Re: Modification Application

Dear Steve:

This letter is in reference to that certain Asset Purchase Agreement ("Agreement") between Edgewater Broadcasting, Inc. ("Seller") and WCHZ License LLC ("Buyer") for the purchase of the translator with the call letters "W238AU" and the Facility ID 151831 ("Translator"). Capitalized terms used herein that are not otherwise defined shall have the meanings ascribed to them in the Agreement. The purpose of this letter is to set forth the terms of construction of the modified facilities for the Translator as referenced in Section 1.5(c) of the Agreement.

Pursuant to the Agreement, the Seller agrees to file the Modification Application, subject to Section 1.5(c) of the Asset Purchase Agreement, with the FCC to request authority to move the Translator to a site identified by Buyer ("Buyer Site"). Upon FCC grant of the Modification Application, Seller hereby authorizes Buyer, at its cost, to begin construction of the modified facilities for the Translator on the Buyer site. Construction of the modified facilities shall be subject to Buyer's prior approval and supervision. In the event the FCC fails to consent to the assignment of the FCC license for the Translator to Buyer or the purchase of the Translator by Buyer fails to occur, Seller agrees that all equipment installed for the Translator at the Buyer Site shall remain the property of Buyer and Seller shall have no right to any such equipment.

If you are in agreement with the terms of this letter, please sign below where indicated.

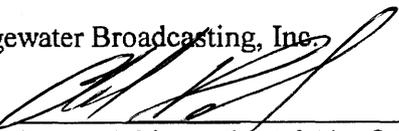

Very truly yours,

Caroline Beasley
