“Transfer Taxes” has the meaning set forth in Section 6.6.

“Transferred Employee” has the meaning set forth in Section 7.2(b).

“Stations” has the meaning set forth in the recitals.

Section 1.2. Terms Generally.

(a) The definitions set forth or referenced in Section 1.1 apply equally to both the singular and plural forms of the terms defined. Any pronoun includes the corresponding masculine, feminine and neuter forms, as the context requires. The words “include,” “includes” and “including” will be deemed to be followed by the phrase “without limitation.” The word “or” is not exclusive. The words “shall” and “will” are used interchangeably and are intended to have, and will be deemed to have, the same meaning. The words “herein,” “hereof” and “hereunder” and words of similar import refer to this Agreement (including the Exhibits and Schedules) in its entirety and not to any part of this Agreement unless the context otherwise requires. All references to Articles, Sections, Exhibits and Schedules will be deemed references to Articles and Sections of, and Exhibits and Schedules to, this Agreement unless the context otherwise requires.

(b) The “knowledge” of a Party will mean the actual knowledge of any senior officer of such Party after due inquiry into the matter at issue; provided, however, that the knowledge of any of the Sellers will be deemed to include the actual knowledge (after due inquiry into the matter at issue) of any of Sellers’ senior officers plus the Stations’ business manager(s), general managers and chief engineers.

(c) Any references to any agreement or other document or instrument or to any statute or regulation are to it as amended and supplemented from time to time (and, in the case of a statute or regulation, to any successor provisions, and to any rules and regulations promulgated thereunder), unless the context otherwise requires.

(d) Any reference to a “day” or number of “days” (without the explicit qualifications of “business”) will be interpreted as a reference to a calendar day or number of calendar days. Any reference to a “business day” means any day that is not a Saturday, Sunday or day on which banks in Wilmington, Delaware, are authorized or required by law to close. If any action or notice is to be taken or given on or by a particular calendar day, and such calendar day is not a business day, then such action or notice will be deferred until, or may be taken or given on, the next business day. All references to dollar amounts will be references to United States Dollars.

All such contracts, agreements and leases that are so added to Schedule 2.1(c) in accordance with this paragraph shall, for all purposes of this Agreement, be deemed to be Contracts and included in the Assets. All Contracts that are so removed from Schedule 2.1(c) in accordance with the terms and conditions of this Agreement shall, for all purposes of this Agreement, thereafter be deemed to be Excluded Assets and shall cease to be Contracts and shall no longer be included in the Assets. Except as otherwise provided in this Agreement, updates to Schedule 2.1(c) in accordance with this paragraph will not in any manner affect any condition to the obligations of Buyer to consummate the Closing or the satisfaction thereof.

Section 2.5. Purchase Price. In consideration for the sale of the Assets, Buyer shall, at the Closing, in addition to assuming the Assumed Liabilities, pay to Sellers a cash amount equal to Thirty One Million Two Hundred Fifty Thousand Dollars (\$31,250,000.00) (the "Purchase Price"), which shall be subject to estimation and adjustment as provided in this Agreement. The Good Faith Deposit shall be held by the Escrow Agent ("Escrow Deposit"). At the Closing, the Escrow Deposit and all interest and earnings thereon, if any, (collectively, the "Escrow Funds") shall be paid to Sellers as partial payment of, and a credit against, the Purchase Price due at Closing. In the event that this Agreement is terminated pursuant to the terms hereof, the Escrow Funds shall be paid to the Sellers or paid to Buyer in accordance with Section 10.3. Buyer and Sellers shall deliver such instructions to the Escrow Agent as may be necessary to disburse the Escrow Funds in accordance with the terms of this Agreement. The parties agree that all Taxes on the Escrow Funds shall be paid by Buyer.

(b) Payment at Closing. The Purchase Price shall be paid at Closing as follows: (a) the Escrow Funds shall be delivered to Sellers by Escrow Agent by wire transfer of immediately available US funds in accordance with joint written instructions delivered by the Sellers and Buyer at least three (3) days prior to Closing, (b) Two Million Eight Hundred Thousand Dollars (\$2,800,000.00) (the “Indemnity Escrow Amount” and together with any interest earned on such amount, the “Indemnity Escrow Fund”) shall be delivered by Buyer to the Escrow Agent by wire transfer of immediately available funds in accordance with written instructions delivered by the Escrow Agent at least three (3) days prior to Closing, and (c) the balance of the Purchase Price (i.e., the Purchase Price (as adjusted pursuant to this Agreement) reduced by (i) the Indemnity Escrow Amount and (ii) the Escrow Funds shall be paid by Buyer to Sellers, by wire transfer of immediately available funds in accordance with written instructions delivered by Sellers at least three (3) business days prior to Closing. The Indemnity Escrow Fund will be held by the Escrow Agent pursuant to the terms of an escrow agreement substantially in the form of Exhibit A (the “Indemnity Escrow Agreement”). The Indemnity Escrow Fund will be released and applied in accordance with the terms of this Agreement and the Indemnity Escrow Agreement.

Section 2.6. Purchase Price Adjustments. The Purchase Price will be subject to adjustment, as of the Effective Time, for each of the following calculated in accordance with GAAP:

(a) The Purchase Price will be increased by:

(i) all prepaid expenses (other than inventory) and credits (including prepaid Property Taxes, real and personal property rentals, tower and antenna rentals, copyright fees and license fees or charges), which are included in the Assets, in each case to the extent attributable to any periods or portions thereof beginning after the Closing Date (for purposes of clarification there shall be no increase to the Purchase Price to the extent the aggregate liabilities under Trade Agreements as of the Effective Time is less than the aggregate fair market value of receivables under Trade Agreements as of the Effective Time); and

(ii) all documented deposits relating to the Business and operations of the Station that are held by third parties as of the Effective Time for the account of Sellers and that relate to the Stations or as security for Sellers’ performance of their obligations in respect of the Stations, including deposits on leases and deposits for utilities, to the extent included in the Assets as set forth on Schedule 2.6(a)(ii) hereto.

(b) The Purchase Price will be decreased by:

(i) Sellers’ estimated pro-rata portion of the FCC annual regulatory fees due and payable for the period October 1, 2015 through the Closing Date;

(ii) the prorated amount of all accrued and unpaid Property Taxes for any Pre-Closing Tax Period, as determined pursuant to Section 6.6(c);

(iii) any deferred retransmission consent revenues of the Business that relate to periods after the Effective Time to the extent that cash has been received by Sellers prior to the Closing Date with respect to such retransmission consent revenues;

(c) Notwithstanding anything to the contrary set forth in this Section 2.6, as between Buyer and Sellers with respect to all Program Contracts, obligations to make cash payments of license and usage fees pursuant to each such Program Contract will be prorated between Sellers and Buyer based on the inventory of Program Rights under such Program Contracts elapsed as of the Closing Date vis-a-vis the remaining inventory of Programs available to Buyer under such Program Contracts after the Closing Date. The Purchase Price will be either (i) increased by the amount Sellers has paid in excess of their obligations pursuant to this Section or (ii) decreased by the amount Sellers owes in respect of their obligations pursuant to this Section, as applicable; provided, however, that the adjustments provided for in this Section 2.6(c) will be made without duplication to other adjustments under Sections 2.6 or 2.8.

(d) The adjustments provided for in this Section 2.6 will be made without duplication. In addition, none of the adjustments provided for in this Section 2.6 will be made with respect to any Excluded Asset, Retained Liability or with respect to any item of income or expense related to an Excluded Asset or Retained Liability.

Section 2.7. Closing Statement.

(a) At least ten (10) business days prior to the Closing Date, Sellers will deliver to Buyer a statement setting forth Sellers' good faith estimate of the adjustments to the Purchase Price pursuant to this Agreement and the resulting Purchase Price, all estimated, to the extent reasonably practicable, as of the Effective Time (the "Preliminary Closing Statement"). The Purchase Price as determined on an estimated basis in accordance with the provisions of Section 2.6 is referred to in this Agreement as the "Estimated Purchase Price." Sellers will make available to Buyer all information that Buyer reasonably requests, and is reasonably available to Sellers, supporting Sellers' estimate of the adjustments to the Purchase Price determined as of the Effective Time set forth in the Preliminary Closing Statement. If Buyer determines reasonably and in good faith that the adjustments to the Purchase Price included in the Preliminary Closing Statement do not accurately reflect the adjustments to the Purchase Price as of the Effective Time determined in accordance with Section 2.6, Buyer will give written notice to Sellers within five (5) business days after receipt of the Preliminary Closing Statement by Buyer setting forth in reasonable detail any objections of Buyer to the Preliminary Closing Statement and Buyer's calculations supporting such objections. Buyer and Sellers will negotiate in good faith to settle any differences with respect to the Preliminary Closing Statement prior to the Closing, and any amounts agreed upon by Buyer and Sellers will be reflected in the

Preliminary Closing Statement used for purposes of determining the Estimated Purchase Price at the Closing. To the extent that Buyer and Sellers are unsuccessful in settling the amounts of any items in dispute prior to the Closing, then the amounts for such disputed items will be incorporated into the Final Closing Statement and resolved pursuant to Section 2.7(e) below. In no event will the Closing be delayed as a result of any dispute with respect to the Preliminary Closing Statement, which dispute will be resolved after the Closing in accordance with the subsequent provisions of this Section 2.7.

(b) Not later than 60 business days following the Closing Date, Sellers will deliver to Buyer a statement substantially in the form of the Preliminary Closing Statement setting forth Sellers' determination of the adjustments to the Purchase Price pursuant to this Agreement and the resulting Purchase Price, all determined as of the Effective Time in good faith and on a reasonable basis (the "Final Closing Statement"). Sellers will make available to Buyer all information that Buyer reasonably requests supporting Sellers' calculation of the adjustments to the Purchase Price as of the Effective Time set forth in the Final Closing Statement.

