FCC Form 314
Section III, Item 6**

Multiple Ownership

As indicated in Section III, Item 2, University of Utah (the “University”) is a body politic and corporate of the State of Utah, and thus for regulatory classification purposes before the Commission it is equivalent to a not-for-profit corporation. The University is currently the licensee of four noncommercial radio stations in Salt Lake City-Ogden-Provo, UT (KUER-FM, KUHU(FM), KUOU(FM) and KUXU(FM)), as well as one noncommercial station in Logan, UT, KUEU(FM).¹ In addition, the University is licensee of three noncommercial television stations in the Salt Lake City Designated Market Area, KUED, KUES, and KUEW. The Station that is the subject of this application, KYLZ(FM), is licensed as a commercial station, but the University would operate the station as a noncommercial educational station upon assignment.

Under FCC rules, noncommercial broadcast stations are not subject to the radio ownership limits of Section 73.3555(a) or radio-television cross-ownership limits of Section 73.3555(c). *See* 47 C.F.R. § 73.3555(f) (“The ownership limits of this section are not applicable to noncommercial educational FM and noncommercial educational TV stations.”). Accordingly, this application complies with the Commission’s multiple ownership rules and cross-ownership rules.

¹ Noncommercial radio stations KUHU(FM), KUOU(FM), KUXU(FM), and KUEU(FM) operate as satellites of KUER-FM.
