Hossein,

Specialty Broadcasting is currently unable to meet all of the requirements to comply as a Class A station. I would like to request a change of status back to low power television status. (47 C. F. R. 73.60001 (d) ).

Please let me know if this email will suffice as the written notification specified by the rules.

Thank you,  
Charles S. Namey  
Specialty Broadcasting Corporation
