

Transferee Multiple Ownership Exhibit

Neither the transferee, nor any transferee party to the application, is the holder of an attributable joint sales agreement, an attributable time brokerage agreement, or any attributable broadcast stations in the same market as the stations that are the subject of this application, other than Cherry Creek Broadcasting Company and its subsidiaries (collectively, “CCR”). Thus, the Commission’s multiple ownership rules are not implicated by this transaction, except for the stations held by CCR. Exhibit 20-A demonstrates CCR compliance with 47 C.F.R. §73.3555(a).
