Box 8310
Pocatello, Idaho 83204

Dear Jerry Miller:

KPVI-TV, Channel 6, hereby grants Idaho State University (FCC File # BPED-19970206MA) permission to apply for and operate a station and process an FM application on channel 216, Frequency 91.1 Mhz. The station will be constructed in Pocatello, Idaho at North Latitude 42 deg 51 min 48 sec and West Longitude 112 deg 31 min 03 sec and shall operate at an ERP of, and not to exceed 4.5 KW or 4500 Watts, provided the following occurs:

KPVI will be the sole determiner of any actual interference, and if the interference cannot be immediately corrected, Idaho State University will cease broadcasting until a satisfactory resolution to the problem can be found.

Sincerely,

Robin Estopinal
Chief Engineer- KPVI-TV