(c) Following receipt of the Final Closing Statement and all other information referred to in Section 2.7(b), Buyer will have 30 business days to review such information and to notify Sellers in writing of any disagreement with Sellers' calculations, which notice will specify in reasonable detail the nature and extent of such disagreement and Buyer's calculations supporting such objections.

(d) If Buyer fails to provide a written notice of disagreement with Sellers' calculations of the adjustments to the Purchase Price pursuant to this Agreement and the resulting Purchase Price within the period specified in Section 2.7(c), Sellers' calculations thereof in the Final Closing Statement delivered pursuant to Section 2.7(b) will be final, conclusive, and nonappealable.

(e) If Buyer provides a written notice of disagreement with any of Sellers' calculations in the Final Closing Statement within the period specified in Section 2.7(c), Buyer and Sellers will negotiate in good faith to resolve any such dispute for a period of 30 business days following such notice. At the end of such period, if the dispute has not been resolved or the negotiation period has not been extended by agreement between Buyer and Sellers, the dispute will be referred to an independent public accounting firm (the "Independent Accountant") selected by agreement of Buyer and Sellers (or, if Buyer and Sellers cannot agree to the selection of the Independent Accountant within ten business days after the end of such negotiation period, the Independent Accountant will be selected by agreement of M. Green and Company LLP and PricewaterhouseCoopers). The Independent Accountant will render its decision as to whether Buyer's position is correct, Sellers' position is correct, or some position between the two is correct (together with an explanation of the basis therefor) to Buyer and Sellers not later than 30 days following submission of the dispute to it (unless Buyer, Sellers and the Independent Accountant agree upon a later date), which decision will be final, conclusive, and nonappealable and will be binding on Buyer and Sellers. The costs of the Independent Accountant will be paid one-half by Buyer and one-half by Sellers.

(f) Except as otherwise provided herein, Sellers and Buyer (and the Independent Accountant, if applicable) will make the calculations required pursuant to this Section 2.7 in a manner consistent with GAAP.

(g) If the Purchase Price as finally determined pursuant to this Section 2.7 is less than the Estimated Purchase Price, then Sellers will pay an amount equal to the difference between the Estimated Purchase Price and the Purchase Price to Buyer within five (5) business days after the Purchase Price is finally determined by wire transfer of immediately available funds to an account designated by Buyer. If the Purchase Price as finally determined is greater than the Estimated Purchase Price, then Buyer will pay an amount equal to the difference between the Purchase Price and the Estimated Purchase Price to Sellers within five (5) business days after the Purchase Price is finally determined by wire transfer of immediately available funds to an account designated by Sellers.

Section 2.8. Closing.

(a) Subject to the terms of this Agreement, the consummation of the sale and purchase of the Assets pursuant to this Agreement and the assumption of the Assumed Liabilities (the “Closing”) shall take place through electronic exchange of executed documents (with original versions of documents to be delivered promptly after the Closing) on the tenth (10th) business day after the later of (i) the FCC Consent becoming a Final Order subject to waiver by the Buyer or (ii) the Authorization Order being entered, subject to the satisfaction or waiver of the conditions to Closing set forth herein (other than those conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of those conditions at such time), or on such other date or at such other location as is mutually agreeable to Buyer and Sellers. If the Closing shall not have occurred within the original effective period of the FCC Consent as a result of restrictions on Closing, if any, arising from the Federal Television Broadcast Spectrum Auction, the Sellers and Buyer shall jointly request one or more extensions of the effective period of the FCC Consent and neither Sellers nor Buyer shall be entitled use the auction related delay as a basis for termination of this Agreement under Article X. If the Closing shall not have occurred for any other reason within the original effective period of the FCC Consent and neither Sellers nor Buyer shall have terminated this Agreement under Article X hereof, Buyer and Sellers shall jointly request one or more extensions of the effective period of the FCC Consent; provided, however, that no such extension of the FCC Consent shall limit the right of either Sellers or Buyer to exercise such party’s rights under Article X.

(b) The date on which the Closing occurs is referred to herein as the “Closing Date.” The “Effective Time” for purposes of this Agreement shall be 12:01 a.m. local time for the Stations on the Closing Date.

After the Closing, Sellers shall have no right to control the Stations, and Sellers shall have no reversionary rights in the Stations.

Section 3.4. Bankruptcy and Nebraska Television Auction. David P. Stapleton (“DPS”) is the successor trustee of the Pappas Liquidating Trust, which was established on December 21, 2011, by order of the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”) in Chapter 11 Case No. 08-10949 (PJW). The Pappas Liquidating Trust is the sole owner of the capital stock of Pappas Telecasting Companies, a Nevada Corporation (“PTC”) and the equity interests in Pappas GP, LLC, a Delaware limited liability company (“Pappas GP”). PTC and Pappas GP are general partners of PTCN. The Pappas Liquidating Trust is the ultimate owner of Lincoln OpCo, the sole member of KFXL Television LLC, which is the sole member of LBC. On August 21, 2015, the Bankruptcy Court entered the Order (I) Approving Bid and Sale Procedures for Nebraska Television Assets and (II) Scheduling an Auction and Sale Hearing (the “Bidding Procedures Order”). The purchase and sale of the Assets will be in accordance with the Bidding Procedures Order including an auction (the “Nebraska Television Auction”) to be conducted by DPS for the Assets. Prior to completion of the Auction and entry of the Authorization Order, nothing contained herein shall be construed to prohibit DPS and his representatives and agents from soliciting, considering, negotiating, agreeing to, or otherwise taking action in furtherance of, any Competing Transaction. Entry of the Authorization Order by the Bankruptcy Court is an express condition of the Closing.

(g) Except as set forth on Schedule 4.7(g), each parcel of Real Property has direct access to and from public roads adjoining the Real Property. There are presently in existence water, sewer, gas and/or electrical lines or private systems on the Real Property which have been completed, installed and paid for and which are operational and sufficient to service

Schedule 4.9(b) sets forth those Contract defaults which are in excess of \$10,000 individually and \$25,000 in the aggregate. Buyer shall not be liable for payment of any amounts due and payable under a Contract for any period prior to the Effective Time (whether or not set forth on Schedule 4.9(b)) after the Closing.

Each Government Authorization is in full force and effect, has not been revoked, suspended, canceled, rescinded or terminated, has not expired, and constitutes the valid, legal, binding and enforceable obligation of Sellers. To Sellers' knowledge, Sellers are not in breach or default of any material terms or conditions thereunder. No qualifications, registrations, filings, privileges, franchises, licenses, permits, approvals or authorizations, other than the Government Authorizations, are required in order for Sellers to own and operate the Stations in the manner operated on the date hereof. Sellers have complied in all material respects with all requirements of the FCC and the Federal Aviation Administration with respect to Sellers' operations on the Stations' antenna structures. To Seller's Knowledge, none of the Stations receives material interference from another television broadcast station or cause material interference to another television broadcast station, except to the extent permitted by the Communications Laws.

To Sellers' knowledge, there are no facts or circumstances related to Sellers that might reasonably be expected to (a) result in the FCC's refusal to grant the FCC Consent or (b) materially delay obtaining the FCC Consent. Sellers shall take no action during the term of this Agreement which would reasonably be expected to materially delay the grant of the FCC Consent.

Section 4.12. Litigation. Sellers are not (a) subject to any Proceeding that requires Sellers or any of them to take any action with respect to the Assets or the operation of the Business, or to which Sellers or any of them, the Business, the Stations or the Assets are subject

Each Benefit Plan that

With respect to each Benefit Plan to which Sellers are obligated to contribute, all contributions for all periods ending prior to or on the Closing Date shall have been made or will be made by Sellers, or their Affiliates.

(c) None of the Station Employees participate, or have participated in within the past five years, and Sellers do not contribute, are not obligated to contribute, and have not been obligated to contribute to, a “multiemployer plan” within the meaning of Section 3(37) of ERISA on behalf of the Station Employees.

To the extent that either Sellers or Buyer is so obligated by law or any rule or regulation of any securities exchange upon which the securities of such party are listed or traded, in which case such party shall give advance notice to the other, such party shall make such disclosure and shall not characterize the transactions hereunder in any manner inconsistent with the mutually agreeable announcement.

Section 6.3. Consents. Sellers will use their commercially reasonable efforts to obtain all consents from third parties whose consent or approval is required pursuant to any Contract or Real Property Lease, prior to the Closing Date. Sellers shall advise Buyer of any difficulties experienced in obtaining such consents and of any conditions requested for any of such consents. To the extent that any Contract or Real Property Lease may not be assigned without the consent of any third party, and such consent is not obtained prior to Closing, this Agreement and any assignment executed pursuant hereto shall not constitute an assignment thereof, but to the extent permitted by law shall constitute an equitable assignment and assumption of rights and obligations under the applicable Contract or Real Property Lease, with Sellers making available to Buyer the benefits thereof and Buyer performing the obligations thereunder on Sellers' behalf. Buyer and Sellers shall cooperate to use commercially reasonable efforts after the Closing Date to obtain consents to assign such Contracts or Real Property Leases. Notwithstanding the

foregoing, it is understood and agreed that the receipt of written consents to the assignment of those Contracts listed on Schedule 6.3 (each such consent a “Required Consent”) shall be a condition of each party’s obligations to consummate the transactions contemplated hereby.

