

CONCURRENCE AGREEMENT

This Concurrence Agreement made and entered into this 25 day of April, 2006, by and between WPXI, Inc., whose address is 11 Television Hill, Pittsburgh, PA ("Licensee") and Bible Broadcasting Network, Inc. ("BBN"), whose address is 11530 Carmel Commons Blvd., Charlotte, NC 28226-3976.

Whereas, Licensee is licensee of Commercial Analog Television Station WJAC-TV, TV Channel 6, Johnstown, PA (Facility ID No. 73120) ("Channel 6 Station");

Whereas, BBN is licensee of Noncommercial Educational FM ("NCE-FM") Translator W216AF, Johnstown, PA (Facility ID No. 26524) ("BBN Translator");

Whereas, a full power FM station has been authorized that will require BBN to cease operation of BBN Translator unless BBN Translator can change its operating channel from FM Channel 216 to FM Channel 219 ("Channel 219 Application");

Whereas, Section 74.1205(c) of the FCC's rules would require BBN to locate the BBN Translator transmitter 132 km from the transmitter site of Channel 6 Station. BBN Translator is currently located on the same tower with Channel 6 Station at North Latitude 40°-22'-17", West Longitude 78°-58'-58", resulting in the transmitters being in closer proximity than normally authorized by the FCC's rules.

Whereas, Section 74.1205 of the FCC's Rules authorizes NCE-FM translator applicants and affected TV Channel 6 broadcast licensees to file applications where the transmitter sites are co-located so long as the application is accompanied by a written agreement between the NCE-FM translator applicant and the affected TV Channel 6 licensee concurring with the proposed NCE-FM translator facility.

Now therefore, for valuable consideration, intending to be legally bound, the parties agree as follows:

Licensee has examined BBN's proposal and hereby concurs with the filing of the BBN application; provided however, that Licensee reserves the right to object in writing to the application should the Channel 219 Application deviate from the technical parameters already provided by BBN to Licensee. In case of such objection, BBN will dismiss the Channel 219 Application.

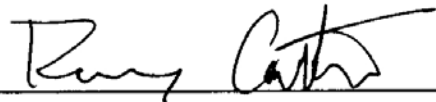

BBN shall forward to Licensee by electronic mail a copy of the application as soon as practicable after filing it with the FCC.

Licensee and BBN agree that a copy of this agreement shall be filed as an exhibit to BBN's Channel 219 Application.
