

**EXHIBIT 4**  
**Section II, Item 6**

**AGREEMENTS FOR SALE/TRANSFER OF STATION**

No written agreement documenting the instant transaction exists at this time because: (i) the transaction involves no change in ultimate control of the licensee; (ii) no new independent parties will be inserted into the chain of ownership; (iii) the transaction is part of a large internal reorganization; and (iv) final documentation of the transaction will require board resolutions which have not yet been issued. In lieu of a written agreement, the parties have provided a detailed explanation of the transaction in Exhibit 10.