Section 6.4. Operation of Business Pending Closing. Between the date hereof and the Closing, except as permitted by this Agreement or required by applicable law or the regulations or requirements of any regulatory organization applicable to Sellers or any of them, unless Buyer otherwise consents in writing, Sellers shall:

(a) operate the Assets and conduct Sellers’ operations of the Stations and the Business in the ordinary course and in all material respects in accordance with the Communications Laws and with all other applicable Legal Requirements, including using commercially reasonable efforts to preserve and maintain the Business’ goodwill, business, customer and employee relationships, licenses and franchises and to promote the Stations and the programming of the Stations (both on-air and using third party media) in the ordinary course of business, taking into account inventory availability;

(e) except for agreements and contracts which will be terminable by Buyer, without penalty, upon notice of sixty (60) days or less, not enter into any agreement or contract (i) (x) for the use of any digital subchannel of the any of the Stations or (y) that would have been a Contract were Sellers or any of them a party or subject thereto on the Agreement Date, (ii) amend in any material respect any Contract unless such amendment is (A) effected in the Ordinary Course of Business (B) does not increase the amount of payments to be made by Sellers during any twelve (12) month period by Twenty Five Thousand Dollars (\$25,000.00) for any individual agreement or One Hundred Thousand Dollars (\$100,000.00) in the aggregate or more and (C) is not to a retransmission consent agreement covering more than 2,000 subscribers and/or for a term of more than 2 years and/or which includes terms that would prevent Buyer from adding such retransmission consent agreement to Buyer’s retransmission consent agreement with the same MVPD, or (iii) terminate or waive any material right under any Contract other than in the Ordinary Course of Business (excluding the expiration of any Contract in accordance with its terms) (it being understood that if any such entry into, or amendment or termination of any such agreement or contract is permitted pursuant to this Section 6.4 as a result

of the references to acts taken in the Ordinary Course of Business, but such action would otherwise be prohibited by any other provision of this Section 6.4, then this Section 6.4 shall not be interpreted to permit such action without the prior written consent of Buyer as contemplated hereby);

(f) make payments under the Contracts when and as due;

(g) maintain in full force and effect policies of insurance of the same type and character as the policies in place as of the date of this Agreement, and in such coverage amounts as Sellers shall deem necessary and reasonable with respect to the Assets;

(h) maintain their qualifications to hold the FCC Licenses with respect to the Stations and not take any action that will materially impair such FCC Licenses or such qualifications, or cause the grant of FCC Consent to be materially delayed;

(i) except in the ordinary course of business and consistent with past practices, not (i) hire, terminate or transfer any other Station Employee, excluding any terminations for "cause" as reasonably determined by Sellers, (ii) enter into any employment agreement with a new employee or amendment to employment agreement with a Station Employee providing for annual compensation in excess of \$20,000, (iii) enter into any severance agreement, and (iv) enter into any labor, or union agreement or plan without Buyer's consent which, in addition to not being unreasonably withheld, conditioned or delayed, shall be provided consistent with Sellers' legal obligations, including their good faith bargaining obligations (provided, however, Sellers shall notify Buyer promptly of all such bargaining and allow Buyer to give Sellers its input with respect to any negotiations, subject to Sellers' good faith bargaining obligations);

(j) not (i) other than salary increases for Station Employees in the Ordinary Course of Business consistent with past practice, or pursuant to written Employment Agreements provided to Buyer, increase the compensation to any Station Employee, or (ii) modify any severance policy applicable to any Station Employee that would result in any increase in the amount of severance payable to any such employee (or would expand the circumstances in which such severance is payable);

(k) not communicate to any Station Employee any information regarding the prospective terms and conditions of his or her employment with Buyer which is not expressly stated in this Agreement;

(l) make any change to Sellers' accounting procedures, policies and practices, except as required by Legal Requirement;

that such access rights shall not be exercised in a manner that unreasonably interferes with the operation of the Business; and

(o) not agree, commit or resolve to take any actions inconsistent with the foregoing.

Section 6.5. Notice. Each Party will give prompt written notice to the other Party of any fact or condition that causes or constitutes a breach of any of the representations and warranties in this Agreement, or of any action, suit, proceeding or investigation that is instituted or threatened against such Party to restrain, prohibit or otherwise challenge the legality or propriety of any transaction contemplated by this Agreement. Without limiting the foregoing, Sellers shall give Buyer prompt written notice of the occurrence of any of the following events of which Sellers or any of them has knowledge:

(a) (i) the commencement of any proceeding before the FCC or any other Governmental Authority involving any of the FCC Licenses, other than proceedings or litigation of general applicability to the television broadcasting industry that do not have a disproportionate impact on the Business or the Stations as compared with other broadcast television stations generally, and (ii) receipt of written communications from the FCC regarding the Assets, the Stations or the FCC Licenses;

(b) any event, fact or circumstance which has resulted or would reasonably be expected to result in the material failure of any of the representations and warranties of Sellers contained in this Agreement to be true and correct as of the Agreement Date and at and as of the Closing;

(c) any event, fact or circumstance which has resulted or would reasonably be expected to result in the failure of any condition set forth in Sections 8.1 or 8.2 to be satisfied prior to the Closing Date; and

(d) any Event of Loss involving assets or property having a book value, or replace or repair cost, of at least \$25,000.

Section 6.6. Tax Matters.

(a) All material Tax Returns, estimates, and reports with respect to the Assets or operation of the Business that are required to be filed by Sellers prior to the Closing Date, or relating to a Pre-Closing Tax Period, as applicable, will be timely filed when due with the appropriate taxing authorities or extension requests will have been timely filed and, if applicable, granted. All material Taxes pertaining to Sellers' ownership of the Assets or Sellers' operation of the Business prior to the Closing Date will be paid by Sellers when due and payable unless protested in good faith.

(b) Buyer and Seller shall each pay one-half of all governmental Taxes, fees and charges applicable to the transfer of the Assets under this Agreement (including sales, use and real or personal property transfer taxes and the costs of recording or filing all applicable conveyance instruments) (collectively, "Transfer Taxes"). The parties will cooperate in the

preparation, execution and filing of all Tax Returns regarding Transfer Taxes and in seeking or perfecting any available exemption from Transfer Taxes.

(c) To the extent not otherwise taken into account as an adjustment to the Purchase Price pursuant to Section 2.6, Sellers shall be responsible for and shall promptly pay when due all Property Taxes attributable to a Pre-Closing Tax Period. All Property Taxes levied for the Straddle Period shall be apportioned between Buyer and Sellers based on the number of days of such Straddle Period included in the Pre-Closing Tax Period and the number of days of such Straddle Period included in the Post-Closing Tax Period. Sellers shall be liable for the proportionate amount of such Property Taxes that is attributable to the Pre-Closing Tax Period, and Buyer shall be liable for the proportionate amount of such Property Taxes that is attributable to the Post-Closing Tax Period. Upon receipt of any bill for such Property Taxes, Buyer or Sellers, as applicable, shall present a statement to the other setting forth the amount of reimbursement to which each is entitled under this Section 6.6(c) together with such supporting evidence as is reasonably necessary to calculate the proration amount. The proration amount shall be paid by the party owing it to the other within ten (10) days after delivery of such statement. In the event that Buyer or Sellers makes any payment for which it is entitled to reimbursement under this Section 6.6(c), the applicable party shall make such reimbursement promptly but in no event later than ten (10) days after the presentation of a statement setting forth the amount of reimbursement to which the presenting party is entitled along with such supporting evidence as is reasonably necessary to calculate the amount of reimbursement.

Section 6.7. Retransmission Consent. Sellers have timely made election for retransmission consent for each of the full power stations with all MVPDs operating in the Stations' DMAs in compliance with the Communications Laws. Copies of all retransmission consent agreements have been made available in the Data Room.

ARTICLE VII OTHER MATTERS

Section 7.1. Confidentiality. Each of Buyer (prior to the Closing) and Sellers (from and after the Closing) will maintain in strict confidence, and will cause its directors, officers, employees, agents, and advisors to maintain in strict confidence, any confidential information furnished pursuant to this Agreement by Sellers and any data and information relating to the Business, customers, financial statements, conditions or operations of the Business which is confidential in nature and not generally known to the public, unless (a) such information is already known to such Person or to others not bound by a duty of confidentiality or such information becomes publicly available through no action of such Person in violation of this Section 7.1, (b) the use of such information is necessary in making any filing or obtaining any consent or approval required for the consummation of the transactions contemplated by this Agreement, or (c) the furnishing or use of such information is required by or necessary in connection with any Proceeding, applicable requirements of any stock exchange, or applicable Legal Requirement.

Section 7.2. Employees.

(a) Sellers shall provide Buyer with an updated Schedule 4.15(a) not later than twenty days prior to the Closing Date. On the transfer date, Sellers shall assign to Buyer, and Buyer shall assume from Sellers (and Buyer shall thereafter pay, perform, discharge or otherwise satisfy in accordance with their respective terms) all Liabilities arising out of, or attributable to, any period of time after 12:01 a.m. on such date, with respect to the Employment Contracts.

(b) Buyer shall offer employment in accordance with the provisions of this Section 7.2 to each active Station Employee listed on Schedule 4.15(a) effective on the Closing Date. Notwithstanding the foregoing, the offers of employment to any Station Employee who is covered by an Employment Contract shall take the form of assuming such Employment Contract and otherwise shall be made in accordance with the terms and conditions set forth in the applicable Employment Contract. Buyer's offer of employment to each Station Employee who is not actively employed as of the applicable effective date (the "Inactive Employees") shall be made promptly when such Inactive Employee is eligible to return to active service pursuant to Legal Requirements. Employees whose employment with Sellers terminates and who accept or are treated by Buyer as accepting such offers of employment by and actually commence employment with Buyer in accordance with this Section 7.2 are referred to collectively herein as the "Transferred Employees."

