

SLSI Job No. 07-493

May 14, 2007

Mr. Larry Quick
KSDS RADIO
1313 Park Blvd.
San Diego, CA 92101

**RE: Mesa College
Antenna Certification**

Dear Larry:

Sterling Land Services, Inc. completed an as-built survey of the directional antenna at the above referenced site on May 11 2007. It is our opinion that the Antenna is pointing in a NW direction with an azimuth of 310 degrees.

You may reach me at the number below if you require any further information.

Regards,

Scott Peters, PLS
Sterling Land Services, Inc.
