

MULTIPLE OWNERSHIP STUDY
KLMI ROCK RIVER, WYOMING
KONA COAST RADIO, LLC
FCC FORM 301
FEBRUARY 2008

The following minor change application was studied for compliance with 73.3555 of the Commission rules concerning multiple ownership of stations.

The Permittee, Kona Coast Radio, LLC has an ownership interest in the following stations either directly or under another company common ownership in the regional area:

- 1) KLMI (CP) Rock River, WY, facility ID 164207
- 2) KRQU Laramie, WY, facility ID 9761
- 3) KIMB(AM) Kimball, NE, facility ID 15818
- 4) KYOY Kimball, NE, facility ID 77915
- 5) KRGQ (CP) Yuma, CO, facility ID 164299
- 6) KGRK Glenrock, WY, facility ID 88725
- 7) KRKI Newcastle, WY, facility ID 89114
- 8) KFMH Belle Fourche, WY, facility ID 40636
- 9) NEW FM, Arriba, CO, facility ID 170960
- 10) NEW FM, Cheyenne Wells, CO, facility ID 170960
- 11) NEW FM, Hugo, CO, facility ID 170961
- 12) NEW FM, Stratton, CO, facility ID 170962

Figure 1 attached is a Multiple Ownership Map which shows the predicted 70 dB μ city grade contours for each of these stations. There will be no overlap with this station or any other station as now authorized or proposed, with the exception of KRQU and the proposed KLMI. However, there are six stations actually licensed to Laramie, Wyoming including the commonly owned KRQU Laramie. Thus, it can be concluded, since the provisions of 73.3555 allow for no more than half of the stations in a non-rated market, as is the case in Laramie, Wyoming. The overlap of these two stations in the Laramie, Wyoming market will be in compliance with multiple ownership requirements.