(c) Unless otherwise provided under the terms of an Employment Contract, each Transferred Employee shall be employed by Buyer on an at will basis and nothing shall prohibit Buyer from terminating the employment of any such Transferred Employees at any time after the applicable effective date of their employment with Buyer or changing any of the terms and conditions of employment related to such Transferred Employees at any time, except for such changes that are inconsistent with Buyer's obligations as set forth in this Section 7.2.

(d) If any Station Employee to whom Buyer has offered employment in accordance with this Section 7.2 does not consent to employment with Buyer or for any other reason (other than rescission of such offer by Buyer) does not commence employment with Buyer and if any severance benefits are owed to such employee as a result, such severance benefits will be paid by Sellers.

(e) Buyer shall permit Transferred Employees (and their spouses and dependents) to participate in its "employee welfare benefit plans" (including without limitation health insurance plans) and "employee pension benefit plans" (as defined in Section 3(1) and 3(2) of ERISA, respectively) in which similarly situated employees of Buyer are generally eligible to participate, with coverage effective immediately on the applicable effective date of their employment with Buyer (and without exclusion from coverage on account of any pre-existing condition under a group health plan except to the extent such persons were subject to such pre-existing condition limitations under Sellers' group health plan(s)). Station Employees' service with Sellers (and any predecessors of Sellers) will be deemed as service with Buyer for purposes of eligibility, waiting periods, vesting periods (but not benefit accrual) based on length of service, and calculation of vacation and severance benefits, if applicable. All Transferred

Employees shall be covered under Buyer's employee welfare benefit plans by no later than the first day of the first full month following the Effective Date.

(f) Effective as of the applicable effective date of their employment with Buyer or the payroll period ending immediately thereafter, Sellers shall have contributed to Sellers' 401(k) plan(s) all matching or other employer contributions, if any, with respect to the Transferred Employees' employment service rendered prior to the applicable effective date of their employment with Buyer (irrespective of any end-of-year service requirements otherwise applicable to such contributions) and cause any matching and other employer contribution amounts of all Transferred Employees under the Sellers' 401(k) plan(s) to become fully vested as of such date. Sellers shall take all actions necessary or appropriate to ensure that under the terms of the Sellers' 401(k) plan(s), each Transferred Employee with an account balance is eligible to receive a distribution as a result of their separation from employment with Sellers. From and after the applicable effective date of their employment with Buyer, Buyer shall permit each Transferred Employee who participates in Sellers' 401(k) plan(s) to elect to make direct rollovers of their account balances into Buyer's 401(k) plan, including any employee loan balances, subject to compliance with applicable law and subject to the reasonable requirements of Buyer's 401(k) plan.

(g) Each Transferred Employee will be credited under Buyer's vacation and sick leave policies with such prorated vacation and sick time as available to such Transferred Employee under Buyer's employment policies afforded to similarly situated employees of Buyer, (after giving credit for service with Sellers and their predecessors and Affiliates, provided that vacation and sick time shall only begin to accrue as of the Effective Time) for the portion of the calendar year following the effective date of their employment with Buyer. For purposes of clarity, no Transferred Employee will be credited with any unused vacation, sick or other leave time accrued by such employee under Sellers' policies and it shall be solely Sellers' obligation to pay to each such Transferred Employee the cash value of such unused vacation as required by applicable Legal Requirements. Sellers agree to make such payments as may be required pursuant to this Section 7.2(g) not later than five business days after the Closing Date.

(h) All workers' compensation obligations relating to, arising out of or resulting from any claim by any Station Employee that results from an injury that occurred prior to the effective date of their employment with Buyer shall be retained by Sellers. All workers' compensation obligations relating to, arising out of or resulting from any claim by a Transferred Employee that results from an injury that occurs after the effective date of their employment with Buyer shall be the exclusive responsibility of the Buyer. Sellers further agree that Buyer shall have no obligation to provide any disability or other benefits or compensation to any Station Employee unless and until they become a Transferred Employee.

(i) Buyer or its Affiliates will have responsibility for complying with the continuation coverage requirements under Section 4980B of the Code ("COBRA") solely for the Transferred Employees from and after the Closing Date. Without limiting the generality of the foregoing, Buyer shall have no responsibility at any time arising under or in connection with COBRA with respect to any individual who is a former employee of Sellers as of immediately prior to the Closing Date.

(j) Provided that Sellers provide Buyer with the information required to be set forth in Schedule 4.15(d), Buyer will indemnify and hold harmless Sellers from any Liabilities arising under the WARN Act due, in whole or in part, to Buyer's actions or omissions occurring after the Closing Date. Sellers shall indemnify and hold harmless Buyer from any Liabilities arising under the WARN Act due to (i) Sellers' actions or omissions occurring prior to or on the Closing Date or (ii) Buyer's reliance upon any inaccuracy in the information set forth in Schedule 4.15(d).

(k) The parties expressly acknowledge and agree that (A) all of the foregoing provisions of this Section 7.2 shall be subject to the terms and conditions of any benefit or compensation plan, program, agreement, contract, policy or arrangement of Buyer, and (B) nothing contained in this Section 7.2 or any other provision of this Agreement, shall (i) be construed to establish, amend, or modify any benefit or compensation plan, program, agreement, contract, policy or arrangement of Sellers or Buyer, (ii) limit the ability of Buyer or any of its Affiliates to amend, modify or terminate any benefit or compensation plan, program, agreement, contract, policy or arrangement at any time assumed, established, sponsored or maintained by any of them, (iii) create any third-party beneficiary rights or obligations in any Person (including any Station Employee or Transferred Employee) other than the parties to this Agreement or create a contract between Buyer, Sellers, or any of their respective Affiliates on the one hand and any employee of Sellers on the other hand, and no employee of Sellers may rely on this Agreement as the basis for any breach of contract claim against Buyer or Sellers, (iv) be deemed or construed to require Buyer or any of its Affiliates to continue to employ any particular employee of Sellers for any period after the Closing Date, or (v) be deemed or construed to limit Buyer's or any of its Affiliates' right to terminate the employment of any Transferred Employee during any period on or after the applicable effective date of their employment with Buyer or confer on any Person any right to employment or continued employment or to a particular term or condition of employment with Buyer or any of its Affiliates.

Section 7.3. Title Commitments and Surveys.

(a) Title Insurance. Between the Agreement Date and the Closing Date, Buyer, with the cooperation of Sellers but at Buyer's sole expense, may obtain title commitments for each Real Property, issued by a title insurance company reasonably satisfactory to Buyer (the "Title Company"), together with legible photocopies of all recorded items described as exceptions therein (the "Title Commitments"), committing to insure fee simple title in Buyer to each parcel of Owned Real Property (collectively, the "Commitment Properties"), subject only to Permitted Encumbrances. Sellers shall use their commercially reasonable efforts to assist Buyer in obtaining the Title Commitments, title policies and Surveys within the time periods set forth herein, including, without limitation, removing from title any liens or encumbrances which are not Permitted Encumbrances. If Buyer notifies Sellers within 30 days after the Agreement Date of any Encumbrance (other than a Permitted Encumbrance), Sellers will exercise commercially reasonable efforts to, at Sellers' election, remove such Encumbrance or cause the Title Company to commit to insure over each such Encumbrance prior to the Closing. Each Party will deliver such reasonable affidavits and other customary closing documents as are required by the Title Company in order to issue title policies or to delete or insure over any Encumbrances. Buyer shall pay all fees, costs and expenses with respect to the Title Commitments and title policies; provided, however, Sellers shall be solely responsible for all fees, costs and expenses associated

with the cure of, or Title Company's insurance over, any Encumbrance. Notwithstanding the foregoing, all parcels of Owned Real Property shall be conveyed to Buyer by special warranty deed (without any exception noted thereon other than Permitted Encumbrances), .

(b) Surveys. If required by Buyer's lender or the Title Company, Buyer, with the cooperation of Sellers, will obtain a survey for each Commitment Property, dated no earlier than the Agreement Date, prepared by a licensed surveyor reasonably satisfactory to Buyer (the "Surveys"). The Surveys shall be completed within 30 days after the Agreement Date Sellers shall have no obligation to cure any Survey Defects. A "Survey Defect" means any encroachment from or onto any of the Real Property or any portion thereof or any other survey defect, other than a Permitted Encumbrance, and which in any such case results or would reasonably be expected to result in a material adverse effect to Buyer's use of the parcel of Owned Real Property. Buyer shall pay all fees, costs and expenses with respect to the Surveys.

Section 7.4. Environmental Assessments.

(a) Phase I Investigations. Within 45 days from the Agreement Date (the "Phase I Time Period"), Buyer shall have the right, at its sole cost and expense, to engage an environmental consulting firm (the "Environmental Consultant") and to conduct and complete a Phase I Environmental Site Assessment and Compliance Review, as such terms are commonly understood (a "Phase I Environment Assessment"), with respect to the Owned Real Property, provided such assessment shall be conducted only (i) during regular business hours, (ii) with no less than two business days prior written notice to Sellers, and (iii) in a manner which will not unduly interfere with the operation of the Stations or the use of access to or egress from the Real Property.

