October 16, 2007

Agreement of Understanding

Between

KHQ Incorporated
1201 Sprague Ave.
Spokane, WA 99201

And

Washington State University
Pullman, WA 99164
Dave Brawdy, Chief Engineer

Dear Mr. Brawdy:

We understand that your organization, Washington State University, plans to apply for a new noncommercial educational FM station in the October 2007 filing window.

The specifications are:

Freq: 89.9 mHz
ERP: 0.35 kW, directional
Location: Bald Butte 46-37-59N 117-05-17W

We hereby give our consent to the grant of your application subject to the following conditions:

1. Washington State University will promptly provide us with a copy of the application as filed with the FCC and any subsequent amendments to the technical portions of that application. We reserve the right to withdraw or modify this consent if we, in good faith, conclude that the application or any amendment poses a significant threat of interference to our viewers.

2. Washington State University agrees to promptly remedy any actual interference to Channel 6 viewers that results from the FM facilities as constructed. Washington State University will install suitable notch filters or take other steps that we agree are appropriate, to eliminate such actual interference.
3. Washington State University will provide KHQ with the phone number and email address of the responsible person to contact if KHQ should receive any complaints from viewers of interference to KHQ on Channel 6.
4. Washington State University will provide KHQ copies of any reception complaints that it receives, and a full description of the corrective action taken.
5. This letter only applies to the application that Washington State University files in the October 2007 Filing Window. Any future changes in operating parameters will require renewed consent from KHQ.

Please return a signed copy of this letter as your understanding and acceptance of its conditions.

Sincerely,

Patricia McRae, Vice President & GM

On Behalf of: KHQ Incorporated
PO Box 600
Spokane, WA 99210

Agreed to:

Signed: 
Dave Brawdy, Chief Engineer
