

**Exhibit 18**  
**Multiple Ownership Compliance**

Raycom Media, Inc., on behalf of itself and its subsidiaries (“Raycom”), and American Spirit Media, LLC, and its subsidiaries (“American Spirit”), hereby submit monthly Nielsen all-day (9 a.m.–midnight) audience share data for WUPV, Ashland, Virginia, from January 2017 through July 2018. The data, attached hereto as Attachment 1, demonstrate that WUPV is, and consistently has been, the fifth-ranked station in its DMA. Accordingly, Raycom’s ownership of WUPV, in combination with its existing ownership of WWBT(TV), Richmond, Virginia, would comply with Section 73.3555(b)(1)(ii) of the Commission’s rules.