(b) Phase II Investigations. If (i) any Phase I Environmental Assessment conducted pursuant to Section 7.4(a) above identifies a Recognized Environmental Condition (as such term is defined in the American Society of Testing and Materials' (ASTM) *Standards Practice for Environmental Site Assessments: Phase I Environmental Assessment Process*, E-1527-05) or any potential regulatory compliance violations, or the Environmental Consultant reasonably recommends further environmental investigatory or other corrective action in connection with the Owned Real Property, and (ii) Buyer delivers to Sellers a Phase I site assessment report and a recommendation for additional environmental investigations (the "Phase II Inspection") within 60 days from the Agreement Date, Buyer shall have the right, at its sole expense, subject to Sellers' approval set forth below, until 45 days from the expiration of the Phase I Time Period (the "Phase II Time Period"), to conduct the Phase II Inspection. Buyer shall provide to Sellers, within ten days following the Phase II Time Period, a copy of the Phase II report. All materials prepared or generated as part of the Phase I Environmental Assessment and the Phase II Investigation shall be considered and treated as confidential information pursuant to Section 7.1.

(i) Any Phase II Inspection shall be conducted only (A) during regular business hours upon reasonable notice to Sellers, (B) with no less than two business days prior written notice to Sellers, and (C) in a manner which will not unduly interfere with the operation of the Stations or the use of, access to or egress from the Real Property.

(ii) Any Phase II Inspection shall be performed in a professional and workmanlike manner. Buyer shall be responsible for obtaining all permits or other authorizations required to perform the work.

(iii) All individuals accessing the Real Property shall be properly licensed to perform the activities to the extent of any applicable Legal Requirements.

(iv) To the extent and in the event that any investigation-derived wastes resulting from the Phase II Investigation are required under applicable Environmental Laws to be treated or disposed of at an off-site location, Buyer shall so notify Sellers in writing. Buyer shall be responsible for identifying and recommending facilities which are authorized to accept such materials for treatment or disposal, and potential transporters to such facilities. Sellers shall be responsible for the selection of the treatment or disposal facility. The cost associated with such off-site transportation, treatment, or disposal shall borne by Sellers. Any manifests required to be executed as part of such activities shall be done by Sellers, or if Buyer executes such manifests at Sellers' request, Sellers shall indemnify Buyer for any liabilities arising from Buyer execution of the manifests.

(c) Buyer or Sellers may, in their discretion, provide the other Party with a response cost estimate ("Environmental Work Cost Estimate") to address any Recognized Environmental Condition, contamination, or regulatory compliance matter Buyer believes to be present on the Real Property or any other condition for which the Environmental Consultant has reasonably recommended further investigatory or other corrective action (the "Environmental Work"). The Environmental Work Cost Estimate shall set forth in reasonable detail the basis for such estimate and any supporting documentation. The Environmental Work shall be designed to meet the least stringent standards or requirements so as not to be a violation under applicable Environmental Laws. The cost associated with such Environmental Work shall borne by Sellers.

Section 7.5. Allocation of Consideration. All amounts constituting consideration within the meaning of and for the purposes of Section 1060 of the Code and the regulations thereunder shall be allocated among the Assets and any other rights acquired by Buyer hereunder, as applicable, in the manner required by Section 1060 of the Code. Promptly, and in any event within two hundred forty (240) days after the Closing, each of Buyer and Sellers shall provide information to the other, including any appraisal or allocation performed by a third party, regarding the providing party's proposed allocation of the Purchase Price in accordance with the requirements of Section 1060 of the Code, and, if the parties reach agreement with respect to such allocation, then each party agrees to complete and timely file IRS Form 8594 (or any successor form), to file all income Tax Returns in accordance with such agreed allocation, and to take no action inconsistent with such agreed allocation. If the parties do not reach agreement with respect to such allocation, then the parties shall have no further obligation under this Section 7.5 and each party shall make its own determination of such allocation for financial and Tax reporting purposes.

Section 7.6. Conveyance Free and Clear of Encumbrances. Except for Permitted Encumbrances or as otherwise provided in this Agreement, at or prior to the Closing, Sellers shall obtain the release of all Encumbrances on the Assets, and shall duly file releases of all such Encumbrances in each governmental agency or office in which any such Encumbrance or

evidence thereof shall have been previously filed, and Sellers shall transfer and convey, or cause to be transferred and conveyed, to Buyer at the Closing good and marketable title to all of the Assets free and clear of all Encumbrances, except for Permitted Encumbrances. Buyer with the cooperation of Sellers but at Buyer's sole cost may obtain lien search reports prepared by an independent, nationally recognized reporting service dated no earlier than 15 days prior to the Closing, reflecting the results of UCC, tax and judgment lien searches conducted at Secretary of State offices of the State of Nebraska on PTCN and Delaware on LBC and Lincoln OpCo. Buyer shall deliver copies of such lien search reports to Sellers upon receipt.

Section 7.7. Receivables.

(a) On or as soon as practicable after the Closing Date, but in no event later than five (5) Business Days after the end of the month in which the Closing occurs, Sellers will deliver to Buyer statements setting forth the outstanding Receivables as of the Closing Date. Effective as of the Closing Date, Sellers shall assign to Buyer all of the Receivables solely for purposes of collection thereof as provided below.

(b) Subject to the terms and provisions in this Section 7.7, Buyer will collect the Receivables in the same manner and with the same diligence that Buyer uses to collect its own accounts receivables for a period of 90 days following the Closing Date (the "Collection Period"). Buyer will not be obligated to, and without the prior written consent of Sellers will not, institute litigation, employ any collection agency, legal counsel, or other third party, or take any other extraordinary means of collections or pay any expenses to third parties to collect the Receivables. All amounts collected by Buyer after the Closing from an account debtor will be applied first to the Receivables of such account debtor in the order of their origination, unless the account debtor disputes such Receivable or designates payment of a different Receivable in writing. If during the Collection Period a dispute arises with regard to an account included among the Receivables, Buyer shall promptly advise Sellers thereof and may (or, if requested by Sellers, or any of them shall) return that account to Sellers. Buyer shall not issue any credit or accommodation against any Receivable without the prior written consent of Sellers.

(c) Within 14 days after the end of each month during the Collection Period, Buyer will deliver to Sellers a written report with respect to the collections made with respect to the Receivables. Such report shall be accompanied by a payment to Sellers of the amount by which the collected Receivables received during such month.

(d) Within 14 days after the end of the Collection Period, Buyer shall deliver to Sellers a final written report ("Final Report") which report shall be accompanied by a final payment to Sellers of the amount of the Receivables collected during the Collection Period less any interim amounts theretofore remitted to Sellers. The Final Report shall contain (i) a statement of accounts for each account prepared substantially in the manner in which Buyer has heretofore prepared such report and (ii) a Receivables aging report for the Stations. Following the Collection Period, any outstanding Receivables shall be and remain Sellers and Sellers shall be entitled to collect such Receivables in any manner it sees fit.

(e) Buyer's obligation to collect Receivables will terminate on the last day of the Collection Period. Any clearly identifiable Receivables received by Buyer after the end of

the Collection Period will be paid over or forwarded to Sellers within 30 days after the end of the month in which such amount was received by Buyer.

(f) Effective upon the Closing Date, Sellers hereby appoint Buyer the true and lawful attorney for Sellers with full power of substitution, in the name of Buyer or the name of Sellers but in any event on behalf of and for the benefit of Sellers, to collect the Receivables, to endorse, without recourse, checks, notes and other instruments in the name of Sellers and to do all such further acts and things in relation thereto as is contemplated by this Section 7.7. Sellers further authorize Buyer and its officers to receive and open all mail, telegrams, packages, electronic mail and other communications that are addressed to Sellers and that relate to the Business, and to reply to such communications with copies to Sellers. The preceding sentence constitutes full authorization to the postal authorities, express courier companies and other persons to make delivery of such communications directly to Buyer or to persons specified by Buyer. Sellers confers this authority upon Buyer and its officers on the condition that Buyer shall promptly forward to Sellers all such mail, telegrams, electronic mail and other communications that do not relate solely to the Business or the Assets.

ARTICLE VIII CONDITIONS TO CLOSING

Section 8.1. Conditions to Obligation of Buyer. The obligation of Buyer to consummate the Closing hereunder is subject to satisfaction, at or prior to the Closing, of each of the following conditions (unless waived in writing by Buyer):

(a) Representations and Covenants.

(i) All representations and warranties of Sellers contained in this Agreement shall be true and correct as of the Agreement Date and at and as of the Closing Date (other than any representation or warranty that is expressly made as of a specified date, which need be true and correct as of such specified date only), except to the extent that the failure of the representations and warranties of Sellers contained in this Agreement to be so true and correct at and as of the Agreement Date or the Closing Date (or in respect of any representation or warranty that is expressly made as of a specified date, as of such date only) has not had and would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the Business, provided, that for purposes of this Section, all materiality or similar qualifiers within such representations and warranties shall be disregarded.

(ii) The covenants and agreements that by their terms are to be complied with and performed by Sellers at or prior to Closing shall have been complied with or performed by Sellers in all material respects.

(iii) Buyer shall have received a certificate dated as of the Closing Date from Sellers executed by an authorized officer or member of each of the Sellers to the effect that the conditions set forth in Sections Section 8.1(a)(i) and (ii) have been satisfied.

(b) Proceedings. None of Sellers nor Buyer shall be subject to any court or governmental order or injunction, which remains in effect, prohibiting or making illegal the consummation of the transactions contemplated hereby.

(c) Deliveries. Sellers shall have complied with each of their obligations set forth in Section 2.9(a).

(d) Authorization Order. The Authorization Order shall have been entered by the Bankruptcy Court.

(e) FCC Authorization. The FCC Consent, including obtaining the continuation/replacement of the existing KWNB-TV waiver, without materially adverse conditions, shall have been granted and shall be in full force and effect and shall have become a Final Order unless finality is waived by the Buyer. Out of an abundance of caution, the parties understand that in the event Buyer waives finality and closing occurs, Seller will have no obligation to unwind the Agreement.

