbursement from Programmer for those expenses listed on Schedule A.

5. Licensee's Responsibility for Expenses. Licensee shall be solely responsible for payment of all the direct and indirect operating costs (except directly related to Programmer's use of the facilities of the Station), including but not limited to:

- (a) salaries, payroll taxes, insurance, benefits and related costs of Licensee's Chief Operator and other personnel employed by Licensee in the operation of the Station as required by FCC rules, regulations and policies;
- (b) insurance costs relating to Licensee's owned assets and operations;
- (c) Licensee's own telephone, delivery and postal service;

(d) income, gross receipts, sales, real property, personal property, excise and/or any other taxes of any nature whatsoever related to the ownership of Licensee's assets or Licensee's own programming efforts on the Station;

(e) the costs of Licensee's own programming;

(f) lease payments, power and other utility bills and maintenance costs for the Station's studio, transmission and tower facilities; and

(g) costs and expenses (including legal costs and filing fees) incurred in connection with the Station's compliance with FCC rules and regulations.

Licensee shall make all necessary payments in a timely fashion from its own accounts, subject to reimbursement by Programmer as set forth on Schedule A.

6. Licensee's Authority. Notwithstanding anything to the contrary in this Agreement, Licensee shall have full authority and power over the operation of the Station during the Term. Licensee shall be responsible for all programming it furnishes for broadcast on the Station and for the payment of the salaries of all of its employees, all of whom shall report solely to and be accountable solely to the Licensee. Licensee shall retain the right to interrupt or preempt Programmer's programming at any time if Licensee determines the programming is not in the public interest or violates this Agreement, or in case of an emergency or Emergency Alert System ("EAS"), or any successor system's activation, or for the purpose of providing programming which Licensee in its sole discretion determines to be of greater national, regional or local importance; provided, however, that any revenues realized by Licensee as a result of such interruption or preemption shall promptly be remitted to Programmer.

7. Advertising and Programming Revenues. Programmer shall retain all revenues from the sale of advertising time on the programming it broadcasts on the Station on and after the Effective Date until termination of this Agreement, and all accounts receivable of Programmer for time periods before the Effective Date shall be for the account of Programmer.

Licensee will continue to hold such permits and authorizations throughout the Term. Licensee is operating the Station in accordance with the Act and the FCC's rules and policies.

(c) No Violation. Licensee is not in material violation of any statute, ordinance, rule, regulation, order or decree of any federal, state, local or foreign governmental agency, court or authority having jurisdiction over it or over any part of its operations or assets, which material default or violation would have an adverse effect on Licensee or its assets or on its ability to perform this Agreement.

(d) Employees. Licensee shall retain, on a full time or part time basis, a General Manager who shall direct the day-to-day operation of the Station, and a Chief Operator, as that term is defined by the rules and regulations of the FCC (who may also hold the position of Chief Engineer), who shall be responsible for insuring compliance by the Station with the technical operating and reporting requirements established by the FCC.

(d) Survival. The obligation of Programmer and Licensee to indemnify and hold each other harmless as set forth in this Agreement shall survive any termination of this Agreement and shall continue until the expiration of all applicable statutes of limitations as to the parties hereto and to claims of third parties.