(f) Consents. The Required Consents (in form and substance reasonably acceptable to Buyer) shall have been obtained.

(g) No Material Adverse Effect. Since the Agreement Date, there shall not have occurred a Material Adverse Effect. For purposes of this Section, "Material Adverse Effect" means any event, state of facts, circumstance, development, change, effect or occurrence (an "Effect") that, individually or in the aggregate with any other Effect, has had or would reasonably be expected to have a materially adverse effect on the business, properties, assets, financial condition or results of operations of the Station and the Business, taken as a whole, or of the Owned Real Property, or on the ability of Sellers to perform its material obligations under this Agreement, other than any Effect arising out of or resulting from (a) any Effect affecting the economy of the United States generally, including changes in the United States or foreign credit, debt, capital or financial markets (including changes in interest or exchange rates) or the economy of any town, city, region or country in which the Station conducts business, (b) general changes or developments in the broadcast television industry to the extent that the Effect thereof is not disproportionately adverse to or on the Station or the Business compared to similar businesses, (c) the execution and delivery of this Agreement, the announcement of this Agreement and the transactions contemplated hereby, the consummation of the transactions contemplated hereby, the compliance with the terms of this Agreement or the taking of any action required by this Agreement or consented to in writing by Buyer, (d) earthquakes, hurricanes, natural disasters or global, national or regional political conditions, including hostilities, military actions, political instability, acts of terrorism or war or any escalation or material worsening of any such hostilities, military actions, political instability, acts of terrorism or war existing or underway as of the date hereof (other than any of the foregoing that causes any material damage or destruction to or renders unusable any material Assets), only to the extent that the Effect thereof is not disproportionately adverse to or on the Station or the Business compared to similar businesses, (e) any failure, in and of itself, by Sellers or any Station to meet any internal or published projections, forecasts or revenue or earnings predictions for any period ending on or after the date of this Agreement (it being understood that the underlying facts or occurrences giving rise to such failure may be deemed to constitute, or be taken into account in determining whether there has been or will be a Material Adverse Effect); (f) any Effect that results from any action taken at the express prior request of Buyer or with Buyer's prior written consent; (g) any breach by Buyers of their obligations under this Agreement; or (h) changes in Applicable Law or generally accepted accounting principles or the interpretation thereof.

(h) items on Schedule 4.6 shall be completed or there shall be a reduction in the Purchase Price as agreed upon pursuant to Schedule 4.6.

Section 8.2. Conditions to Obligation of Sellers. The obligation of Sellers to consummate the Closing hereunder is subject to satisfaction, at or prior to the Closing Date, of each of the following conditions (unless waived in writing by Sellers):

(a) Representations and Covenants.

(i) All representations and warranties of Buyer contained in this Agreement shall be true and correct as of the Agreement Date and at and as of the Closing Date (other than any representation or warranty that is expressly made as of a specified date, which need be true and correct as of such specified date only), except to the extent that the failure of the representations and warranties of Buyer contained in this Agreement to be so true and correct at and as of the Agreement Date (or in respect of any representation or warranty that is expressly made as of a specified date, as of such date only) has not had and would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on the Business; provided, that for purposes of this Section, all materiality or similar qualifiers within such representations and warranties shall be disregarded;

(ii) The covenants and agreements that by their terms are to be complied with and performed by Buyer at or prior to the Closing shall have been complied with or performed by Buyer in all material respects.

(iii) Sellers shall have received a certificate dated as of the Closing Date from Buyer executed by an authorized officer of Buyer to the effect that the conditions set forth in Sections 8.2(a)(i) and (ii) have been satisfied.

(b) Proceedings. None of Sellers nor Buyer shall be subject to any court or governmental order or injunction, which remains in effect, prohibiting or making illegal the consummation of the transactions contemplated hereby.

(c) Authorization Order. The Authorization Order shall have been entered by the Bankruptcy Court.

(d) FCC Authorization. The FCC Consent shall have been granted and shall be in full force and effect and shall, unless waived by Buyer, have become a Final Order.Deliveries. Buyer shall have complied with each of its obligations set forth in Section 2.9(b).

ARTICLE IX SURVIVAL/INDEMNIFICATION

Section 9.1. Survival of Representations and Warranties. Sellers' representations as provided in this Agreement shall be true and correct in all material respects as of the date hereof and as of the Closing Date. Except for claims involving fraud, all representations and warranties contained in Articles IV and V, or in the certificates delivered pursuant to this Agreement to the extent relating to such representations and warranties, will survive the Closing and will remain in

full force and effect until the date that is 12 months after the Closing Date, at which time they will terminate and no claims with respect to such representations and warranties (or in such certificates, to the extent they relate to such representations and warranties) shall be made by any Person for indemnification thereafter). The covenants and agreements of the parties hereto contained in this Agreement shall survive until they are fully performed or, if earlier, until the expiration thereof set forth in the terms of such covenant and agreement.

Section 9.2. Indemnification by Buyer. From and after the Closing Date, Buyer shall indemnify and save and hold harmless Sellers and their Affiliates (the “Sellers’ Indemnitees”) from and against all Damages suffered by any such Sellers’ Indemnitees resulting from or arising out of: (i) any breach by Buyer of its representations and warranties made under this Agreement or in any certificate delivered by Buyer pursuant to this Agreement; (ii) any nonfulfillment or breach of any covenant or agreement made by Buyer in this Agreement; (iii) Buyer’s ownership and use of the Assets and ownership and operation of the Stations on and after the Effective Time (except for the Retained Liabilities); (iv) the Assumed Liabilities; (v) any failure of Buyer to comply with its obligations under this Section 9.2; and (vi) any fees or expenses (including without limitation, reasonable attorneys’ fees) incurred by Sellers or any of them in enforcing its rights hereunder. Notwithstanding the foregoing, Buyer will have no Liability to Sellers for any claims with respect to which Sellers has not notified Buyer in accordance with Section 9.4 prior to the expiration of the applicable survival period set forth in Section 9.1.

Section 9.3. Indemnification by Sellers. From and after the Closing Date, and subject to the limitations in Section 9.5, Sellers shall indemnify and save and hold harmless Buyer and its Affiliates (the “Buyer Indemnitees”) from and against any Damages resulting from or arising out of: (i) any breach by Sellers of their representations or warranties made under this Agreement or in any certificate delivered by Sellers pursuant to this Agreement; (ii) any nonfulfillment or breach of any covenant or agreement made by Sellers in this Agreement; (iii) any inaccuracy in any Schedule provided by Sellers that would have a material adverse effect on Buyer; (iv) the Excluded Assets or Retained Liabilities; (v) Seller’s ownership and use of the Assets and operation or ownership of the Stations prior to the Effective Time (except for the Assumed Liabilities); (vi) any Proceedings which are due to the conduct of Sellers or the Station on or prior to the Closing Date; (vii) any Retained Liabilities, (viii) any failure of Sellers to comply with their obligations under this Section 9.3; or (ix) any fees or expenses (including without limitation, reasonable attorneys’ fees) incurred by Buyer in enforcing its rights hereunder. Notwithstanding the foregoing, Sellers will have no Liability to Buyer for any claims with respect to which Buyer has not notified Sellers in accordance with Section 9.4 prior to the expiration of the applicable survival period set forth in Section 9.1.

Section 9.4. Indemnification Procedures.

(a) If and indemnified party desire to assert any claim for indemnification provided for under this Article IX in respect of, arising out of or involving a claim or demand made by any Person (other than a Party hereto or Affiliate thereof) against the Sellers’ Indemnities (a “Third Party Claim”), such indemnified party shall notify Buyer or Sellers, as the case may be (the “Indemnifying Party”), in writing of such Third Party Claim, the amount or the estimated amount of Damages sought thereunder to the extent then ascertainable (which estimate shall not be conclusive of the final amount of such Third Party Claim), any other remedy sought

thereunder, any relevant time constraints relating thereto and, to the extent practicable, any other material details pertaining thereto (a “Third Party Claim Notice”) promptly after receipt by such indemnified party of written notice of the Third Party Claim; provided, however, that failure to provide a Third Party Claim Notice shall not affect the indemnification provided hereunder except to the extent the indemnifying party shall have been actually prejudiced as a result of such failure. The indemnified party shall deliver to the Indemnifying Party, promptly after the indemnified party’s receipt thereof, copies of all notices and documents (including court papers) received by the indemnified party relating to the Third Party Claim; provided, however, that the failure to deliver such copies shall not affect the indemnification provided hereunder except to the extent the indemnifying party shall have been actually prejudiced as a result of such failure.

(b) If a Third Party Claim is made against an indemnified party, the Indemnifying Party will be entitled to participate in the defense thereof and, if it so chooses and acknowledges without reservation its obligation to indemnify the indemnified party therefor, to assume the defense thereof with counsel selected by the Indemnifying Party and reasonably satisfactory to the indemnified party. Should the Indemnifying Party so elect to assume the defense of a Third Party Claim, the Indemnifying Party will not be liable to the indemnified party for legal expenses subsequently incurred by the indemnified party in connection with the defense thereof, unless the Third Party Claim involves potential conflicts of interest or substantially different defenses for the indemnified party and the Indemnifying Party or the Indemnifying Party fails to diligently pursue the defense thereof. If the Indemnifying Party assumes such defense, the indemnified party shall have the right to participate in defense thereof and to employ counsel, at its own expense (except as provided in the immediately preceding sentence), separate from the counsel employed by the Indemnifying Party, it being understood that the Indemnifying Party shall control such defense. The Indemnifying Party shall be liable for the fees and expenses of counsel employed by the indemnified party for any period during which the Indemnifying Party has not assumed the defense thereof and as otherwise contemplated by the two immediately preceding sentences. If the Indemnifying Party chooses to defend any Third Party Claim, all the parties hereto shall cooperate in the defense or prosecution thereof. Such cooperation shall include the retention and (upon the Indemnifying Party’s request) the provision to the Indemnifying Party of records and information that are reasonably relevant to such Third Party Claim, and the use of reasonable efforts to make employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. Whether or not the Indemnifying Party shall have assumed the defense of a Third Party Claim, if the indemnified party admits any liability with respect to, or settles, compromises or discharges, such Third Party Claim without the Indemnifying Party’s prior written consent (which consent shall not be unreasonably withheld, delayed or conditioned), then such admission, settlement or compromise will not be binding upon or constitute evidence against the Indemnifying Party for purposes of determining whether the indemnified party has incurred Damages that are indemnifiable pursuant to this Article IX or the amount thereof. The Indemnifying Party may pay, settle or compromise a Third Party Claim, but only with the written consent of the indemnified party and only so long as such settlement (A) includes an unconditional release of the indemnified party from all liability in respect of such Third Party Claim; (B) does not subject the indemnified party to any injunctive relief or other equitable remedy; (C) does not include a statement or admission of fault, culpability or failure to act by or on behalf of any indemnified party; and (D) does not impose any ongoing obligation of any kind on the indemnified party.

(c) If an indemnified party shall desire to assert any claim for indemnification provided for under this Article IX other than a claim in respect of, arising out of or involving a Third Party Claim (a “Direct Claim”), such indemnified party shall promptly notify the Buyer in writing of such Direct Claim, the amount or the estimated amount of damages sought thereunder to the extent then ascertainable (which estimate shall not be conclusive of the final amount of such Direct Claim), any other remedy sought thereunder, any relevant time constraints relating thereto and, to the extent practicable, any other material details pertaining thereto (a “Direct Claim Notice”).

(d) The Buyer shall have a period of 20 days within which to respond to any Direct Claim Notice or any Third Party Claim Notice. If the Buyer does not respond within such 20-day period, the Buyer will be deemed to have accepted such claim. If the Buyer rejects all or any part of such claim, Sellers and Buyer shall attempt in good faith for 20 days to resolve such claim. If no such agreement can be reached through good faith negotiation within 20 days, either Buyer or Sellers may commence an action against the other Party.

Section 9.5. Limitations on Indemnification.

(a) Except as provided below, in no event shall the aggregate indemnification to be paid by Sellers pursuant to Section 9.3 exceed Two Million Eight Hundred Thousand Dollars (\$2,800,000.00) (the “Cap”). Moreover, Sellers shall have no indemnification liability until, and only to the extent that, the aggregate amount of all claims for which indemnification sought by Buyer exceeds \$25,000 (the “Basket”); provided, however, that (x) claims for fraud shall not be subject to the Threshold or the Cap, and (y) claims for any Damages incurred by the Buyer Indemnified Parties (A) arising out of or resulting from the breach or inaccuracy of any of the representations and warranties made by Sellers in Section 4.1 (Organization), Section 4.2 (Authorization), Section 4.5 (Title), the second sentence of Section 4.7 (Real Property), Section 4.10 (Government Authorizations), Section 4.14 (Taxes), and Section 4.18 Environmental Matters) and (B) pursuant to Section 9.3(ii)-(ix), shall not be subject to the Threshold or Cap.

(b) No indemnified party shall be entitled to recover from an Indemnifying Party more than once in respect of the same Damages, nor shall an indemnified party be entitled to recover from Indemnifying Party any payments that were included in the Purchase Price adjustments pursuant to Section 2.7.

(c) Notwithstanding anything to the contrary in this Article IX, in no event shall Indemnifying Party have liability to any indemnified party for any consequential, special, incidental, indirect or punitive damages except to the extent adjudicated and owed to a third party with respect to a Third Party Claim.

(d) Post-Closing Indemnity Escrow. From and after the Closing, and pursuant to the terms of the Indemnity Escrow Agreement, the Indemnity Escrow Amount will be held by the Escrow Agent as collateral security for the obligations of Sellers to indemnify the Buyer Indemnitees under this Article IX.

Section 9.6. Mitigation. Each Party shall take commercially reasonable actions to mitigate losses, including by pursuing insurance claims and claims against third parties, and shall

reasonably consult and cooperate with the other Party with a view toward mitigating Damages upon and after becoming aware of any event or condition which would reasonably be expected to give rise to any Damages that are indemnifiable hereunder.

Section 9.7. Exclusive Remedy. Buyer and Sellers acknowledge and agree that, with respect to the Assets, the indemnification provisions of this Article IX shall be the sole and exclusive remedy of the parties hereto following the Closing for any losses arising out of any breach of the representations, warranties, covenants or agreements of the parties contained in this Agreement, provided that nothing in this Article IX will limit any Person's right to any remedy based on fraud or intentional misconduct or any right to specific performance or other injunctive remedy. In furtherance of the foregoing, each of Buyer and Sellers hereby waive, to the fullest extent permitted under applicable law, except in the case of fraud or intentional misconduct, any and all rights, claims and causes of action it may have against the other arising under or based upon any federal, state or local law, rule or regulation (including any such rights, claims or causes of action arising under or based upon common law, tort or otherwise and relating to this Agreement, any Related Agreement, including any certificate delivered pursuant to this Agreement or the transactions contemplated hereby, other than any rights, claims or actions arising under this Article IX.

ARTICLE X TERMINATION

Section 10.1. Termination of Agreement. This Agreement may be terminated at any time prior to the Closing as follows:

(a) Buyer and Sellers may terminate this Agreement by mutual written consent;

(b) Buyer may terminate this Agreement by giving written notice to Sellers if Buyer is not in breach of this Agreement and Sellers have breached any representation, warranty, or covenant contained in this Agreement in any material respect to the extent that Section 8.1(a)(i) would not be satisfied and such breach has not been cured by Sellers within 30 days after written notice of such breach is delivered by Buyer to Sellers provided that if such breach can be cured prior to Closing and upon receipt of notice thereof, Sellers proceed in good faith to cure such breach prior to Closing; or

(c) Sellers may terminate this Agreement by giving written notice to Buyer if Sellers are not in breach of this Agreement and Buyer has breached any representation, warranty, or covenant contained in this Agreement in any material respect to the extent that Section 8.2(a)(i) would not be satisfied and such breach has not been cured by Buyer within 30 days after written notice of such breach is delivered by Sellers to Buyer provided that if such breach can be cured prior to Closing and upon receipt of notice thereof, Buyer proceeds in good faith to cure such breach prior to Closing;

(d) subject to the auction delay exception in Section 2.8(a), by Buyer or Sellers by written notice to the other Party if the Closing has not occurred on or before the date that is twelve (12) months from the Agreement Date.

(e) by either Buyer or Sellers if any Governmental Authority shall have issued a final and non-appealable Governmental order permanently restraining, enjoining or otherwise prohibiting consummation of the transactions in this Agreement.

Section 10.2. Specific Performance. Subject to Section 10.3, the parties hereto acknowledge and agree that Buyer would be irreparably damaged if any of the provisions of this Agreement are not performed in accordance with their specific terms or are otherwise breached and that any non-performance or breach of this Agreement by Sellers hereto could not be adequately compensated by monetary damages alone and that Buyer would not have any adequate remedy at law. Accordingly, in addition to any other right or remedy to which Buyer may be entitled, at law or in equity (including monetary damages), subject to Section 10.3, prior to the termination of this Agreement pursuant to Section 10.1, Buyer shall be entitled to enforce any provision of this Agreement by a decree of specific performance and to temporary, preliminary and permanent injunctive relief, subject to obtaining the required FCC Consent, to prevent breaches or threatened breaches of any of the provisions of this Agreement without posting any bond or other undertaking. Without limiting the generality of the foregoing, the parties hereto agree that Buyer shall be entitled to enforce specifically (a) Seller's obligations under Article III; and (b) Seller's obligation to consummate the transactions contemplated by this Agreement (including the obligation to consummate the Closing), if the conditions set forth in Section 8.2 have been satisfied (other than those conditions that by their nature are to be satisfied at the Closing) or waived.

Section 10.3. Effect of Termination.

(a) Subject to Section 10.2, in the event of a termination of this Agreement by either Sellers or Buyer as provided in Section 10.1, this Agreement shall forthwith become null and void and there shall be no Liability on the part of Sellers, Buyer or their respective directors, officers, employees, incorporators, members, partners, Affiliates, agents, attorneys or representatives; provided that the provisions of this Section 10.3, Section 7.1 (Confidentiality), Section 11.4 (Entire Agreement), Section 11.6 (Governing Law; Waiver of Jury Trial), Section 11.9 (Expenses), Section 11.10 (Neutral Construction), Section 11.14 (Counterparts; Delivery by Facsimile/Email), shall remain in full force and effect and survive any termination of this Agreement; provided, however, that any such termination shall not relieve any party of any liability for any breach or default that occurred prior to such termination.

(b) Upon termination of this Agreement pursuant to Section 10.1, Buyer will promptly cause to be returned to Sellers all documents and information obtained in connection with this Agreement and the transactions contemplated by this Agreement and all documents and information obtained in connection with Buyer's investigation of the Business, Stations and Assets, including any copies made by Buyer or any of Buyer's agents of any such documents or information

(c) Upon termination of this Agreement pursuant to Sections 10.1(a), (b), (d) or (e), the Escrow Funds shall be returned to Buyer. Except as otherwise set forth in this Agreement, in the event of termination of this Agreement pursuant to Section 10.1(c), the Escrow Funds shall be released to Sellers as liquidated damages. The Parties acknowledge that actual damages would be difficult or impossible to calculate and that such liquidated damages

amount represents the Parties' reasonable estimate of actual damages and does not constitute a penalty.

ARTICLE XI MISCELLANEOUS

Section 11.1. Event of Loss.

(a) After the Effective Time, Buyer shall bear all risk of loss with respect to the Closing Assets.

(b) The risk of all Events of Loss with respect to the Assets at all times up to the Effective Time shall be borne by Sellers. Upon the occurrence of an Event of Loss with respect to the Assets prior to the Closing Date, Sellers shall take commercially reasonable steps to repair, replace and restore damaged, destroyed or lost property to its condition prior to any such loss, damage, or destruction. In the event of any Event of Loss with respect to the Assets, the proceeds of any related claim payable under any insurance policy with respect thereto shall be used to repair, replace, or restore any such property to its former condition subject to the conditions stated below. In the event of any Event of Loss with respect to the Assets, Sellers shall notify the Buyer thereof in writing as soon as practicable after Sellers becomes aware of Event of Loss. Such notice shall specify with particularity the loss or damage incurred, the cause thereof (if known or reasonably ascertainable), and the insurance coverage. In the event that the property is not repaired, replaced or restored to its condition prior to any such loss, damage, or destruction on or before the scheduled Closing Date Buyer at its option: (i) may, in the case of an Event of Loss which involving assets or property having a book value, or replace or repair cost, of at least \$100,000, elect to postpone Closing until such time as the property has been completely repaired, replaced or restored (and, if necessary, Sellers shall join Buyer in requesting from the FCC any extensions of time in which to consummate the Closing that may be required in order to complete such repairs, but which postponement will not waive Buyer's rights pursuant to Section 10.1(d) hereof); or (ii) may elect to consummate the Closing and accept the property in its then condition, in which event Sellers shall pay to Buyer all related proceeds of insurance (including any deductible in connection therewith) and assign to Buyer the right to any related unpaid proceeds.

Section 11.2. No Third-Party Beneficiaries. This Agreement shall not confer any rights or remedies upon any Person other than the Parties and their respective successors and permitted assigns.

Section 11.3. Successors and Assigns.

(a) This Agreement will be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns. No Party may assign either this Agreement or any of its rights, interests, or obligations hereunder without the prior written approval of the other Party. Any purported assignment or delegation in violation hereof shall be null and void. Notwithstanding the foregoing, without such prior written consent, Buyer may assign this Agreement and any or all rights, interests and obligations hereunder (including Buyer's right to purchase the Assets and to seek indemnification hereunder) to (a) any Affiliate

of Buyer or any third party whether under Section 11.3(b) or not or (b) for collateral purposes, to any holder of indebtedness of Buyer or any trustee or agent therefor; provided, in each case, that Buyer shall give Sellers prior written notice of any such assignment and that any such assignment and delegation shall not materially delay, hinder or prohibit the FCC Consent, the FCC Consent becoming a Final Order, or the consummation of the transactions contemplated hereby and, provided further, notwithstanding any such assignment or delegation by Buyer, Buyer shall remain obligated for all of its obligations under this Agreement

(b) Each of the Sellers and Buyer shall have the right to assign its respective rights under this Agreement (but without release of its respective obligations herein and without release of the other party's obligations herein) to a third party who may act as a "qualified intermediary" or an "exchange accommodation titleholder" with respect to this Agreement in accordance with the provisions of Section 1031 of the Code, the Treasury Regulations promulgated thereunder, and any corresponding state or local income Tax laws (such assignment and related transactions, a "Like-Kind Exchange"). If either party elects to engage in a Like-Kind Exchange, the party so electing (the "Electing Party") shall notify the other party of its election in writing no later than five (5) days prior to the Closing, identifying those Assets that it intends to qualify as part of the Like-Kind Exchange. The Electing Party shall bear its own expenses in connection with any such election to engage in a Like-Kind Exchange. Each of Sellers and Buyer, as the case may be, shall cooperate fully with the Electing Party, and take any action reasonably requested in writing by the Electing Party, in connection with enabling the transactions to qualify in whole or in part as a Like-Kind Exchange; *provided, however*, that such actions do not impose any liabilities, including any unreimbursed monetary obligations or costs, on Sellers or Buyer and does not release Buyer or Sellers from its obligations under this Agreement, as the case may be, and that the Electing Party shall promptly reimburse the other party for any third-party costs reasonably incurred in connection with such election, including as the result of any subsequent review of such election by any Governmental Authority or any attendant Tax consequences.

Section 11.4. Entire Agreement. This Agreement (including the Exhibits and Schedules hereto and any other agreements and documents referred to in this Agreement) constitutes the entire agreement between the Parties and supersedes any prior understandings, agreements, or representations by or between the Parties, written or oral, to the extent they are related in any way to the subject matter hereof.

Section 11.5. Notices. All notices, consents, waivers, and other communications under this Agreement must be in writing and will be deemed to have been duly given when (a) delivered by hand (with written confirmation of receipt) or (b) when received by the addressee, if sent by a nationally recognized overnight delivery service (receipt requested), in each case to the appropriate addresses set forth below (or to such other addresses as a Party may designate by notice to the other Parties; provided, however, that any such change shall be effective only upon receipt by the other Parties):

Section 11.6. Governing Law; Waiver of Jury Trial. This Agreement will be governed by and construed in accordance with the laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware. EACH OF THE PARTIES HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHTS TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT.

Section 11.7. Amendments and Waivers. No amendment of any provision of this Agreement will be valid unless the same is in writing and signed by Buyer and Sellers. No waiver by any Party of any default, misrepresentation, or breach of warranty or covenant under this Agreement, whether intentional or not, will be deemed to extend to any prior or subsequent

default, misrepresentation, or breach of warranty or covenant under this Agreement or affect in any way any rights arising by virtue of any prior or subsequent such occurrence.

Section 11.8. Severability. Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction will not affect the validity or enforceability of the remaining terms and provisions of this Agreement or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

Section 11.9. Expenses. Except as otherwise expressly provided in this Agreement, each of Sellers and Buyer will bear their/its own costs and expenses (including legal fees and expenses) incurred in connection with this Agreement and the transactions contemplated by this Agreement.

Section 11.10. Neutral Construction. The Parties have participated jointly in the negotiation and drafting of this Agreement. If an ambiguity or question of intent or interpretation arises, this Agreement will be construed as if drafted jointly by the Parties and no presumption or burden of proof will arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

Section 11.11. Further Assurances. After the Closing, each party shall from time to time, at the request of and without further cost or expense to the other, execute and deliver such other instruments of conveyance and assumption and take such other actions as may reasonably be requested in order to more effectively consummate the transactions contemplated hereby.

Section 11.12. Incorporation of Exhibits and Schedules. The Exhibits and Schedules identified in this Agreement are incorporated herein by reference and made a part hereof.

Section 11.13. Headings. The Article and Section headings contained in this Agreement are inserted for convenience only and will not affect in any way the meaning or interpretation of this Agreement.

Section 11.14. Facsimile/Electronic; Counterparts Signatures. This Agreement may be executed in separate counterparts, each of which will be deemed an original and all of which together will constitute one and the same agreement. This Agreement, the agreements referred to herein, and each other agreement or instrument entered into in connection herewith or therewith or contemplated hereby or thereby, and any amendments hereto or thereto, to the extent signed and delivered by facsimile transmission or electronic mail in pdf form, shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. At the request of any party hereto or to any such agreement or instrument, each other party hereto or thereto shall re-execute original forms thereof and deliver them to all other parties. No party hereto or to any such agreement or instrument shall raise the use of a facsimile machine or email to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of a facsimile machine or email as a defense to the formation or enforceability of a contract and each such party forever waives any such defense which will be deemed an original but all of which together will constitute one and the same instrument.

Section 11.15. Exclusivity. Sellers agree and covenant that after the entry of the Authorization Order but prior to the Closing or the termination of this Agreement, none of Sellers nor any of their Affiliates or representatives will discuss, negotiate or offer (or solicit offers) regarding a sale, transfer or other disposition of the Assets or any merger, combination, restructuring, refinancing or similar transaction involving Sellers with another Person or provide any information to any other Person regarding the Stations or Sellers in that connection.

Section 11.16. Time is of the Essence. Time is of the essence with respect to each party's performance of its obligations hereunder.

Section 11.17. Submission to Jurisdiction; Consent to Service of Process.

(a) Without limiting any Party's right to appeal any order of the Bankruptcy Court, (i) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any claims or disputes which may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the transactions contemplated by this Agreement, and (ii) any and all proceedings related to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the Parties hereby consent to and submit to the jurisdiction and venue of the Bankruptcy Court and shall receive notices at such locations as indicated in Section 11.5; provided, however, that if the bankruptcy case has closed, the Parties agree to unconditionally and irrevocably submit to the exclusive jurisdiction of the United States District Court for the District of Delaware and any appellate court from any thereof, for the resolution of any such claim or dispute. The Parties hereby irrevocably waive, to the fullest extent permitted by applicable law, any objection which they may now or hereafter have to the laying of venue of any such dispute brought in such court or any defense of inconvenient forum for the maintenance of such dispute. Each of the Parties agrees that a judgment in any such dispute may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(b) Each of the Parties hereby consents to process being served by any Party in any suit, action or proceeding by delivery of a copy thereof in accordance with the provisions of Section 11.5.
